# NEW & IMPORTANT IN 2026

- **Campanion:** Download our app to fill out forms and email your camper during the summer (pg. 6).
- **Cell Phone Drop Off:** Unless your daughter is flying home, do not send your daughter's cell phone. If she brings one, we will collect it at the track on Opening Day before she goes to her cabin (pg. 11).
- **Riding (all sessions) and Rafting (Main only):** Pre-register for all options; registration is first come, first served. See details about our new English Riding Lesson program for June and Main Camp (pgs. 17-19).
- **Medication Brochure:** Read our Medication Policy in the Medication Brochure (included with the Handbook), or follow the QR code to find details (pg. 27).
- **Opening Day Arrival:** Find your Opening Day arrival time for this summer (pgs. 32-33). Junior Camp arrival is now 9:00 - 10:30 a.m.
- **Activities:** Find activity details for all sessions, including links to our summer activities and sample schedules (pgs. 36-38).
- **Birthday Gifts:** Please put birthday gifts in a sealed box (pg. 38).
- **Photo Changes:** We are only hiring professional photographers for the summer and will only post 200 - 300 photos per day. Photos will be posted the day after they are taken (pg. 40).
- **Late Arrivals, Early Departures, and Mid-Camp Travel:** Fill out our registration form for any of these travel situations (pg. 43).
- **Greystone Store:** Shop before the summer as campers will no longer be able to shop during their camp sessions; because of this, parents no longer need to fund a Personal Allowance (pgs. 44-46).
- **Closing Day Parent Arrivals:** We will hold parents at their cars and not load luggage until 8:30 a.m. on Closing Day (pg. 49).
- **Early Bird Re-Enrollment Details** Don't miss our re-enrollment details and dates for summer 2027 (pgs. 54-55).

# CAMPANION APP

## DOWNLOAD TODAY!

Simplify your parent experience with Companion, the mobile app that is connected to your Online Account system.

### USING THE APP MAKES BEING A CAMP PARENT EASIER THAN EVER!

- **Forms:** Use the app to complete all of your camp forms. Take pictures of any printed forms to upload them into your account.
- **Email your camper:** During the summer, email your daughter (for free!) straight from the app. It's simple and easy (see pg. 40).
- **Photo facial recognition:** Receive tagged photos of your camper for FREE! You can view tagged photos in the app (see pg. 41).
- **View scanned letters:** (June, Main, and August) Easily view scanned letters from your daughter during her session (see pg. 39).

## DOWNLOAD THE APP:

Visit the app store on your phone to download the Companion app!

**Companion** 4+  
Connecting Parents with Camp  
CampMinder, LLC  
★★★★☆ 4.9 + 13K Ratings  
Free

### Once downloaded:

- **Log in** to the app using your Greystone Account login and password.
- **Fill out** your summer forms (due May 1).
- **Upload** a reference photo of your camper to be ready for photo facial recognition.

While the app makes most things simpler and easier, it is not required. **You can still complete all forms (and email your camper) through your Online Account on your computer.** You will still need to use your Online Account for updating addresses and financial information, viewing camper spending, and setting up Guest Accounts. However, the free photo facial recognition is only available on the Companion app.

# ALL FORMS DUE MAY 1.

# PRE-SUMMER CHECKLIST

## BY MAY 1:

- Fill out all forms!** Download the **Campanion app** (pg. 6).
- Check out the **Packing Lists** and start collecting items (pgs. 14-16).
- New campers, read through our **tips to prepare for camp** (pg. 8).
- Have your daughter **write her Penpal** (pg. 21).
- Order Store items** before the summer (pg. 44).
- Schedule your Physical** and/or take your Physical Form to your doctor to complete (pg. 25).
- Have Medications? PLAN AHEAD!** Fill out all forms and have ALL daily medications packaged by a pharmacist per our Medication Policy (see included handout). We cannot accept any medications that are not packaged according to the policy.
- Have food allergies?** Touch base with questions (pg. 46).
- Flying to or from camp?** Book your flight (pg. 34; pg. 51).

