

"Do not be worried because you will have a blast! When I first started going to camp, I went to Main and I was anxious but people were so sweet to me." -Main Camper, Beth

"Be excited! If you are happy to meet someone, it makes them excited to meet you, too!"

-August Camper, Miller

"Last year I was a new camper too, and I know how it feels; you feel really nervous and super excited. What I would say to a new camper is that I love Greystone and everyone is so nice and makes you feel at home. On Opening Day you are already having so much fun you forget about your parents."

-June Camper, Kylie

WELCOME TO CAMP GREYSTONE!

We hope you are excited about coming to camp this summer!

Opening Day is one of the best days of the year – it means camp is finally here! Everything might be new to you, but that is part of the excitement. We want you to know what to expect from day one so that you are ready for the best summer ever. On Opening Day, you will meet your counselor, find your bunk, jump in the pool for the first time, and finalize your class schedule. It is a day filled with fun!

We hope this New Camper Sparks answers all of your questions and helps you get ready for your first summer at camp. In the meantime, if you have any other questions, please don't hesitate to give us a call.

Camp will be here before you know it. We cannot wait to welcome you to Greystone!

JIMBOY AND MARGARET

OPENING DAY HOW TO MAKE YOUR OPENING DAY MORNING THE BEST!

ARRIVE AND PARK YOUR CAR

Opening Day is so much fun! Our wonderful staff will greet you at your car and tell you your cabin number. We'll tag your large bags and deliver them to your cabin as quickly as possible.

Many campers arrive early. This is not required, but we want you to know the "inside scoop." While you aren't allowed into the cabin until 8:30 a.m., cars begin arriving around 7:30 a.m. and continue to arrive throughout the morning (the last cars are here by 9:30 a.m.).

2 VISIT THE OPENING DAY TENT

After you park and have your bags tagged, you will head to our Opening Day tent. Here are all the fun things you can do at the tent:

- Pick up fun Greystone stickers and a map of camp.
- Shop select items from The Greystone Store.
- Meet other girls in your age group by finding your cabin sign.
- Introduce yourself to your Group Leader, who is in charge of your age group for the session.
- Have your picture taken by a camp photographer or in our photobooth.
- Parents: grab a cup of coffee!

3 HEAD TO YOUR CABIN

At 8:30 a.m., we will let you head to your cabin. You'll meet your wonderful counselor (you're going to love her)! She'll give you a name tag and introduce you to the other girls in your cabin.

4 UNPACK YOUR THINGS

As you are walking up to your cabin, we will be delivering your bigger bags. You can start unpacking your things and begin to make your bed.

5 TAKE MEDICINES TO THE HEALTH HUT

Make sure to visit our Health Hut to drop off any medications that you may have. You can meet a nurse and learn how our Pill Hill system works.

6 VISIT OUR RECEPTION

One of the best parts of Opening Day? Visiting our reception on the Dining Hall porch! You can meet the Miller family and try one of our delicious, homemade Opening Day scones.

7 HUG YOUR PARENTS!

After you are settled and have done these other things, it is time to hug your parents goodbye. You'll be ready for the BEST summer ever!

OPENING DAY THINGS TO KNOW:

ASSIGNED BUNKS: We will have a bunk already picked out for all campers at our Junior, June, and August Camps and for 3rd - 7th graders at Main Camp. There's no pressure to rush to your cabin on Opening Day; your bunk will be waiting for you whenever you're ready.

JUNE CAMP: NEW CAMPER MEET-UP: At our June Camp session, our new campers are invited to our New Camper Meet-up prior to 8:30 a.m. We will send more information as we near Opening Day.

OPENING DAY TIPS

WEAR SHOES THAT CAN GET WET

Because of the dew on the grass, your shoes will get wet, even if it isn't raining.

Definitely wear good shoes.

ARRIVE BETWEEN 7:45 - 8:00 A.M.

If you arrive during this time frame, you'll have plenty of time for us to tag your bags and for you to visit our Opening Day tent. Then, you will not have to wait long before we release you to your cabin at 8:30 a.m.

