Fall 2017

# CELEBRATING A WONDERFUL LIFE

On September 19th, 2017, our Senior Director Libby Miller passed away, surrounded by her family and adoring pets. While we are saddened to lose such a beloved part of our Greystone family, we are comforted in the knowledge that Libby is sitting at Jesus' feet, enjoying Him forever. Libby's influence for God's kingdom has been great, marked by devotion and excellence, and we rejoice in her heavenly homecoming.

# HELLO FROM JIMBOY

A letter from Jimboy giving you the scoop on what's new at camp.

Warm days are now a thing of the past in Tuxedo. A warm day is only 70 degrees and most days never warm higher than the mid 60's...the very definition of "sweater weather". Our trees are changing from green to whatever color God deems best. Seeing camp awash with bright yellow, orange, and red leaves is a special treat for those who live here. If you ever get a chance to visit camp during the fall, don't hesitate...we guarantee that you will LOVE the show!

Fall is also the time of year that we start improving camp for your return next summer. We are very excited about the projects that have already been approved and proudly announce that:

- Metal Jewelry is getting a new foundation and better ventilation (a flat floor and cooler temperatures).
- The Fine Arts Center is getting a huge new covered porch (outside painting room).
- Glass Fusion and Glass Beads are getting a new facility (Fusion is moving to a renovated Glass Beads building; old Fusion building is being renovated into a duplex for staff housing).
- All Tennis Courts will be resurfaced.
- The Upper Road will be repaired (broken pavement removed)
- Entrance road pavement and Bear Mountain pavement will be resurfaced.
- All bungalow and tentalow interiors will be repainted.
- All bungalow, cabin, and tentalow bathrooms repaired (shelving and tiles) and cleaned professionally as needed.

With over 100 buildings in camp, we will continue to find things that need fixing and polishing. We delight in such discoveries for they allow us to improve camp in unexpected ways! One of the best parts of Greystone is how well we maintain and improve camp every year. Check in on the blog to read the news and to see the progress on your favorite project!

# DEVOTION: ABIDING IN JESUS

Taken from Sophie Hudson's  
new book "All in All  
Journaling Devotional: Loving  
God Wherever You Are"

SCRIPTURE TO READ: JOHN 15:1-11

After a year of vowing that I didn't know why anybody needed one, I recently got a FitBit. Little did I know that it would take approximately four-ish hours for me to become completely dialed in to all the FitBit features. Suddenly I could check my heart rate, I could see how many steps I'd taken, I could find out how many calories I'd burned, and if I wore the Fit Bit when I slept, I could analyze my sleeping habits. It's been an onslaught of daily information I didn't even know I wanted, and I am surprisingly crazy about the turquoise band that is continually wrapped around my wrist. In a weird way, it's almost like an ever-present accountability partner.

Well. Yesterday I was looking at my FitBit app to see how well I'd slept the night before (answer: not very) when the strangest thought occurred to me: wouldn't it be awesome if we had some variation of a FitBit for our relationship with the Lord? I don't know – maybe we'd call it a Heavenly Helper (H2 for short) – and after wearing it all day (maybe around our heads like a halo because YES), we'd open the app before bed to see how well we followed Jesus during our waking hours. Can you even imagine?

- You were 67 percent holy today.
- Your thoughts were pure for 4 hours and 32 minutes.
- You fought temptation 72 times. Good job!

On the one hand, it might be nice to have an objective assessment of how we're walking out our faith. But the reality, of course, is that it would never work because we'd get awfully self-righteous if those numbers got high enough – or we'd be completely discouraged that we weren't seeing the results we'd hoped for.

Faith was never meant to be a checklist.

By God's design, there's not a single one of us who can overcome our sinfulness on our own. If we could, we'd have no need for a Savior – we'd just BRING IT with the holy awesome every single day. So if we want to continue growing in love and compassion and godliness, we really only have one surefire method (and no, it isn't our sassy H2 halo).

We have to abide.

The word abide is translated from the Greek word “meno”, which means “to stay, continue, dwell, endure, be present, remain, stand, tarry (for).” We stay with Him and He stays with us. The Bible gives us the image of a vine and branches and reminds us that we cannot bear fruit apart from Him; we must be constantly connected. This can only happen through study of the Word and the power of the Holy Spirit. You and I can do a lot, but we can't generate holiness (or bear fruit, for that matter)...he is our constant Companion, our Counselor, and our Savior King.

We might not be able to wear Him on our wrists, but He's in our hearts and leading us exactly where we want and need to be.

