SUMMER

THEME 2022

“Those who hope in the Lord will
renew their strength.
They will soar on wings like eagles;
they will run and not grow weary;
they will walk and not be faint.”
Isaiah 40:31

HELLO

GREYSTONE GIRLS!

We cannot believe that our 103rd summer is about to begin! The sounds that fill the air at camp this time of year are absolutely wonderful (at least they are to us)! Weed-eaters, mowers, chain saws, hammers, drills, and rumbling delivery trucks dropping off

supplies make everyone smile with anticipation for we know that YOU are going to LOVE each and every detail that we are working on right now.

This “Sparks” magazine is intended to get you excited about the summer too! It will give you some glimpses into the details of the summer (and the details are what all campers want to know). Read each page carefully and note the things that you think are especially fun, then write your Penpal a quick letter to share that excitement with her. Talk with your family and let them know what you think (even your brother will be happy to learn more about camp).

We pray for you often and cannot wait to see your smiling faces and hear your squeals of delight echoing through the valley. We are literally jumping up and down with excitement as we anticipate your arrival in just a few short weeks. This is going to be THE BEST SUMMER EVER!

WELCOME

WHEN YOU PULL IN:

- ☐ Plan to arrive during your **ASSIGNED DROP-OFF TIME**.
- ☐ When you arrive, you will **STAY IN YOUR CAR** and wait in one of our car lanes until we can process your car. It's quick!
- ☐ When you reach the front of your car lane, **A TEAM OF COUNSELORS WILL GREET YOU!** They will tell you your cabin assignment for the summer.
- ☐ A group of staff will **ADD YOUR CABIN ASSIGNMENT TO YOUR LUGGAGE TAGS**, and then you will give your **PARENTS A HUG GOODBYE**.
- ☐ We will walk you over to our Group Leaders, and one of them will **TAKE YOU TO YOUR CABIN** to meet your counselor and cabinmates!

LUGGAGE

HELP US TAG YOUR BAGS!

Three weeks before your session, we will send **LUGGAGE TAGS FOR YOUR BAGS**. Please tag your luggage before you arrive!

LIMIT THE EXTRAS! Junior and August campers can pack in up to 2 bags. June and Main campers can pack in up to 3 bags.

WHAT TO CARRY:

When you exit your car on Opening Day, plan to carry something small that you can manage yourself, like a backpack, small duffle, or a pillow. You will be carrying these things up to your cabin, so make it easy on yourself!

MEDICINES

REMIND YOUR PARENTS!

The only medicines that you should have with you on Opening Day are those that you only take as needed.

(You will turn these into the nurses when you get out of the car.) Remind your parents that any medicine that you take every day needs to be sent to our local pharmacy, Whitley Drugs. Make sure your parents read all of these important details in the Parent Handbook!

WHAT HAPPENS THE REST OF **OPENING DAY**:

- Once you walk to your cabin, you will **MEET YOUR COUNSELOR**, find your bunk, and then start unpacking. Your counselor will help you!
- You'll meet your cabinmates and bunkmate - so fun! And (of course!) visit our Kitchen table to eat an **OPENING DAY SCONE**.
- We'll do the normal Opening Day activities: **LICE CHECK, SWIM CHECK, AND CABIN PHOTO**. At our longer sessions, you'll also work on your class schedule.
- You'll **PICNIC WITH YOUR CABIN** for lunch, eating wherever you want!
- We will have our normal **OPENING DAY "REST HOUR"** where you'll meet your Group Leader. Then, we'll kick off with our first **FULL-CAMP ASSEMBLY** (what will Jimboy be wearing this year?!).
- The rest of the afternoon will be filled with **FUN ACTIVITIES** before our first dinner together (**SPAGHETTI, OF COURSE!**).
- We will end the day with our **VERY FIRST EVENING PROGRAM!**

WE ARE COUNTING DOWN THE DAYS UNTIL WE SEE YOU ON OPENING DAY!

EVA
JUNE CAMPER
CONTEST WINNER

WHAT DOES OPENING DAY FEEL LIKE?