## 2-3 WEEKS BEFORE CAMP:

- Pack (pgs. 14-16)! **Label all items** coming to camp (pg. 11).
- Gather pictures** for your camper's bunk (pg. 10).
- Register for one or both of our **photo facial recognition options** to have photos of your daughter sent to your phone (pgs. 41-42).
- Gather mailing addresses** to send with your camper or pre-address envelopes. Also, share the camp mailing address with friends/family. Make sure they know we are **Package-Free** (pg. 39).
- Pre-write letters** to drop off on Opening Day (optional; pg. 31).
- Look over **activity information** to get excited for classes (pg. 36).
- Shipping luggage to camp?** Make sure to ship up to 2 weeks before your session (pg. 35).
- Birthday at camp?** Use our birthday label (coming in the mail) to label and mail the one package, or drop it off at camp (pg. 38).

## 2-3 DAYS BEFORE CAMP:

- Have your daughter's **head checked for lice** (pg. 23).
- Double-check your **arrival time** for Opening Day (pgs. 32-33).
- Fill out the **Pre-Arrival Screening Form** once we email you the link to complete it (pg. 23).
- Label all luggage with **luggage tags** (pg. 11).

# PREPARE FOR CAMP

## NEW CAMPERS: TOUR CAMP THIS SPRING

While most new campers attend without seeing camp first, you can tour camp before the summer. We will walk you around camp, show you what a cabin looks like, and answer any questions that you may have. It is a wonderful way to explore camp with your family!

- **To schedule a tour:** Follow the Tour link on our homepage.
- **Tour times:** Monday - Thursday: 9 a.m. - 4 p.m.; Friday: 9 a.m. - 12 p.m. (Tours take about 1 - 2 hours.)
- **Tour by May 8:** Tours may be scheduled throughout the spring up until May 8, 2026.

## PREPARING FOR CAMP

You can prepare for camp even now!

- Talk about camp, watch videos, look through pictures, and show your daughter your excitement (as the parent).
- Look over our list of preparation recommendations by following this QR code.

We offer many suggestions on skills to practice before arrival, so *if this is your first year, we recommend working on these skills now!*

Check out our list of skills that your daughter can work on prior to the summer.

## CONCERNED ABOUT CAMP? DOES YOUR DAUGHTER HAVE MISGIVINGS?

Feel free to email for advice before your daughter arrives:

- Junior Camp: Catherine Miller Elbaum, [cat@campgreystone.com](mailto:cat@campgreystone.com)
- June, Main, and August Camps: Laura Hollowell, [laura@campgreystone.com](mailto:laura@campgreystone.com)

**Do NOT attempt to calm her fears by implying that she can come home if she doesn't like camp.** This is the #1 reason that many campers feel sad during their first days at camp. Do not put the burden of this decision on your daughter!

## CABIN ASSIGNMENTS

Being in a cabin is one of the best parts of camp! We work hard to make each cabin the perfect balance of campers and personalities. We want your daughter to love her cabin, cabinmates, and counselor.

### CABIN ASSIGNMENT DETAILS

- You do not need to submit a request; many girls come without one.
- To make a request, **you must fill out the Cabin Request Form by May 1** (see pg. 6 for details on completing forms). *Please do not put Cabin Requests on any other forms or in any other locations.*
- We place girls in a cabin with other campers in the same grade.
- **We make every effort to place your daughter with ONE special requested friend IF that friend also requests her.**
- If you do not want to be with a specific friend that is requesting your daughter, **talk to her before camp and be honest.** We do not keep cabin requests confidential.
- ***If your daughter wants to be with a hometown friend, it is essential that your hometown friend request your daughter as well.*** Please talk to your friend's parents beforehand if this is important to you.
- You may enter up to 2 requests for us to consider (such as a hometown friend and a camp friend, a hometown friend and your Penpal, or even 2 camp friends).
- If you'd like to be with your Penpal, make sure to request her.
- If we have a cabin with mixed grades, we will consider double requests from girls who are one grade apart. This means that one of the campers will be with a grade older or younger than her grade.
- If your girls are twins, let us know if they would like to be together.
- You will find out your cabin assignment on Opening Day.
- You cannot make bunk requests (top or bottom bunk).

