# READY FOR SUMMER!

A letter from Jimboy, as we  
countdown the days until the  
BEST SUMMER EVER!

**JIMBOY MILLER**  
OWNER & DIRECTOR

and

**KATIE MILLER GRANT**  
JUNIOR CAMP DIRECTOR

This is the last Sparks magazine for this season, and it is one of my favorites! In it you will get a glimpse into the people and the places that will make this summer our BEST SUMMER EVER. We think it will be the best summer of your life!

How can we make such a bold prediction? Because of the people! The campers and counselors that attend Greystone make camp what it is...and it is FUN. Campers are fun to get to know (writing each other before camp, saying hi to new people at the softball field on Opening Day, smiling and hugging during those first moments in the cabin, chatting, singing, laughing, dancing). You will love meeting the other campers! Counselors work hard to make camp fun for you (preparing great classes, always ready with a big smile and comforting word, always willing to talk, and always willing to listen). You will love meeting our counselors! This makes a great combination: a LOT of people who are serious about making friends and sharing good times. Everyone REALLY wants to be at Greystone because Greystone is the best place on earth!

Some of you may have waited a long time to come to camp. You may have spent months or even years on the Wait List - but now it is finally time for you to come! You are what makes camp great... and every year is better than the year before. We love our camp, love our campers, and love our counselors. Thank you for deciding to be here; we can't wait for you to arrive!

This is going to be the Best Summer EVER!

**-JIMBOY**

# OPENING DAY

We cannot wait until Opening Day! We have the best summer planned, and we know you are going to love every minute of it. The fun starts when you arrive on the first day of camp! Remember to wear comfortable shoes as you'll be walking up the Pageant Court to your cabin. Bring an umbrella, just in case. See you soon!

## NEW THIS YEAR

### BUNKS:

Junior, June, AND August campers will have their beds assigned for them, making Opening Day a real breeze. When you arrive at your cabin on Opening Day, you will meet your counselor and then find your labeled bunk. It is so much fun to settle in to your new bed!

Main campers will choose their bunks when they arrive at their cabins on Opening Day morning. You'll meet your counselor and then pick out your bunk and begin to unpack (we don't allow any bunk saving).

### CAMP BEDDING:

When you find your bunk on Opening Day, your bed will no longer be made for you. We will have sheets and a red jersey style blanket available for you to use, if you would like.

Remember for decorating your bunk, you can only bring bedding and photos.

# OPENING DAY TIMELINE:

Campers can head to their cabins at 8:30 a.m. We will have Staff at the Opening Day tent who can help you find your cabin. Your counselor will meet you at your cabin.

All parents need to leave by 10:15 a.m. Camp begins!

# SUMMER THEME VERSE

Our theme for camp this summer is Joy! We'll be focusing on the verse:

**"IN YOUR PRESENCE THERE IS FULLNESS OF JOY." PSALM 16:11**

How exciting for us to learn that the way to find real, true and lasting joy is to be in God's presence! At camp, we feel joy all the time and that joy is greater because we are focused on God in prayer, devotions, praise & worship, and loving each other.

Here are some other joy verses you can think about and maybe even memorize before camp!

- “The joy of the Lord is your strength.” -Nehemiah 8:10
- “I take joy in the God of my salvation.” -Habakkuk 3:18
- “But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.” -Galatians 5:22-23
- “You have put more joy in my heart.” -Psalm 4:7
- “For to the one who pleases him God has given wisdom and knowledge and joy.” -Ecclesiastes 2:26
- “The meek shall obtain fresh joy in the Lord.” -Isaiah 29:19
- “Fear not, for behold, I bring you good news of great joy that will be for all people.” -Luke 2:10
- “These things I have spoken to you, that my joy may be in you, and that your joy may be full.” -John 15:11
- “Ask, and you will receive, that your joy may be full.” -John 16:24
- “May the God of hope fill you with all joy and peace in believing.” -Romans 15:14

# CLASS AND FACILITY UPDATES!

We have some BIG things going on in our different activity areas, with many updates to the facilities where your classes take place. Hard to believe it's that time of year where all of these projects are coming together for the summer. We can't wait for you to see these changes to camp!