This year, for the first time ever, we ran a contest where you (our campers) could win the chance to write an article for this Sparks magazine. We received SO many incredible submissions, but we particularly loved June camper Eva's Opening Day essay. Last year she was a first-year August camper, and she's giving you a picture of what that it felt like on Opening Day and why Opening Day will be **ONE OF THE BEST DAYS EVER** for you too!

READY FOR
2022

I woke up on Opening Day morning in my hotel room, so excited and so nervous. I got dressed, ate the hotel food (1 out of 10 compared to Greystone's), and got in the car to drive thirty minutes to heaven on earth. When we drove in the gates, I felt even more nervous but was comforted **WHEN I SAW LOTS OF SMILING FACES IN GREYSTONE T-SHIRTS WELCOMING ME TO AUGUST CAMP.**

We pulled in the drive-thru line where we waited to check-in and have counselors whisk my bags away. It seemed crowded but in the blink of an eye, I was saying goodbye to my mom and being escorted to my cabin by a Group Leader. My counselor, Adair, was waiting for me when I arrived at the cabin. She helped me set up my bunk, unpack all of my stuff, and got to know me! **SHE WAS AMAZING, AND YOUR COUNSELOR WILL BE TOO!** I was already starting to settle in.

After all the girls from my cabin arrived, we went to get our heads checked for lice. Next, we took a "tour" around camp and ended at the Opening Day scones. I swear by my sock drawer, those scones were the best things ever! When we finished our scones, we headed to the Shepherd's Gazebo for an AMAZING lunch! **I THINK THE TUTUS WE WORE AND THE GAMES WE PLAYED HELPED TO BREAK THE ICE.** I was already starting to feel more relaxed. After a Rest Hour in our cabin, when I wrote my first letter home, our cabin headed to take our picture by the lake.

Following our picture, my cabin and I headed to the pool, where we had our swim check and played in the water. It was a little cold, but fun. Adair even did a belly flop! Next up was the AWESOME slip-n-slide! After the exhilaration and silliness of the slip-n-slide, we showered and went to dinner at the Fort. **AT EACH EVENT THAT AFTERNOON, IT SEEMED LIKE WE GOT TO KNOW EACH OTHER A LITTLE BETTER, AND I BEGAN TO FEEL MORE SETTLED.**

Following our AMAZING dinner, we had our first Evening Program (Program Presentation), which is when the counselors do a HILARIOUS skit introducing the class they will be teaching. One that still stands out in my mind is when the counselors who taught Canoeing made a parody about Canoeing to "Drivers License," By Olivia Rodrigo. It was so funny! When I finished laughing my head off, I walked with a group of campers to Pill Hill to get my allergy medication and then returned to my cabin. After slipping into my PJs, brushing my teeth, and jumping into bed, Adair led a quick devotion before we drifted off to sleep. Even though I was a little homesick at first, **OPENING DAY WAS ONE OF THE MOST FUN DAYS OF MY LIFE, AND IT WILL BE ONE OF YOURS TOO!**

2022

BRAND NEW PADDLEBOARDS • RIVER TRAIL IMPROVEMENTS • THE RETURN
OF CLUBS • NEW CLASSES AT JUNIOR CAMP • BRIDGE ADDITIONS AND BRIDGE
FIXES • THE RETURN OF SOME OF YOUR FAVORITE CLASSES • FARMER'S
MARKET AT THE FARM BARN • FLOWER GROWING AT THE GARDEN •
AND...MANY MORE UPDATES AND SURPRISES TO COME!

NEW AND UPDATED BRIDGES

The maintenance crew has been building some very exciting bridges this year. First, the crew worked for weeks to replace the long rustic bridge that leads to Archery with a super sturdy log bridge that will last for decades! Anytime you head to Archery, or even Dog Camp, you'll use this great new addition.

Next, the crew worked to build a super cool 60-foot long suspension bridge that connects the track to the River Trail. This bridge looks a lot like the bridge over by the Farm Barn (that spans the creek) and will allow you to hop on the River Trail straight from the far side of the track. You are going to love having direct access to the River Trail any time you want!

WOW

River TRAIL EXPANSION

A STUMBLERS DREAM COME TRUE!

