• DETAILS FROM YOUR DAUGHTER'S COUNSELOR •

Cabin: BU5

Counselor(s): Gely Black

Our Cabin was: a burst of fun, laughter, positivity, and sunshine. These girls got along so well, are kind, and a light in other's lives.

A few words to describe our Lip Sync: We used a song from High School Musical 2. I was the "pineapple princess" from the song. The girls did a great job choreographing the dance.

The song we played ALL the time: Sweet but Psycho by Ava Max, Colder Weather by Zac Brown Band

The class everyone couldn't stop talking about: Cooking

In devotions, we talked about: how God uses us for his glory and loves us more than we can imagine despite our brokenness and failures. We also talked about friendship, hope, how perfectly God created them, grace, and how to love others

Our cabin's favorite Evening Program: silent disco, where we all got headphones with different channels for songs.

Ask your daughter about these things: passing levels in classes, treats in cooking, stumblers, Sunday concerts - specifically Peabody, Council Fire in the rain, the synchronized swimming show, cake decorating, Emerald City EP, Sunday free time, living in the villa, and Cabin dance battles.

One final thing I want you to know: Your daughter is so special and amazing. Thank you for giving her the opportunity.