### Cabin request questions? Contact:

- Junior & August: Catherine Miller Elbaum, [cat@campgreystone.com](mailto:cat@campgreystone.com)
- June & Main: Laura Hollowell, [laura@campgreystone.com](mailto:laura@campgreystone.com)

# BUNKS AND DECORATIONS

On Opening Day, your daughter's counselor will help make her bed and set up her bunk so that her space feels like her home away from home.

## CAMP BEDDING

- All campers need to bring normal-length twin sheets.
- Junior and August campers: bring one set of sheets.
- June and Main campers: bring two sets of sheets.
- Pack a comforter or warm blanket, as well as a pillow and pillowcases.
- Greystone has jersey-style blankets available if needed.
- Mattresses are waterproof.
- Mattress pads are optional; however, if you would like extra padding, we recommend one like this: <https://amzn.to/3kHCc78>.

## BUNK SET-UP

- **All bunks will be assigned**, and your daughter will find out her bunk assignment when she arrives on Opening Day.
- Campers cannot switch bunks, and we cannot accommodate bunk requests.

## DECORATING

To keep the simple nature of camp, we encourage campers to keep bunk decorations to a minimum.

- **Approved decorations:** bedding (blankets, sheets, pillows, and stuffed animals) and pictures (individual or on a poster board or small bulletin board).
- **Do not bring:** decorative elements (like personalized signs or letters), plug-in or battery-operated string lights, garland of any kind (including pom-poms), hanging poof balls or paper items, or any non-photo items to hang. If brought to camp, these items will be returned to your daughter's trunk for Closing Day.

# PACKING FOR CAMP

Every camper loves packing for camp! Below you'll find general details. Session specific packing lists are on pgs. 14-16.

## PACKING DETAILS

- **Luggage tags:** We will send luggage tags for your daughter's bags three weeks prior to your session. Please attach these luggage tags to the handles of your bags.
- **Number of bags:** Junior and August campers: please pack in only two large pieces of luggage. June and Main campers: please pack in up to three large pieces of luggage.
- **Types of bags:** Only use trunks or large duffels for your large pieces of luggage (no open bags or totes). *Duffels are less likely to be damaged when we move luggage;* please know that we are not responsible for damaged trunks on Opening or Closing Day. First time campers, consider using duffels that you already own; many girls move to trunks after attending camp for a few years.
- **Soap and shampoo:** Camp provides shampoo, conditioner, and body wash in each shower for every camper to use. If your daughter would like to use a specific kind, please bring that with you.
- **Sleeping bags:** Campers do not need to bring a sleeping bag.
- **Labeling possessions:** Make sure you label everything! Write your daughter's first initial and last name on everything, including clothing, cameras, shoes, socks, underwear, water bottles, and her Bible. Using a black Sharpie marker is a great way to label items.
- **Purchase labels (optional):** Label everything! We recommend Name Bubbles (use the link on the Greystone Store site for 10% off) or Oliver's Labels (use the link in your Greystone Account).
- **Books:** Greystone has a Library that is available for all campers to check out books, and girls can also bring books from home. We ask you to be thoughtful with the reading material you send, making sure the books are wholesome and suitable for our community.
- **Phones: New this year!** Please do not send your daughter's cell phone to camp unless she needs it for her return flight home (see pg. 51). On Opening Day, *we will collect any phones brought to camp at the track before your daughter walks to her cabin.* Please keep your daughter's phone at home with you unless she is flying home alone.

## UNPACKING ON OPENING DAY

Counselors will help girls unpack their items on Opening Day.

- **Drawers:** Your daughter will have a large wooden drawer under her bunk to keep her clothes. Average drawer size is 32 x 32 x 9.5 in.
- **Shelves:** Most bunks have two small shelves for simple items like a book, flashlight, or Bible. These shelves are 5.5 inches deep and 34 inches wide.
- **Hooks:** Each bed has a hook for girls to hang their laundry bag and backpack. In the bathroom, campers will have hooks to hang towels.
- **Electrical Outlet:** All bunks have access to one outlet. No extension cords please.