## FINE ARTS PORCH

The FAC porch is being redone and we are adding a NEW ROOF to add more outdoor space for you to create without getting rained on. Can we get an "AMEN" for outsmarting NC afternoon showers!?!? You'll love this updated space at the FAC!

# METAL JEWELRY

Metal Jewelry is one of our most popular classes for our oldest girls at camp. The facility is getting a serious refresh; you'll love seeing its floors shine!

# PHOTOGRAPHY

Photography will have a new and improved photo booth. Who doesn't love the octagon studio? Probably one of the only ones around!

# CLASS AND FACILITY UPDATES CONTINUED

## COOKING

Cooking is getting new gadgets (who doesn't love food processors, mixers and such?!). We love our Solveig, and she wants nothing but the best for you Greystone gals!

## SEWING

Get excited Sew-ers!  
New sewing machines  
are coming your way!

## FARM AND GARDEN

Farm and Garden is getting a new aviary for our wonderful feathered friends! This will keep the chickens safe, entertained, and ready to be cared for once you campers arrive.

# CLASS AND FACILITY UPDATES CONTINUED

## WATERPARK

Waterpark is getting a  
NEW BLOB, a NEW  
BIG SLIDE, and NEW  
PADDLE BOARDS!  
Watch out wedgie slide;  
these updated elements  
will be hard to beat.

# TENNIS

The Tennis Courts are getting a new face-lift! With a new paint job and smooth surface, they will be ready for some action the moment you hear David Vining singing, "Oh what a beautiful MORNING"!

# SAILING

Sailing is getting new sails – the marina will be a shiny beacon of FUN this summer!

# MEAL CONTEST WINNERS

In our Fall Sparks, we ran a Contest asking YOU to Design Your Own Greystone Meal. Gervais and Alli were so impressed by all of the meal contest entries that they chose a winner for EVERY SESSION! We can't wait to see all of our winners in the Kitchen this summer! Without further ado, here are the winning meals:

## JUNIOR CAMP

Virginia de Idiaquez's recipe for Bennett Burgers. Picture a super tasty version of a Sloppy Joe served alongside Corn on the Cob and Sweet Potato Rounds.

## JUNE CAMP

Melanie McElroy's Sausage Macaroni Casserole. We guarantee this will taste even better than it sounds, especially when it's followed by Potato Chip Cookies for dessert!

## MAIN CAMP

Elizabeth Pruellage's Penne Bolognese. This is not your average spaghetti dinner! Chopped up veggies in a meat sauce ladled over big rigatoni noodles plus Tiramisu for dessert—yum!

## AUGUST CAMP

Alice Pittman's Tomato Basil Chicken. Tomatoes are at their best in August, so we can't imagine a fresher dish than pasta tossed with chicken, garlic, cherry tomatoes, and basil.

# DECORATE YOUR BUNK SPACE

Decorating your bunk at camp can be SO FUN! One of the best parts of Opening Day is making your space feel like home. Here are a few things that might help when putting together the bunk of your dreams!

## DRY ERASE BOARD OR MAGNET BOARD

You can even use a piece of poster board if you want to keep it easy!

## PICTURES FROM HOME

One of the family, one of friends, maybe even one of a furry loved one at home! Having pictures of your friends, family, and pets is a GREAT way to start conversations in your cabin.

## PLACE TO LEAVE NOTES

Make a space where friends can leave you notes throughout the summer. If you have a piece of poster board, I would recommend bringing some post-it notes to stick onto your very own message board!

## NEW PICTURES

Leave room for pictures that you might take at camp with your new friends (hello photobooth!). These memories are the ones you will want to hang up for the rest of the summer!

## KEEP IT SIMPLE!

You are going to collect so many cool things while you are at camp. Whether its something you made in the FAC or something you picked up on a hike at Bear Mountain, make sure you leave plenty of space in your bunk for your collection of camp memories!

# WHO WOULD WIN?

What would happen if the ultimate camp items faced off? When both are so beloved by campers and counselors alike, how do you decide which to pick? If you were making a pros and cons list, which would come out on top? Help us decide the Greystone champions!

