# *Camp* GREYSTONE

● Miss Agnew and Mrs. Hanna

● Uncle Roy

# Camp Leaders

**Virginia Sevier Hanna (Mrs. E. L.)** of Spartanburg, S. C., brings to her position of Director a wealth of experience and ability, having grown up with Greystone and knowing it intimately in every phase of its life—as camper, counselor and director. Mrs. Hanna, daughter of the founders of Greystone, Dr. and Mrs. Jos. R. Sevier, was with them in camp work throughout the 25 years of their directorship.

**Miss Jean Agnew**, of Due West, S. C., was Head Counselor and program director at Greystone for many years before she joined Mrs. Hanna as Director. Miss Agnew is a wonderful leader of girls and is known and loved by all Greystone girls as "Miss Jean."

**Mr. A. L. Brown**, Greystone's Transportation Manager, is more affectionately known as "Uncle Roy" and lives in Greeneville, Tenn. Uncle Roy is head of the Nature Department and is our beloved "Postmaster."

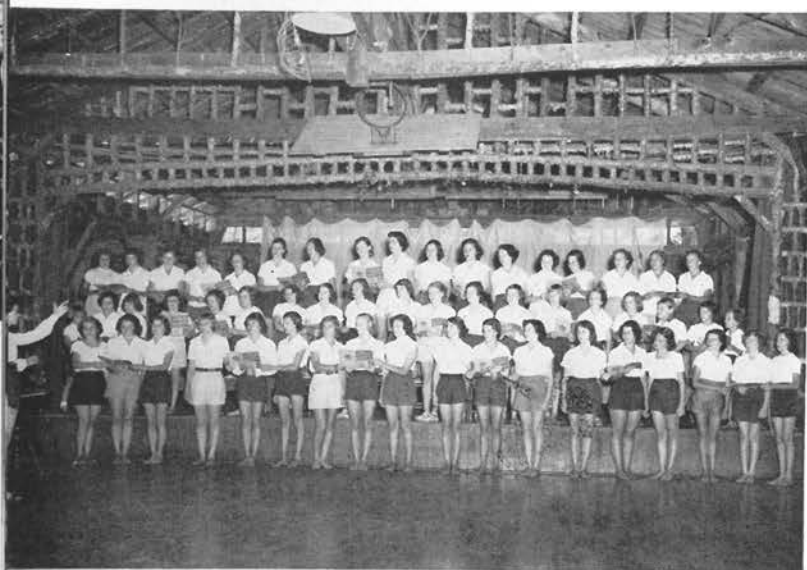

**The Counselor Staff** is a splendid group of fine Christian young women chosen for their high ideals, competence in their chosen sport and attractive personalities. Greystone is fortunate to have on the counselor staff many of her former campers, who have grown up in the fine environment of Greystone and who pass on the "Greystone Spirit" to each new camper.

● The badminton courts by the lake are always a popular spot.