## GREYSTONE DRESS CODE

While we do not require everyday uniforms, we ask that you please remember the following when packing:

- **Modesty:** All shorts need to have a recognizable inseam, and all low-cut tank tops need to be worn with a more modest tank top underneath. Campers need to fully cover their midriffs.
- **Swimsuits:** Swimsuits need to be one-piece, modest, and must fully cover the body (no cut-outs, skimpy bottoms, or tankinis).
- **Types of clothes:** Pack clothes that can get messy/dirty and are good for an active camp lifestyle.
- **Limit expensive brands:** All clothes are tumble-dried with colors and whites mixed together on high heat. We recommend bringing simple clothes; fancier workout brands are not recommended.
- **Whites:** On Sundays, and for our Vespers and Banquet traditional events, campers wear Whites. Whites should be a simple, plain white t-shirt (with nothing printed on it) and white shorts or skorts.
- **Pajamas: New this year!** We ask that campers only wear their pajamas in their cabins at night instead of wearing them out in camp.

## EVENT PACKING

- **Odds and Evens gear:** Campers will be placed on a camp team based on their cabin number and will learn their cabin and team on Opening Day. You have two options for team gear: pack some green

(odd-numbered cabins) and gold/yellow (even-numbered cabins) items and bring these with you to camp (such as a t-shirt, socks, or shorts), or purchase a team t-shirt, as well as other items, from the Greystone Store. The correct team color items will be delivered to your daughter once she arrives.

- **Dress-up clothes for ALL sessions:** We recommend packing 1-2 fun dress-up clothes or costumes (such as old Halloween costumes, dance outfits, animal costumes or shirts, etc.).
- **Messy clothes for ALL sessions:** Girls will have different events where they could get messy. Pack simple clothes that can get dirty.
- **Main Camp events:** Pack 4th of July colors (Carnival) and overalls or country western style shirts (Corn Roast).
- **Five Year Ceremony (Main only):** Pack a white dress if your daughter is eligible (see pg. 20 for details).

## RESTRICTED ITEMS

In order to focus on the relational aspect of camp and to provide a safe and wholesome camp environment, please do not bring:

- Electronic items (phones, DVD players, Wi-Fi Devices, e-readers, iPads, smart watches, Yoto players, electronic games, etc.)
- Extension cords or plug-in or battery-operated string lights
- Hammocks or slime
- Offensive clothing or books with inappropriate graphics/themes
- Valuables (including irreplaceable or expensive clothing, jewelry, or sports gear, and/or money)
- Skin care devices or expensive skin care products
- Glass bottles (i.e., water bottles, for skin care, etc.)

If brought to camp, these items will be placed in our safe on Opening Day. Digital cameras without internet capabilities are allowed. Food and gum are not allowed and will be collected on Opening Day and donated to our local homeless shelter.

## PROHIBITED ITEMS

Campers are not allowed to bring: alcohol, drugs, tobacco, or nicotine products; lighters, matches, or fireworks; pets; and explosives or weapons. Bringing any of these items to camp will result in dismissal, and no tuition refund will be provided.

# RIDING: PRE-REGISTER

English Riding (June and Main only) and Trail Riding (June, Main, and August) are activities you can add to your schedule for an extra fee.

- **All Riding options are scheduled on a first come, first served basis. Register as soon as possible to ensure your spot.**
- Pre-register for Riding through your forms (see pg. 6 for details on completing forms).
- If spots fill, your daughter will be added to a Riding Wait List, and we will fill any spots that become available once the session begins.
- June and Main campers can register for both English Riding lessons and Trail Riding.

## RIDING EQUIPMENT

- Riders need to wear long pants.
- Cowboy or riding boots are required for English Riding lessons. Girls taking Trail Riding can wear tennis shoes, but boots are preferred. Campers cannot wear open-toed shoes.
- Helmets and boots are available to borrow at camp, but if you own riding equipment, please bring it with you.

## JUNIOR RIDING

We are not offering riding lessons during Junior Camp; however, all campers will have time with our horses and ponies at the Barn during one of their scheduled classes.

## JUNE AND MAIN CAMP ENGLISH LESSONS PROGRAM

June and Main Camp riders of all levels can register for our English Lessons Program, designed to provide hands-on horsemanship through *consistent lessons throughout the session.*

- Lessons take place three times per week (MWF or TTS) and will fill two class periods on a camper's schedule. Lessons include approximately 45 minutes of saddle time, with an additional 10-15 minutes of preparation or ending activities. Campers will be

grouped based on riding level and will find out which class periods they will be riding when they arrive at camp.