## FUNNEL CAKE

Meet funnel cake. Funnel cake is a camp classic - sweet, crispy, and with plenty of powdered sugar to top it off. To make it better, it's served by a star-studded crew - rumor has it that Jimboy's funnel cake recipe is a relic that has been passed on for generations. It's a true camp classic.

VS

## GRILLED CHEESE

Meet grilled cheese. A newcomer on the Carnival scene - gooey, buttery, and deliciously cheesy. Rumor has it that Ellen-Anne has spent hours in the kitchen feverishly searching for the right combination of bread, cheese, and butter. A true Carnival triumph.

## TENNIS STAFF

Meet tennis staff. Tennis staff are known and loved throughout camp for their classic skit (is it fun??) and the great David Vining, their fearless leader. Full of funny traditions and cheesy jokes, not to mention the killer end-of-Main Camp tennis tournament, the tennis staff really brings the cool factor to those hot courts.

VS

## HIGH ADVENTURE STAFF

Meet high adventure staff. High adventure staff are known for their feats of daring and skill, as well as sense of humor. Whether heading up the pull team or speeding down the zip line, the high adventure team is always having a blast. They're known as much for their enthusiastic spirit as their perch high above camp - they're true camp celebs!

## LIP SYNC

Meet Lip Sync. Beginning of camp cabin bonding experience, and every camper in camp's opportunity to shine on stage with her cabin. Tutus, the worm, funny song choices? It's a true camp favorite, and there's no feeling in the world like collapsing in laughter with your cabin as soon as you run offstage. #awesome.

VS

## COUNSELOR TALENT SHOW

Meet the Counselor Talent Show. What happens when counselors take the stage for the night? An adventure. Dancing Men Staff, crazy skits, and sweet choreographed dance moves - the Counselor Talent Show is where legends are made. If you didn't see it in the Counselor Talent Show, did it really happen?

## CHALLENGE DAY

Meet Challenge Day. One of Greystone's oldest traditions and a defining factor of your camp wardrobe, Challenge Day is eagerly awaited at each session. Who doesn't love a good friendly competition (and maybe even some team face paint)? Whether you're screaming Rah for Odds or Kai-yai-yikis, there's no day quite like Challenge Day!

VS

## CARNIVAL DANCE CONTEST

Meet the Carnival Dance Contest. The cherry on top of a night of great food and tons of fun, and the place to experience dance moves that may have never even existed before. Whether you're cheering on the outside of the circle or whipping your hair back and forth smack dab in the middle, the Carnival Dance contest is one of the most entertaining events that Greystone has to offer.

### **MOSTLY A'S:**

Camp is all about adventure for you, so make sure to include some things on your list that will get your heart racing! Roll down the Pageant Court at Reveille. Jump in the lake that one day at Waterpark when it's really cold. Dance in the rain as often as you can. Catch the bar on the Leap of Faith. ### **MOSTLY B'S:**

It's no secret why you come back every year - you're all about the people! Make the most of your time this summer by making your bucket list all about relationships. Have a DMC on every bench in camp. Meet someone new every day. Take a class without knowing anyone in it. Make a friend at least 2 years older or younger than you. Ask a Head Staff member on a Shoppe date. Memorize all the names at your new table on the first day.

### **MOSTLY C'S:**

You love how camp allows you to try new things and grow, so focus on stretching yourself this year. You will feel so accomplished on Closing Day! Set your sights on the levels you want to pass early, and work towards them. Take at least one class every day that you've never done before. Practice a dance as a cabin and perform it in the Mini Talent Shows. Run all of the laps at Stumblers. Figure out what scares you a little bit, and do it anyway. This is the place to try!

### **MOSTLY D'S:**

You love to laugh, and you do it a lot at camp! Make that bucket list all about letting go and being silly - where else can you do this kind of stuff and be loved for it? Wear a costume to all of your classes one day. Have a backwards day with your cabin. Suggest a theme night for your table in the Dining Hall. Take part in every dance party. Don't miss a Wildlife Wednesday or Freedom Friday. Laugh at Jimboy's jokes even when they're not funny. Make every day crazy hair day.