CARRY BEDDING TO YOUR CABIN

We deliver quite a bit of luggage to the cabin area, so if you want to start making your bed right away, carry your bedding up the hill with you.

TAKE YOUR MATTRESS OFF THE BED

If you're on a top bunk, the best way to make your bed is to take the mattress off. Put the mattress on the floor and put on your sheets; then, lift it back into place – you're all set!

NO NEED TO GO IN ORDER

You don't have to do everything in order on Opening Day! At 8:30 a.m., you'll first want to head to your cabin, but after that, you can choose what you do next. If your cabin is crowded with people unpacking, go grab a scone on the porch and then come back to start unpacking.

SMILE AND INTRODUCE YOURSELF

Girls at camp are very friendly! The best way to make a friend is to introduce yourself and smile.

SHELF IN BATHROOM FOR YOUR Toiletries

SPACE UNDER SINK FOR YOUR SHOWER CADDY

MY CABIN & MY BUNK

When you arrive at your cabin, you will meet your counselor and then unpack and settle into your new space.

HOW TO SETTLE IN:

- Find YOUR BUNK!
- Start UNPACKING your clothes into the drawer under you bed. Put your empty trunk or duffel on the porch.
- MAKE YOUR BED! We will have sheets and a red jersey blanket available, if you would like to use them; most girls bring their own bedding.
- Put a few things on your **BUNK SHELF** like your stationery, books, fan, flashlight, and Bible.
- Hang your **LAUNDRY BAG** on the hook next to your bed.
- Put your **SHOWER CADDY AND TOILETRIES** in the bathroom. Hang your towel.
- Hang your **SUNDAY DRESSES** in the closet (dress needed for June, Main, and August Camps).
- Put your shoes on the **CABIN SHOE RACK** on the porch.

LOVING YOUR BUNK

Decorating your bunk at camp is so much fun! You'll have a bed, shelves, and wall to make all your own, so read below for our best tips to make your bunk uniquely YOU.

- 1 PACK BEDDING THAT MAKES YOU HAPPY. We provide sheets and a simple red blanket for all campers, but most girls like to bring their own comforter to make their bed extra cozy. It's nice to have a blanket at the end of your bed to wrap yourself in during a rainy Rest Hour!
- **2 DON'T FORGET A COZY PILLOW OR STUFFED ANIMAL**. Pillows will make your bed extra comfy, and your cabinmates will love to meet your favorite stuffed friend!
- 3 PRINT OUT LOTS OF PICTURES. Photos are the best way to decorate your bunk, so go crazy! Bring pictures of your family, your friends, or even your pets. You can attach them to a poster or bring fun tape to put them on the walls yourself. You'll love having smiling faces around you when you hang out in your bunk!

You are going to LOVE your bunk. Just remember, there's no need to worry about bringing the coolest things, because it's already going to have the one thing it needs to make it all yours - you!

REST HOUR FUN

A whole hour of quiet time in the middle of the day may seem a little boring, but trust us, Rest Hour is soon going to be your favorite part of the day! After a morning of classes and lunch, it's time to head back to your bunkbed and take some much needed time for yourself.

So what do you do during Rest Hour? We're so glad you asked!

WRITE LETTERS. You'll get letters and emails at the beginning of Rest Hour, so it is the perfect time to write back! Talk about your day, draw a picture, or ask questions about home. Letters are one of the best parts of camp!

READ A BOOK. Pick out some fun books or magazines to read during camp and save them for Rest Hour. You won't want the bugle to blow to end it! We even have a great camp library where you can borrow a book if you need one.

WORK A PUZZLE BOOK. Our campers love crossword puzzles, sudoku, word-finding puzzles, and more. Pick the kind of activity you enjoy, and bring it just for this time of the day. Need an activity book once you're at camp? Stop by the office; we have ones you can take!

