## HELLO FROM JIMBOY

A letter from Jimboy giving you the scoop on what's new at camp.

Happy fall Greystone girls! Although we miss our campers, staff, and all the fun and excitement the summer holds, we must admit that we LOVE the fall at Greystone. Fall provides crisp, cool evenings that are perfect for warm fires in our fireplaces and a slower pace of life. The trees are beginning to change to bright yellow, orange, and red, and we celebrate the show of colors and the season. The roads are jam packed with tourists who have come to soak in the majesty of the Blue Ridge Mountains and to see the sights. If you ever get a chance to visit North Carolina this time of year, don't hesitate...we guarantee that you will LOVE it!

Fall is also the time of year we start making plans for the next summer, and that includes beginning some important building projects. We have already begun updating some of our staff and camper cabins, renovating our front campus, and refurbishing some unseen but necessary systems of camp (water treatment systems). We are confident the improvements we are making (both seen and unseen) will be worthy of this 100th anniversary summer!

Thank you for your kind emails, letters, phone calls, and Facebook comments. You are our biggest fans, and everything we do is with you in mind. We hope you are already looking forward to next summer...our 100th...Our Best Summer Ever!

With Love, JIMBOY

## GAME DAY WITH KATIE AND GREG

JUNIOR CAMP DIRECTOR
KATIE MILLER GRANT SHARES HER
MOST POPULAR TAILGATING RECIPE
FOR THE FALL.

I love cooking and I love the fall, so cooking for a tailgate is right up my alley! This is the recipe that most of our tailgating friends request when we get together for the University of Tennessee at Chattanooga games.

#### **BUFFALO CHICKEN DIP**

serve with Fritos Scoops Makes 1 9x13 pan 350 degrees

1.5 pounds cream cheese
3/4 cup chunky blue cheese dressing
1.5 cup Frank's hot sauce

5 cups chopped chicken meat (can use rotisserie chicken for a quick fix)

4 cups Shredded Monterrey Jack Cheese (divided)

In a large pot, combine cream cheese, blue cheese dressing, and hot sauce on stove top, medium heat. Stir often as the mixture heats up and the cream cheese becomes soft. When the cream cheese is very soft, take off heat and add 1.5 cup Monterrey Jack cheese (reserving rest for topping). With a hand mixer or whisk, blend all ingredients together until cream cheese if fully incorporated. Fold in chicken. Grease a 9x13 baking dish and pour cheese mixture into dish. Top with Monterrey Jack cheese. Bake 350 for 40 - 50 minutes or until center of dip is hot and bubbling. Allow to sit 5 minutes before serving.

## SUMMER STAFF DONATES \$8,000+ TO THE GREAT DAY FUND

Every year we give our staff the opportunity to contribute to the Great Day Fund, and every summer we are blown away (and humbled!) by their generosity. Not only do they work hard all summer long for very little money, they also routinely give back to our scholarship fund which provides camperships for families who cannot afford camp.

We are thrilled to announce that this summer was a record year for staff giving! Our Summer 2018 Staff gave **OVER \$8,000** to the Great Day Fund! We cannot thank this staff enough for their service this summer and their desire to bless camp and future campers in this way.

Thank you Counselors!

## THIS OR THAT

Alright campers, it's that time! Let's play a good old fashioned game of "this or that." You might be wondering, "what in the world is this or that?" Well let us tell you! In the off season, we get the privilege of dreaming and scheming of all the FUN things that are going to happen next summer, and this year, we figured we would bring in the A-TEAM...Y-O-U! As we're inventing fun new things for next summer, we want to know....

## CATCH UP WITH THE PIGS ALL THINGS MILLIE AND EDITH

This summer, we loved welcoming two baby pigs to our Farm & Garden program. You campers LOVED Millie and Edith...and they loved you right back. Want to know what the two little pip squeaks are up to this Fall? We've got the inside scoop!

#### **MORE FREEDOM**

The pigs frequently roam out of their pen, enjoying more freedom now that camp is over. At first, Millie and Edith were so excited to just walk around in the Farm & Garden area, eating all the leftover vegetables from the summer and the blueberries from the bushes. Eventually, they began wandering over toward the Miller's house and even following Jimboy into the kitchen to see if he had food for them!

#### EAT, EAT, AND EAT SOME MORE

Did we mention these piggies love to eat? They are getting lots of the Miller family leftovers these days. Apples and watermelon are their favorite!