# Music at Greystone

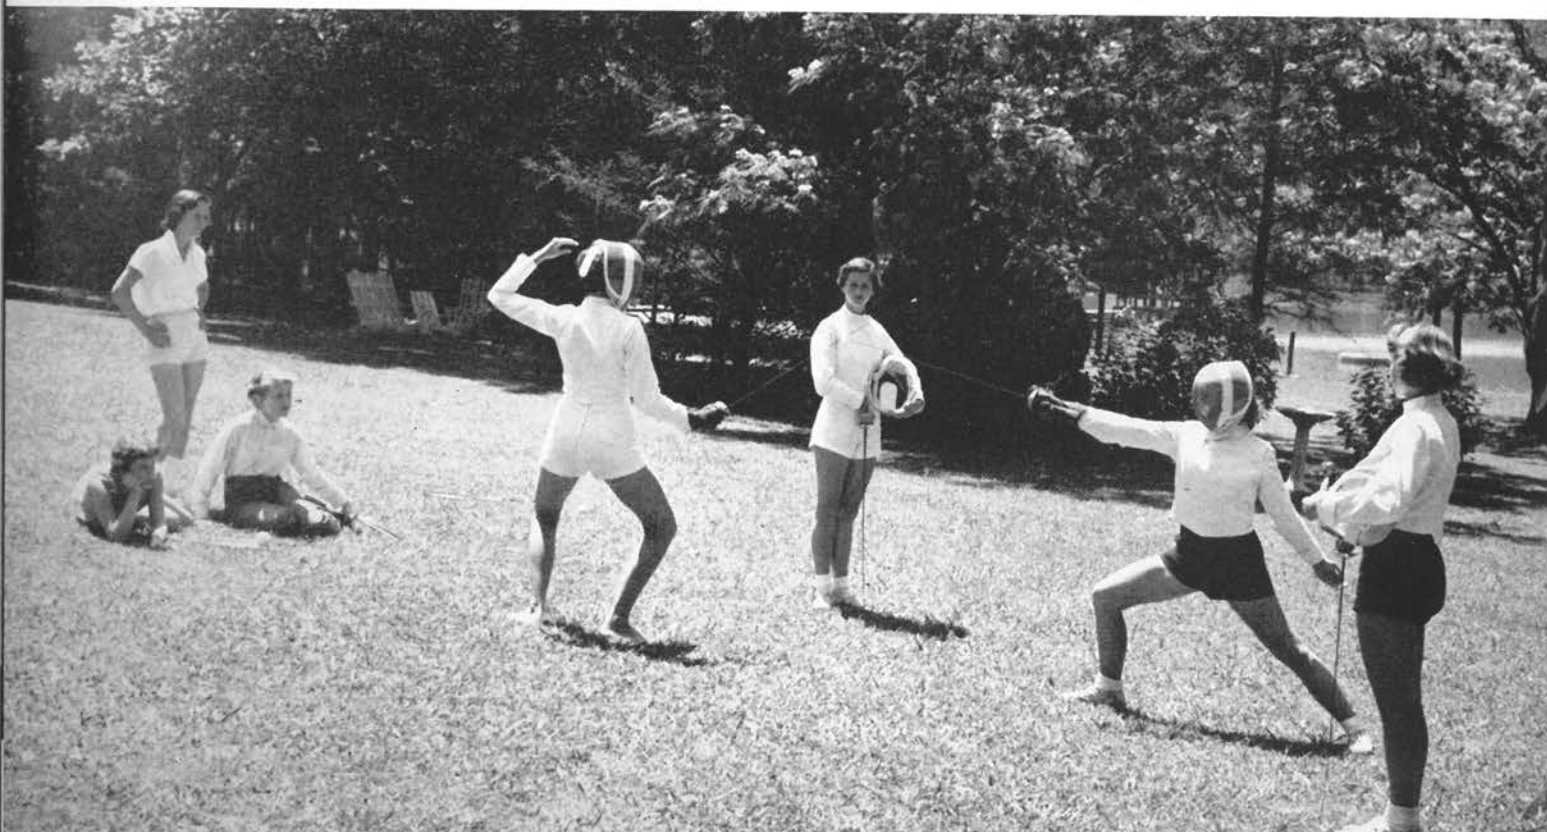

Greystone girls love to sing and the specialized training given to campers is most unusual and outstanding for a summer camp. Four pianos are busy all the time—accompanying chorus practice or dancing classes or with small groups singing "just for fun."

Excellent instruction by conservatory graduates makes our Junior and Senior Chorus recital a real musical event. Each camper in the chorus looks forward to the day she may join the "Choir," which is a picked group from the chorus members.

## Fencing...

**Fencing** develops the body and gives it grace; the eye and gives it accuracy; the hand and gives it agility. Taught by an expert Fencing

Master, it is one of the most fascinating and exhilarating of Greystone's many attractions. Absolute muscular and nerve control are developed through a period of diligent exercise to the final perfection of technique.

# Suggestions for Campers

**Baggage.** No luggage larger than a steamer trunk should be brought to camp. Trunk and duffle bag should be checked or expressed to Tuxedo, N. C., several days before camp opens. A charge of 50 cents each way will be made for baggage transfer from Tuxedo. If trunk has spring lock it is wise to bring two keys, one of which should be deposited at the office. A list of all articles brought to camp should be pasted in the top of the trunk.

No valuable jewelry should be brought to camp.

**Tickets.** Buy tickets to Tuxedo, N. C., which is on the main line of the Southern Railway between Asheville and Spartanburg. Pullman service enables girls to come to Camp Greystone with ease from every part of the country.

Representatives of Camp Greystone will meet all trains at Tuxedo, N. C., on opening day. Those arriving any other date should notify the director.

Full particulars concerning schedules and meeting places of counselors and campers will be sent to all who enroll.

**Highways.** U. S. Highway No. 25, from Asheville, N. C., to Greenville, S. C., passes near Camp Greystone. Watch for the Greystone sign just south of Tuxedo.

Mail, Express and Freight should be sent to Tuxedo, N. C. Telegrams and Long Distance Telephone Calls are through Hendersonville, N. C. **Girls should not be called over telephone except in emergencies.**

## WHAT TO BRING

Camp Greystone has no required uniform. The Following Outfit Is Recommended:
