HAIL THE "G"

Of all the camps that near perfection,
Stainless, without shame,
Greystone is my selection,
We revere her name.
Hail the "G", its green and gold,

Guard, O guard it well.

THAT'S WHAT GREYSTONE IS IN CAMPS

Just what Garbo is in pictures,
Just what Goodman is in swing,
Just what New York is in cities,
Just what diamond is in rings—
Just what Ziegfeld is in follies,
Just what Mazda is in lamps,
Just what Boston is in baked beans,
That's what Greystone is in camps.

(Tentalow 3)

FAITHFUL FOREVER

Faithful forever, to Greystone we'll be,
Helping each other in love and loyalty;
Always rememb'ring the friendships we've made,
Never allowing our mem'ries to fade.

(Tentalow 3)

Songs of the Green and Gold

FOLLOW THE TRAIL

Follow the trail to the open air,
Alone with the hills and sky;
A pack on your back and never a care,
Letting the days slip by.
Healing fragrance of pines in the dark,
Glow of the campers' fire,
Starlight and shadow and music of waves
While the gray smoke curls high.
Follow the trail to the open air,
Alone with the hills and sky;
A pack on your back and never a care,
Letting the days slip by.

THE GREYSTONE GIRL

Every Greystone girl is quite discreet,
She's just a hundred-per from head to feet,
She's got that style, that smile, that winning way,
No matter where you go, you'll recognize her, and you'll say,
"Now there's a girl I'd really like to know";
She's got that good old Greystone pep and go,
And just one look at her is sure a treat—
It's hard to beat a Greystone girl.

(Tentalow 7)

THE CAMP OF MY DREAMS

The camp of my dreams is Camp Greystone,
We live for each summer there,
Where we swim and sail and ride up the trail
In the fresh mountain ozone air.
The girl of my dreams wears a Greystone "G",
She's proud of the green and gold,
She's both honest and fair, fun-loving and square,
And her spirit will never grow old.

(Tentalow 11)

Farewell

Parting may be "sweet sorrow" sometimes, but not at Greystone. The friendships which we have made here are so strong and so true that we hate to sever them. We have worked and played together, we have learned to know the fineness in others, and we have enshrined many in our heart's deepest devotion.

We have asked God to "open our eyes that we might behold wondrous things" and we feel He has answered our prayer. The wonders of nature are more real to us than ever before. His lake, His trees, His hills, and His creatures all have messages for us.

"May we go on believing in this love we are receiving" till we learn and live the true Secret of Happiness.

Cordially yours,

Jos R. Series.

BLESSING IN SONG

*"If we have earned the right to eat this bread—
Happy, indeed, are we!
But if unmerited Thou givest it us—
May we more faithful be." Amen.*

(This "grace before meat" is sung each
Greystone morning at breakfast)