# 7 WAYS TO BECOME A MORNING PERSON: GREYSTONE STYLE!

Mornings are one of the hardest parts about going back to school. You're getting up earlier, always in a rush, and how many times have you forgotten your lunch-box or homework this year? Enter the Greystone routine! Try one thing, or a few, and we bet your days will begin to feel a little more terrific.

## 1. WAKE UP AT THE SAME TIME EVERY DAY

We know, we know, not the most fun thing ever, but hear us out! You know how you woke up right at 7:30 that first morning after camp? It was because your body was used to it! Set a routine for the school year, and stick to it as much as possible - you'll thank us later.

## 2. HAVE A MORNING DANCE PARTY

What's the first thing most cabins do after reveille rings? Put on a fun playlist! Get your day started in a happy way with music that makes you move. Extra points if your playlist reminds you of camp!

## 3. MAKE YOUR BED FIRST THING

Even though there's not an inspector coming to your room at home (or maybe there is? No judgment here!), you'll have accomplished something right out of the gate. Your night-time self will thank you - there's nothing like sliding into a crisply made bed.

## 4. ALWAYS EAT BREAKFAST

It's so easy to just grab a granola bar on a busy school morning, but you will feel so much better with a balanced breakfast to keep you going throughout morning classes. Cut up a bunch of fruit on Sunday to have your own fruit bar throughout the week, or pop in some biscuit dough in the oven right when you wake up to have a warm treat on your way to school.

## 5. START YOUR DAY WITH JESUS

The praise songs and devotions at Morning Assembly turn our attention to what's important before the day has really begun. Try listening to worship music on your way to school, or reading a devotional book with your carpool. The words will stay with you all day!

## 6. SING SONGS AT BREAKFAST

Just kidding... kind of! Your siblings might strangle you, but your day will be off with a jaunty start.

## 7. MOST IMPORTANTLY - CLAIM THE DAY!

In the mornings at camp, we clap our hands as soon as we get up and say, "it's going to be a great day and I feel terrific!" Even subconsciously, this sets your intentions for the day and begins your morning on a positive note. Give it a try tomorrow morning... even just in your head!

# MAKING THE REAL WORLD LIKE CAMP

WRITTEN BY MAIN CAMP GUEST  
WRITER MARTHA R. FROM  
ATLANTA, GEORGIA

We all miss camp this time of year and wish we could return to our second home in the mountains. Here are some tips on how to make your real-world life feel like camp:

- 1 Missing DMC's? Call a camp friend and have one over the phone!
- 2 Listen to your cabin's go-to dance party songs.
- 3 Attempt at trying to make some camp food just like Gervais does.
- 4 Do you miss Morning Assembly? Listen to your favorite camp worship songs.
- 5 Give someone a big Greystone hug!
- 6 What's better than snail-mail? Write your camp friends a letter.
- 7 Pretend like you're having Candy Shoppe and eat some frittles after dinner.
- 8 Wear your camp t-shirts out in the real world!
- 9 Read the daily devos before you go to bed and it will feel just like your counselor's devos!

# KEEPING YOUR FAITH AT HOME

Keeping your faith when you return home from camp and head back to school can be difficult. Whether this was your first summer or your 11th, the transition from “the bubble” to home is always tough. We feel it here at camp, the counselors feel it going back to school, and we know you feel it too. A big part of what makes leaving “the bubble” so hard are the Christ-centered friendships made at camp. We asked our counselors for ways to keep your faith alive and vibrant at school, ultimately bringing pieces of “the bubble” into your daily life. Here are some tips they wanted to share:

## BE IN COMMUNITY

A huge part of maintaining your faith at home is having friends who value a relationship with the Lord. Don't forget your camp friends are a phone call away!

## HAVE A QUIET TIME

If you enjoy reading, try sitting down and reading a chapter of something that can help you grow in your faith. Whether it be the Bible or a book that you found on our Resource page ([devotions.campgreystone.com/resources](http://devotions.campgreystone.com/resources)), reading what other people have to say about faith can be really eye-opening.

## TRY JOURNALING

This is one of our favorite suggestions. It is easy to be distracted, so writing down your prayers is a great way to stay focused while being quiet. It's also neat to go back and reread your prayers to see how the Lord has answered them!

## HAVE A PRAYER PARTNER

We just started having prayer partners here at camp in the off-season, and it's a great way to be intentional about asking your friends how they are doing and what you can be praying for. It's so easy to think about others while at camp but harder to do so at home. Getting in a routine like this can really help.

## REMEMBER, YOU ARE NOT ALONE!

Even though the summer seems so far away, and camp's tight-knit community feels like a memory at this point, know that you are not alone at school! Know that the Lord is with you, and we are praying for you daily.