We are so excited about the **IMPROVEMENTS TO THE RIVER TRAIL**. Jimboy filled in the rest of the path (no more running on wet grass!) and raised the areas that used to flood. You can even find benches along the path in case you want to take a rest or enjoy the view. You will love it!

With these improvements, we will continue doing Stumblers (our Sunday morning running club) on the River Trail (no track laps!) and will go back to an actual 5K for the distance. If you want a Stumblers t-shirt, you've got to "pay the price for the promise of the prize," and **IT WILL TAKE 2 LAPS AROUND THE RIVER TRAIL TO EARN THE PRIZE** (each lap is now 1.5 miles). If you don't want to earn the shirt, you are welcome to enjoy one casual lap, but for the Stumblers shirt: **PAY THE PRICE...RUN (OR WALK!) IT TWICE!**

GREYSTONE GARDEN

We are so excited to welcome Devan Vandenbark (Elizabeth's husband) and longtime staff member Carrie Greene Hughey to the Farm Barn team! They are already hard at work planting things and getting ready for our growing season. In addition to all the vegetables you love, we've planted lots of **FLOWERS FOR YOU TO PICK AND ENJOY**. And, this is the summer that our blackberry bushes will start producing. **COME TO CAMP HUNGRY TO ENJOY SOME FRESH BERRIES!**

TASTE TESTING

== WHAT WE GROW ==

We can't wait to continue our **FARM FRIDAYS** down at the Farm Barn, and this year we will be adding **A SMALL "FARMERS MARKET"** for everyone to come and try what's been picked in the garden for the week. Do you love blackberry jam? Come try what is made at the Farm Barn! Love carrots and dip? Come try our homegrown carrots and veggie dip. We are so excited to get you **MORE CONNECTED WITH THE FOOD WE GROW** this summer.

EXCITING UPDATES FOR EVEN MORE SUMMER FUN

PADDLE BOARDS AND JUNIOR CLASSES

NEW PADDLE BOARDS!

We are SO excited to **ADD TO OUR PADDLE BOARD FLEET!** You can enjoy our 20 new gorgeous inflatable paddle boards that are light enough even for the smallest of campers to pick up and put in the water. Tested by our staff this spring, **THESE BOARDS ARE GOING TO BE A HUGE HIT AT WATERPARK AND FOR THE PADDLE BOARD CLUB!**

JUNIOR CAMP: NEW CLASSES!

Every year our Junior classes are fantastic, and this year is no exception. Once again this summer, we will have all of your class favorites including Dog Camp, Waterpark, Farm Barn, Archery, Gymnastics, Pool Games, Tennis, Riflery, all of the MANY arts classes, and so many others from past summers! But this year, we're especially excited to add some new classes we have never offered at Junior Camp.

FIRST UP, VOLLEYBALL! You've been requesting it for years, and now it is a reality at Junior Camp. Whether you've played before, or this will be a first time, you'll love spiking it with your friends at camp.

Next, we have two active classes that are favorites at our longer sessions: **YOGA AND A FITNESS CLASS WE'RE CALLING FIT AND KICK.** We will get you moving and grooving with both of these classes, making sure you laugh along the way.

And finally, drum-roll please....**WE ARE BRINGING PICKLEBALL TO JUNIOR CAMP!** This new camp favorite is so much fun - anyone can play! We will teach you the basics so that you can become a pickleball pro in no time.

The background of the entire page is a photograph of two young women in a gym. They are both wearing bright green t-shirts and black shorts, and are running on treadmills. They are smiling and laughing, appearing to be in a fun, energetic workout. The gym has a warm, yellowish light and other exercise equipment is visible in the background.

THE RETURN OF YOUR FAVORITE CLASSES

Last summer was a wild (and fun!) one, and with the way we scheduled classes, everyone tried a little bit of everything! This summer **FOR OUR JUNE, MAIN, AND AUGUST CAMPERS, WE ARE EXCITED TO BRING BACK SOME OF OUR CLASSIC OPTIONS** while offering a variety of new things that you loved from last summer. Here is a taste of what is coming back this summer:

DANCE

Do you love Hip Hop at camp? Ballet? Jazz? Well get excited, because our Dance staff is excited to bring back these favorites and continue our Production Night performing tradition (which never ceases to amaze us all!).