- Small groups of 3-5 campers will be in each riding ring with two staff members teaching each group. Lessons rotate between ring work, trail riding, and designated barn days to build a well-rounded riding experience.
- Spots in the Riding Lessons Program are very limited; a Wait List will be started, though movement is expected to be minimal, if any. We plan to grow this program in future years as interest and demand increase.

**June Camp Riding Lessons Program** (3 days/week): \$495

**Main Camp Riding Lessons Program** (3 days/week): \$795

## JUNE AND MAIN TRAIL RIDING

June and Main Camp riders of all levels can enjoy our Western Trail Riding program at Thunderhead Ranch.

- Trail Riding at Thunderhead Ranch is a half-day Western trail riding program. Girls will miss morning or afternoon classes on their Riding day.
- Girls will help groom and tack their horse before mounting up to explore the many mountain trails on our Thunderhead property.
- Campers will also play in the creek, cook over a fire, and learn skills like leather-working, lassoing, and more.
- If girls register for multiple days (Main only), each trip will be unique with new trails, meals, and varied activities.

**June Camp Riding:** Trail Riding (half-day trip): \$150; can ride at the Ranch 1 time

**Main Camp Riding:** Trail Riding (half-day trip): \$150; can ride at the Ranch 3 times

## **AUGUST TRAIL RIDING**

### ***Finished 1st - 3rd Grades: Trail Riding on camp property***

Younger campers will enjoy English trail rides on camp property.

- These trail experiences span two activity periods.
- Trails will primarily follow the River Trail, with some routes weaving through camp.
- While these rides are not strictly lead-line, they are more guided and structured than rides at Thunderhead Ranch to ensure comfort and safety for younger riders.
- Campers will enjoy a special treat at the barn as part of the experience.

**Finished 1st - 3rd Grade Trail Riding** on camp property: \$60

### ***Finished 4th - 6th Grades: Trail Riding at Thunderhead Ranch***

- Older August campers will head to Thunderhead Ranch for a Western trail riding experience.
- Each outing includes a full one-hour trail ride, followed by a meal at the ranch.
- These rides are designed to promote independence and skill development, with the goal of offering fully independent, hour-long trails rather than lead rides.

**Finished 4th - 6th Grade Trail Riding** at Thunderhead Ranch: \$120

## **MAIN CAMP RAFTING: PRE-REGISTER**

**Finished 6th grade and up:** We are excited to offer this full-day trip for our Main Campers. Campers will be rafting on the Chattooga III.

- Pre-register for Rafting through your forms (see pg. 6).
- Every raft has a professional guide and is self-bailing for comfort, control, and safety.
- The trip includes a 1.5 hour chartered coach ride to and from Wildwater Rafting and a 4 hour raft down the river with a bagged lunch provided.
- Girls will miss their classes on their Rafting day.

**Main Camp Rafting:** (full-day trip): Finished 6th grade and up: \$165; can raft 1 time

## TABLE GIRLS

**At Main Camp**, girls who have finished 8th grade and up can sign up to be a Table Girl. This is a paid position, and girls will receive \$100 in cash if they serve the whole session.

- Table Girls set, serve, and clear a specific table during each meal.
- Being a Table Girl is considered a job and does not qualify for service hours. You must show up on time and follow through on expectations and your commitment.
- To apply, fill out the Table Girl Form by May 1 (see pg. 6). ***We have a limited number of Table Girl spots*** and will start a Wait List after spaces have been filled.

**At June and August Camps**, all girls in our oldest age group help with the Table Girl job, showcasing their leadership and servant spirit to the camp community. Each camper receives a t-shirt and other camp perks.

## FIVE YEAR

**Main Campers** who have attended Greystone for 5 years or more (with at least 3 of those at Main) will participate in our Five Year Ceremony.

- All 5 Year participants need a simple white dress.

- If you were enrolled, Summer 2020 counts towards your total years for the session in which you were enrolled during 2020.
- 5 Year participants are eligible to purchase a Five Year ring or charm. Jewelry must be ordered no later than May 1 through your forms (see pg. 6 for details on completing forms).
- Questions? Contact Laura Hollowell, [laura@campgreystone.com](mailto:laura@campgreystone.com).