# NEW CAMPERS: LEARN ABOUT CLASSES

Classes at Greystone are SO MUCH FUN, not only because you learn new skills, but also because you are meeting new friends and having a blast. You can pack your day with fun-filled activities that are taught by the best staff on the planet! Here are a few things to know :

## HOW MANY CLASSES DO I CHOOSE?

Great question! If you go to Junior, you pre-schedule for six classes you take everyday. For June and Main Camp you choose 14 total classes; seven you will take on Monday, Wednesday, Friday and seven that you take on Tuesday, Thursday, Saturday! August Campers select a total of seven classes you will take everyday.

## WHEN DO I SIGN UP FOR CLASSES?

Our Junior Campers will pre-register for classes before you even get to camp, so that you can jump into the fun the moment you get here! You'll receive more information about registering when our forms go "live" in March. For the rest of our sessions, you will sign up for classes after your parents leave on Opening Day. Your counselor will help you!

## DO I HAVE TO TAKE A SWIM CHECK?

Yes, you do! Your entire cabin will take the check together on Opening Day, making it fun. The swim check entails swimming one lap in a 25m pool, treading water for 3 minutes, and pencil diving into the deep end.

## ARE DIFFERENT CLASSES OFFERED AT EACH SESSION?

For the most part, no. We do offer a few classes as seminars (a one-day activity) instead of as a class, depending on the session. We also offer advanced classes during our Main Camp session, to accommodate our older campers.

## HOW DO I KNOW WHAT CLASSES WILL BE OFFERED?

Our classes are always changing (sometimes even the night before camp starts!), but the best way to get a good look at the classes that we offer is to look at our website. Just know, we like to keep things fresh so keep your eyes peeled on Opening Day for any surprise additions that might be new!

## ARE THERE AGE PARAMETERS FOR CLASSES?

Yes, due to safety reasons and class sizes, certain classes are only offered to certain age groups – but never fear, the longer you are at camp, the more you can take as time goes on!

## CAN I CHANGE A CLASS?

Of course! If you sign-up for a class that is not what you anticipated or you would like to try something else, we would be happy to change your class! We will explain how to switch classes once you arrive.

# SUMMER 2018 CONTEST!

# FALL RECIPES FROM OUR DIRECTORS

We share quite a few of our camp recipes with everyone (check the blog!), but this fall, we are sharing some family-favorite recipes from some of our camp directors. Pull out your apron, grab a family member, and make something new and fun this season. Tag us so we can see your meal!

## LEFTOVERS PIZZA

CAROLINE GIRAUD

Fall at Greystone means that off-season groups are here and having a blast! When it's a busy day and we're getting ready for a group to come in, we'll make leftovers pizzas; the idea is that you go into the fridge and put whatever you find on a pizza for a quick meal! We've always got ingredients on hand in the Greystone kitchen, but it's easy to pick up premade pizza dough and sauce. Here are some of our faves:

- BBQ pizza with pulled pork and BBQ sauce
- Ham and pineapple
- Veggie (featuring cherry tomatoes and basil harvested close to Ceramics)
- Extra cheese with every kind of cheese we've got in the fridge
- Classic pepperoni

Just as fun to make as it is to eat, leftovers pizza is one of my favorite things and I think it might just become one of yours, too!

# NEWLYWED PIZZA

CATHERINE ELBAUM

It's not quite as good as Gervais'... but it's become one of our favorites for a super quick and easy weeknight meal!

1 cup canned crushed tomatoes  
2 cloves garlic, finely chopped  
2 tbs olive oil  
1/4 cup basil  
salt and pepper to taste  
1 package refrigerated pizza dough  
shredded mozzarella cheese  
pizza toppings of choice (we like cherry tomatoes, arugula, goat cheese, and prosciutto!)

1. Preheat oven to 500. Drizzle olive oil on a baking sheet and roll out pizza dough on it.
2. In a bowl, mix crushed tomatoes, garlic, olive oil, basil, and salt and pepper.
3. Top pizza dough with sauce, cheese, and toppings.
4. Bake for 8-10 minutes, or until crust is golden and cheese is bubbly.

## PUMPKIN DIP

KELLY PINKLEY

3/4 cup (6 ounces) cream cheese  
1/2 cup packed brown sugar  
1/2 cup canned pumpkin  
2 teaspoons maple syrup  
1/2 teaspoon ground cinnamon  
24 apple slices  
Bag of ginger snap cookies

### Directions:

Place first three ingredients in a medium bowl, and beat with a mixer at medium speed until well blended. Add maple syrup and cinnamon, and beat until smooth. Cover and chill for thirty minutes. Serve with sliced apples and ginger snap cookies.

## BREAKFAST SKILLET

CAROLINE GIRAUD

Dice a couple of sweet potatoes, toss them in olive oil, salt, and pepper and roast at 400 until crispy. Chop an onion and a couple of bell peppers (any color) and sauté them in a little olive oil. Add a fried egg and some diced avocado and boom, you've got a skillet! You can also toss in shredded cheese, bacon, sausage, hot sauce, chopped tomatoes...anything!

# VEGGIE STIR FRY

CATHERINE ELBAUM

This Veggie Stir Fry is Peter's specialty, and I request it about once a week! It's simple and easy but so good.

1 cups of cooked couscous or rice  
3 cloves of garlic, finely chopped  
1 Tbsp tahini  
4 Tbsp soy sauce  
Broccolini, chopped  
1 Red pepper, chopped  
1 zucchini, chopped  
1 red chili, minced  
Coconut oil

## Directions:

For sauce: mix garlic, tahini and soy sauce until well blended; set aside.

Heat coconut oil in a pan on medium-high heat. Add chili and cook until broken down. Add zucchini, pepper and broccolini. Add 1/2 cup water and cover. Cook for 5 minutes. Uncover and make sure that vegetables are beginning to soften but still have some bite. Add sauce and mix well. Serve over couscous!

# KATIE'S MARINATED CHICKEN

LAURA HOLLOWELL

Gervais and I catered the dinner for Elizabeth and Devan's wedding at camp this fall. For the main course, Katie asked us to prepare marinated chicken. It was delicious!

## For Marinade:

1 cup chopped fresh parsley  
5 cloves chopped garlic  
1.5 cups fresh lemon juice  
1 cup olive oil  
4 tsp. dried crumbled rosemary  
1 tsp salt  
1.5 tsp pepper

## For Sauce:

1 cup marinade  
6 Tablespoons butter  
Salt and pepper to taste

10 pounds boneless chicken breast (or turkey) - cut so it is all the same thickness

## Directions:

Whisk marinade ingredients and set aside 1 cup for the sauce. Pour the remaining marinade over the chicken and marinate overnight. Grill chicken until the thickest part is 165 degrees, basting a few times with the marinade.

To make the sauce, boil the reserved marinade then remove from heat. Whisk the butter in 1 tablespoon at a time until it starts to thicken. Return to the heat and add the rest of the butter. Add salt and pepper to taste.

To serve, slice the chicken and drizzle with the sauce.

# SUMMER OUTTAKES

Having fun, being weird, and enjoying life at Greystone. These “in the moment” shots from the summer will bring back some great memories from 2017!

# CAMP CELEBRATIONS

This fall has been a time of great celebration at camp! We celebrated a camp marriage and welcomed a camp baby...lucky us!

## ANN MURPHY KILBY IS BORN!

Born August 18, 2017  
6 pounds, 14 ounces  
21 inches in length

Baby Murphy made her grand entrance just days after camp ended. Her parents Alli Hundley Kilby and Josh Kilby both work at Greystone full-time and even met at camp! Alli is our Junior Program Director and Kitchen Head Counselor. Josh (more well-known as Maintenance Josh) is a jack of all trades, helping to lead our maintenance crew. We love having them at camp!

Murph is already enjoying her life at Greystone. From walking with her mom on the Lower Road to waking to Reveille a few times already, she is a Greystone girl through and through. You'll love meeting Murph next summer!

# ELIZABETH AND DEVAN ARE MARRIED!!

September 9th, 2017

We loved celebrating a Greystone marriage this fall! Elizabeth and Devan met at camp three years ago when Elizabeth was Head of Ceramics and Devan joined the staff. That fall, Elizabeth was offered a new job at the Greystone Barn, and Devan joined the Barn crew where they worked together all winter and fell in love. Many of you will remember that this past summer Devan was Head of Ceramics and Elizabeth was Lead Riding Instructor at the Barn.

Elizabeth was the fourth generation in the Sevier/Hanna/Miller family to marry at camp. The couple married at the beautiful and “cozy” Greystone Council Fire, and the reception was held at the Gym by Lake Edith. They will live in the apartment over the barn, making Greystone their home year-round. Elizabeth will continue to work with the horses at camp, and Devan is busy making custom pottery orders for businesses in the area! Congratulations to the happy couple!

# LOVE CHALLENGE

This summer, we focused on the theme of love, using 1 Corinthians 13:4-8 as our theme verses. To help you remember our theme verses throughout the year, we want to give you tangible ways to show God's love to others, no matter where you live. To do that, we will post a monthly "Love Challenge" on our blog, giving you specific suggestions and examples on how to carry out our "challenge" each month. Check our blog at the beginning of each month to see the monthly challenge.