PHOTOGRAPHY

Did you miss capturing your favorite things around camp with your camera? Well, this summer you will be able to again! The photo studio is back up and running, and we are excited to document another Greystone summer. (Make sure to bring your own camera!)

SEWING

We are excited to welcome Mimi Alexander to the team (a long time seamstress and creative/jack of all trades). She has some amazing projects and will be incorporating leather working and other elements into the finishing process! Main Camp, here's a hint... BUCKET HATS. Yes, you heard it here.

FITNESS

If you missed your camp fitness, then never fear...Fitness is back! We are excited to welcome back this all-time camp favorite with a GREAT staff. With this energetic group, get ready to MOVE.

LANDSPORTS

Did you miss specializing in one Landsport last summer? This summer you can! Back by popular demand (and with a ROCK-STAR staff), all of your favorite Landsports will be back: Basketball, Volleyball, Golf, Flag Football, Ultimate Frisbee, Soccer, Track, Cross-Country, Menagerie, Sports Your Grandma Used to Play, Lacrosse, Field Hockey, and more!

BIBLE

We are excited to welcome Bible back as an official class. We know many of you missed this popular class last summer. For June Camp, we are welcoming Katherine Robinson (our beloved Greystone Traditions counselor from Junior and August last year) to the Bible team, and for Main, we are thrilled to welcome back Sandi's Senior Bible class once again!

10 THINGS

YOU CAN DO
RIGHT NOW
TO GET READY FOR THE
BEST SUMMER

1 WRITE YOUR PENPAL!

Practice those snail mail skills and make a new friend before Opening Day - it's a win-win. Haven't heard from her yet? Write again! Send her pictures from your life, ask her an ice-breaker question, or tell her your funniest camp story.

2 PREPARE TO TAKE THE STAGE.

Every one of you will be in a lip sync this summer, so why not use this time to brainstorm song ideas, or find the best costumes in your house? Have you been dreaming about the Mini Talent Shows since last year? Start working on that act today!

3 MEET OUR 2022 COUNSELORS!

That's right - you don't have to wait to get to know some of the incredible staff members you are going to love this summer. Check out the Staff Profiles on our website to read all about them. We'll be adding new profiles all spring, so check back in soon!

4 SET YOUR GOALS FOR THE SUMMER.

Do you want to try a new activity? Make a friend who is younger than you? Receive perfect inspection with your cabin? Put on your Breakfast Club goal-setting hat and make a plan to achieve it. You can even tell a camp friend about it so she can encourage you this summer!

6 GATHER PHOTOS FOR YOUR BUNK.

Many campers like to bring pictures from home to hang up around their bed to make it a little cozier. Start picking out your favorites now and print them out - you can even put them on a poster board to display!

6 START PRACTICING CAMP ROUTINES.

Why not set “Reveille” as your alarm? Play Morning Assembly songs on the way to school? Smile at everyone you see in the halls? Bring a little bit of the Greystone spirit to your home-life this spring, and see if it doesn’t give you that Great Day Attitude every day.

7 GIVE YOUR FRIENDS YOUR CAMP ADDRESS.

Receiving mail at Rest Hour is one of the best parts of camp! Go ahead and share the camp address with your friends and family, and tell them when you’re going to be gone. Make sure you have their addresses too so that you can write them back!

8 MAKE A LIST OF THE THINGS YOU CAN'T WAIT TO DO.

All that can't-wait energy you don't know what to do with right now? Channel it into getting excited about all the fun in store this summer. Write down the classes you want to take, foods you can't wait to eat, and Evening Programs you are so ready for. Bring it with you and check them off as they happen this year!

9 SCROLL THROUGH THE GREYSTONE WEBSITE.

We stay away from technology in the summer, but during the year, we have so many resources to help you get excited about all things camp. You can check out all of our activities, watch videos, listen to podcasts, see packing lists, quiz yourself on Greystone history, and read daily devotions from camp staff. It's a great study break!

100 PRAY FOR THE SUMMER AHEAD!

At camp, we believe that prayer is powerful, and we love that we have a huge community around the world praying for each summer. Start praying now with your family or on your own for camp this year. Pray

for our counselors, your camp friends (ones you have, and those you will meet this year!), and that this summer really would be the best one yet.