#### **BRAVE LITTLE EDITH**

Edith is a bit braver than Millie these days. One day recently, Jimboy left them out for a longer period of time, and Edith wandered down towards Riding Ring 2 and followed around the maintenance crew as they were weed eating and getting camp ready for the weekend! Maintenance Josh brought her back home.

#### **LEARNING SOME TRICKS**

Millie and Edith love performing tricks right now. Their favorite? Spins. If you hold your fingers above their heads and tell them to spin around, they can do 360 degree turns in both directions.

#### **SOCIALLY SAVVY**

Have you seen their Instagram? Follow along with all the pig fun this year! @millie\_edith

#### **MOSTLY A'S: THE 1920S**

You're a girl of the early years! Kicking off our first decade, you don't mind the outdoors: from sleeping in a tent with your cabinmates in 1920 to taking a cold dip in the lake each morning to wake you up, you've got that adventurous spirit. You'd love watching theater performances out on the Pageant Court and having campers dress up for the Queens Ball (pirates, anyone?). Banquet would be a treat with special food like chicken salad and ice cream in the teams' colors. A friendly competition with the counselors? You love it! Camper vs. counselor basketball games would be totally awesome (and of course, the campers would win). We agree that hikes with Jimboy (and Murray!) on Sunday afternoons would be a summer highlight!

#### **MOSTLY B'S: THE 1950S**

You are a fun loving girl, and you'd fit right in with all the 1950s had to offer. Taking the train to camp as you make multiple stops to pick up your camp friends? Absolutely. What better way to enjoy Opening Day! An all-camp overnight on the Pageant Court is the best, and getting inducted into the Posture Club (the PPP) would be your highest camp ideal. The food was delicious in the 1950s, including the deep fried, two-inch thick French toast, and don't forget the peaches with hard sauce! Food heaven. Cabin comfort is a must, so you won't forget your warm bathrobe that you'll find on the official camp packing list. And, who doesn't love the most popular of all the Dining Hall songs? Happiness!

#### MOSTLY C'S: THE 1980S

Permed hair and rhinestones may have been some bad fashion choices, but the 1980s were the ideal time to be at camp! Having just built the bungalows, you'll love curling up to sleep in a brand new cabin. If a drought dries up the lake, no need to worry; you'll love finding the shoe you lost in Edith a few summers ago. And, playing in the fire hose to cool down will be the best! When the lake refills, you'll make some serious memories on the rope swing, a Waterpark favorite. Fun surprises may include delicious Gutter sundaes being served on the road and having Amy Grant come perform. You'll love to "clap your hands" and say, "it's going to be a great day!" as Breakfast Club becomes a favorite for you and your besties.

#### MOSTLY D'S: THE 2010S

You are a child of today, living your best camp dream right now! You understand how good the food is each summer, and homemade pizza always tops your list. You may think you don't like corned beef hash, but what would breakfast be without a little CBH cheer? No need to sleep in a tent when you can instead enjoy an overnight with your age group on the luxurious Bear Mountain. Swinging in the silks is the perfect seminar alternative, as you make your friends at home jealous with your aerial yoga skills. This is the decade of the campwide shaving cream fight and amazing skits at the Senior Celebration. And, making history with the most number of people dressed as dogs for a Guinness World Record...Ruff!

## PHOTOBOOTH ALL THE HEART EYES

What happens in the Photobooth, stays in the Photobooth. But, we just had to show you these fun photos from the summer!

## **ODE TO THE LIP SYNC**

On the second night of camp, there's only one place we will be,
Packed into the Pavilion, sitting with our camp friends knee to knee.
The practices are finished and it's time to take the stage,
We'll sing along with every song and see which dance moves are all the rage.

Lip Syncs mean costumes - this is the night to dress to the nines.

Here unicorns dance with a t-rex who twirls an unidentified person with a sign.

Every year the hosts get weirder, and we wouldn't have it any other way!

Are they funny? Is the audience laughing with them or at them? It's all a little gray.

The dance moves are on fire - this year even Jimboy learned the shoot!

It's not a Lip Sync if someone doesn't do the floss, but wait, who's in that morph suit?

Cartwheels? Aerials? We've got 'em! These gymnastics skills won't quit.

Does it go with the song and dance? Nah, but everyone's doing it!

Kids Trap, HSM, and Disney are the tunes we're dancing to,
But nothing beats the roar of the crowd when the performance is through.
Leaving the stage it's all "look what we did!" with giggles and squeals,
Another Lip Sync done, it's time to plan next year's!
