

THE CAMP CONNECTION

ENJOYING SOME GREYSTONE FUN AT HOME. WE ♥ AND MISS OUR MAIN CAMPERS!

HAPPY SNAIL MAIL DAY!

We love a cabin group text or Facetime, but nothing screams camp like an old-fashioned letter! You can write to your penpal, your counselor from last summer, one of our directors...or all of the above! We've even included some stationery to get you started.

Looking for things to write about? Here are some ideas!

- What is the best thing you've done in the past week?
- What Greystone meal are you missing the most right now?
- Ask your friend if they've watched any good shows or read any good books lately!
- Ask your friend what fictional character they would eat a meal with and where!
- What are you most excited about for summer 2021 at camp? What is the first thing you will want to see when you come back to camp?

Two blank letter templates for Greystone Camp. Each template features a yellow background with a decorative border of green and yellow diagonal stripes. The Greystone Camp logo, "GREYSTONE Since 1920", is printed vertically on the left side of each template.