REST HOUR SUGGESTIONS

Remember when we had a contest this winter for campers to write an article for this Sparks? We couldn't pick just one winner! Maeve, Belle, and Hampton all had such great ideas for how to spend your Rest Hours that we're putting their ideas together into the ultimate Rest Hour guide, from the people who know best, our current campers. Take it away, girls!

MAEVE
JUNE CAMPER

HAMPTON
MAIN CAMPER

BELLE
JUNIOR CAMPER

READ A GREAT BOOK. Many girls bring books to read at Rest Hour. If you finish your book or your book turns out to be dull, head to the Greystone Library and pick something more enjoyable.

TRY AN ACTIVITY BOOK. There are so many fun activity books in the Greystone Store like paint by sticker, word searches, mazes, and doodle books. These are all fun during Rest Hour! Maeve recommends the hangman-themed books. Just pick one that looks fun and enjoy!

MAKE TIME TO JOURNAL. Belle recommends bringing a journal to camp and writing down the highlights of your day so you can remember all the fun that you had. Hampton loves to journal through drawing. You can illustrate what you did that day to show your family when you get home!

PRACTICE YOUR BRACELET-MAKING SKILLS. Whether you use rainbow looms or thread, there is plenty of time to make your cabinmates or yourself a beautiful bracelet. Everyone loves a camp wrist (what happens when your entire wrist is completely covered in colorful string and beaded bracelets). Hampton loves to display her bracelets on her water bottle!

ORGANIZE YOUR CAMP DRAWER. It may not sound exciting right now but Maeve thinks you'll be very glad you did! Match those stinky socks! Fold those awesome Greystone t-shirts! Great for girls in a lower bunk.

TAKE A NAP. Both Belle and Hampton recommend laying down for a good nap. While you may not nap at home, the camp fun does wear you out! Getting a bit of rest will make sure you're ready for the fun ahead.

MAKE A DAILY GOAL. We loved Maeve's idea to write a goal on a post-it note every day and see if you can accomplish it. Whether it be diving off the diving board or participating in the dance contest, make a goal and feel proud when you accomplish it!

WRITE LETTERS. All three campers said to break out your stationery and write letters to your family and friends. Pick out some cool stationery, markers, and stickers and then write your mom or dad a letter.

PLAY SOME SOLITAIRE. Get a pack of cards and try your hand at solitaire!

FINISH HOMEWORK. Homework? While no one likes summer homework, bring it with you to camp and try to finish it before you get home. If you can't answer a question, there are plenty of smart girls around to help!

MOSTLY A'S: OPENING DAY SPAGHETTI

One of the main reasons you come to Greystone is for the 100-year-old traditions we continue to enjoy, like Vespers, Watermelon table, Penpals, and more. Opening Day Spaghetti is steadfast like Jack the Donkey, classic like Canoeing, and warms your tummy like tuck-ins from your counselor.

MOSTLY B'S: HOT DOG BUFFET

Hot Dog Buffet, Weiner Social, Ballparks at the Ball Park – it's the same meal over the years with different names! Whether you enjoy a simple hot dog with only ketchup or going all-in with multiple toppings, you know what makes this meal so great. Enjoy it outdoors after playing basketball or dancing during Morning Assembly on the Pageant Court.

MOSTLY C'S: SPICE RUBBED TACOS

Just like Jimboy's dogs are always game for anything, you'll gladly follow in their footsteps. Spice Rubbed Tacos are a little spicy, saucy, and adventurous; you bring that mindset to the stage for Cabin Lip Syncs and when you're cooking with Solveig. What better place to grow the tacos' toppings than Farm & Garden!

MOSTLY D'S: CHICKEN AND RICE BOWLS

As one of our newest meals, Chicken and Rice Bowls represent everything new and great each summer. MOSTLY E'S: BISCUITS, HAM & APPLES

Just like the Farm Barn chickens, you're always up at the crack of dawn and starting off with that Great Day Attitude. Eager for Opening Day scones and Jimboy's Breakfast Club, you can't wait to get up to the pool for a brisk swim during first period.