GET CREATIVE! There are all kinds of quiet crafts or coloring books out there for you to enjoy. Think about what you LOVE to do, and find a way to make it into a Rest Hour activity. As long as it's quiet and can be done by yourself, it's perfect for Rest Hour!

TAKE A NAP. Okay, this may be the best suggestion on the list! You'll be surprised how tired you are after a busy morning, so why not try cozying up under your blanket and closing your eyes? There is nothing better than a Rest Hour nap, especially if you can hear rain on the tin roof!

WHAT DO YOU WANT TO DO DURING REST HOUR THIS SUMMER?

WHAT CAMPERS WEAR EVERY DAY

T-SHIRTS AND SHORTS:

This is what you'll wear every day of camp. You'll see everyone in t-shirts and shorts! Make sure to bring clothes you don't mind getting a little dirty.

TENNIS SHOES:

The best everyday shoe for going around to your classes - you'll be on the move a lot here! It's also great to have sandals that will stay on your feet like Chacos or Tevas and rain boots for those rainy days. We don't recommend flip flops, as it is easy for them to slip off when you are on the go.

BACKPACK:

You'll want to bring some kind of bag to carry around your water bottle, sunscreen, and a change of clothes to your classes. Any kind of backpack or tote bag will do!

NAME TAG:

Your counselor will give you your name tag on Opening Day, and you will love wearing it! You can even write out your class schedule on the back to make sure you have it with you all the time.

SMILE:

Most importantly, you'll be wearing that great big Greystone smile all day long, because life at camp is great!

WHAT TO KNOW ABOUT PACKING FOR CAMP

Let's talk about packing. We have a great Packing List in our Parent Handbook and on our website, but we're going to break down some things on the list a little more to give you the inside scoop on what to bring.

WHAT GIRLS WEAR:

On the previous page, we gave you a good list of what girls wear every day. You'll want to bring lots of t-shirts, shorts, and a good pair of tennis shoes. And don't forget a bag!

GET WET:

We do have rain, so you will definitely want to bring a raincoat and rain boots. Also, bringing a pair of water shoes, like Chacos or Keens, is a huge plus. And remember your swimsuit and towels for the pool!

WARM GEAR:

It can get cold in the mornings in the mountains. You'll want a sweatshirt and some long pants for these wonderful mountain mornings.

WHITFS:

Don't forget a pair of white shirts and shorts (or a few pairs if you are coming to longer sessions). We wear whites at some of our traditional camp events and on Sunday afternoons (you'll wear a Sunday dress and then change into your whites on Sunday).

CRAZY CREEK:

Most girls at our longer sessions will bring a Crazy Creek chair for camp picnics and to use in the cabin as a place to sit.

COSTUMES:

Definitely bring some old costumes or dance outfits you have – we love dressing up at camp!

GREEN AND GOLD CLOTHES:

We have fun teams at camp, so throw in a green shirt and a yellow/gold shirt so you're ready for either team. You can wait to purchase a shirt on Opening Day once you know your team. Girls like bringing other fun green and gold items to spice up their attire – think socks, sunglasses, bead necklaces...things like that.

SHOES:

We recommend 1-2 pairs of tennis shoes, rain boots, water shoes, and shower shoes (if you want them). We do not recommend flip flops, as it is easy for them to slip off when you are on the go.

SCHEDULE LINGO

Part of being a Greystone girl is learning the "camp lingo" and all the things that make camp special. After a few days at camp, you'll be an old pro, knowing the ins and outs of camp life. Until you get here, let's learn these Greystone-specific things related to the camp schedule:

BREAKFAST CLUB

Don't be confused – this isn't a real "club"; it's just what we call the time after Breakfast where our Director Jimboy shares some words of wisdom for the day, teaching us how to make the most of each and every day at camp. Get ready for his jokes!

FLAG

We have a flag ceremony before breakfast and dinner each day. As we raise and lower the flag, we enjoy honoring America as a camp community. We also say the Pledge of Allegiance after we raise the flag each

REST HOUR

The one-hour break after lunch to take a nap, write a letter, or play a game by yourself in your bunk. Some fun things to bring for Rest Hour? Check out our list earlier in this Sparks magazine. Before Rest Hour, your counselor will grab the stack of cabin mail and pass it out. Best way to get mail? Tell your family and friends to write you before coming to camp!

MORNING ASSEMBLY

The time after Breakfast Club before classes where we sing and dance to upbeat songs, slow it down with some praise and worship, and then have a short devotion to jump-start our day. Morning Assembly is a camper favorite and a great way to get the day started with tons of fun.

FREE TIME AFTER CLASSES

Our Free Time is the time after your classes before dinner when you head back to your cabin to take a shower, do your cabin cleanup job, and get ready for dinner. If you finish early, you can see-saw with your friends, play a game of JimBall, or try our Skee-ball machines.

EVENING PROGRAM

Our final program of the day – it's the best! Whether we are enjoying the inflatables at Carnival, watching the staff in the Counselor Talent Show, or celebrating with our surprise Banquet theme, you'll love the fun programs that end each day.

SCHEDULING YOUR CLASSES

You will love the classes you get to take at camp! We have a huge range of activities, and the best part? You get to choose whichever classes you would like. It's up to you! There's something for everyone, but don't be scared to try something new. You might be surprised by what you end up loving!

You can read all about our different activities on our website. It's a great way to get excited for the classes you want to take.

Make sure to read some of our previous New Camper blogs for helpful hints and answers to all your scheduling questions. We have some great suggestions on types of classes to take and how to make your schedule.

JUNIOR CAMPERS

You will take 6 classes every day that you will pre-register for in the spring (through your Greystone Forms).

JUNE. MAIN. AND AUGUST CAMPERS

You will take 7 classes every day: 5 in the morning and 2 in the afternoon. June and Main campers take a total of 14 classes: one set of classes on Mondays, Wednesdays, and Fridays and another set on Tuesdays, Thursdays, and Saturdays. August Campers take the same 7 classes every day. Your counselor will help you make your schedule on Opening Day after your parents leave!

WHAT TO KNOW ABOUT YOUR CLASS SCHEDULE

CLASS LENGTH

Each class lasts for 40 minutes and is full of fun! We ring a bell between classes, and once you hear the bell, you'll head to the next class on your schedule.

DOUBLE PERIODS

We have a few classes that take up two class periods. For example, our Kayaking and Sailing classes are two periods because campers need to walk to Putt Cove (our marina right at our front gate), and it takes a little longer to get set up over there.

AGE RESTRICTIONS

Some of our classes are limited by age. This happens for two reasons:

- 1. To keep the class sizes smaller,
- 2. For safety reasons.

There are very few classes with age limits, so you will have plenty of options during the summer. Some examples of classes with age limits include Glass Beads and Metal Jewelry (June, Main, and August). These are for older girls only. At August, our Cooking program is offered only to older campers. At Junior, our Dog Camp class is just for younger girls, and our High Ropes class is just for older girls.

SEMINARS

A few of our classes are offered seminar-style, meaning you sign up to take them for one day and miss your regular classes for that day. For example, our Hiking program (June and Main) is offered as a seminar option.

EXTRA CLASS ADD-ONS

We offer two programs that you can add on as extras through your online forms in the spring – Riding and Rafting. You can find great information on both of these on our website or in the Parent Handbook.

SCHEDULE CHANGES

A great thing about classes at Greystone? If you don't like something, we will help you change your schedule so you can find the perfect class for you. We have many girls change classes in the first few days of camp, and we will make sure you know how to switch a class once you arrive.

CLASS DETAILS

How do you know which classes have age limits and which are double periods at your session? The best place to look is on the main Parents page of our website.

I WANT TO TAKE...

Circle all of the activities that you are interested in taking. We don't offer all of these activities at all of our sessions, and some of our classes are limited by age. But just know, you can still get excited about taking all of these classes at some point while you are a camper at Greystone!