## PENPALS

**Finished 1st - 8th grades:** By early April, your daughter will receive a card with her Penpal, which is a camper in her same grade attending her same session. It is fun to make a friend before camp!

To make your daughter's Penpal experience wonderful, please:

- Encourage your daughter to write her Penpal; it is disappointing when a Penpal does not write.
- Write again, if you have not heard from your Penpal!
- Request that your daughter's Penpal be in her cabin (on your Cabin Request Form) if that is important to you. We do not automatically put your daughter's Penpal in her cabin.
- All finished 3rd and 4th graders at Main Camp also receive a Big Sister in the spring. This Big Sister is an 11th grade camper who will encourage these younger campers throughout the session.

## THE HONOR CODE

Greystone's Honor Code is woven into all parts of camp life. The Honor Code gives us a standard to strive for as we all grow and show grace to each other.

***Greystone's Honor Code: "I commit to showing kindness, seeing the good, and taking ownership of what I do. This is how I will have fun, make friends, and glorify God both in this place and in the world."***

# CAMPER CONDUCT

We want our Greystone community to be one of positivity and support. In this type of community, girls gain confidence and feel safe. Campers will review the Honor Code at the beginning of the summer and will work to carry out its mission while living in the Greystone community. We ask that our campers show respect for others and for the Greystone property, and that they refrain from controversial or divisive talk.

We prioritize maintaining a loving, safe, and supportive environment, and we have zero tolerance for disruptive behavior. Campers who engage in the following may be sent home immediately, and/or not invited back to camp, at the discretion of the Directors, and no refund will be given:

- Stealing
- Physical violence (i.e., hitting) or bullying
- Repeated outbursts or disruptive behavior
- Unreasonable lack of participation
- Inappropriate touching or making other campers uncomfortable
- Lying
- Destroying property
- Leaving camp without permission
- Taking pictures or videos of other girls in the shower or while getting dressed
- Using inappropriate language or cussing, including general negativity
- Bringing prohibited items to camp (see pg. 13)

Please talk through this list with your daughter before camp.

# SOCIAL MEDIA

We hire our Greystone staff with great care as we want them to serve as long-term role models for our campers. Staff are given specific guidelines for how they can interact with campers outside of camp, including on social media. If you are ever concerned, feel free to reach out to us. However, once our counselors are no longer employed with us, we cannot directly limit their interactions and postings.

# HEALTH AND SAFETY

## HEALTH MONITORING PRIOR TO CAMP

It is important to start each session with a healthy group of campers, and we will do our very best to keep them that way. **Please help us keep contagious illnesses out of camp!**

We ask that you monitor your daughter's health and avoid any exposure to illness in the week prior to her session. Please contact our Health Staff (see contact info on the following page) if your daughter is not feeling well, has any signs or symptoms of illness (i.e., fever, rashes, nausea, or vomiting), or is exposed to anything contagious in the days leading up to camp. We will ask you to complete a simple Pre-Arrival Screening Form a few days before her arrival. We will email you when this form is live in your account and ready to be filled out and submitted.

## LICE CHECK

We screen campers for health concerns, including lice, on Opening Day.

- Campers will have their heads checked by a professional service.
- Any cases found will be treated by the professional service that day.
- Parents will be responsible for the cost of the treatment. You will be notified, and your credit card on file will be charged.
- Please have your daughter checked (by an expert) BEFORE she comes to camp to avoid this cost and disruption on Opening Day.
- Please let us know if she or anyone in the family has been treated for lice in the 6 months prior to camp.

# HEALTH AND SAFETY DURING CAMP

While we hope that your daughter will never need to experience our Health Hut, if she needs us, we are here to help! Greystone has 10 registered nurses, a resident visiting physician, and our year-round Health Director (a retired pediatrician) available 24 hours a day to care for your daughter's health needs.

## HEALTH COMMUNICATION

We understand the importance of thorough communication and are committed to keeping you informed in a thoughtful and transparent manner before, during, and after your daughter's session. **We will always contact you if your camper:**

- Spends the night at the Health Hut for any reason
- Is prescribed a prescription or other medication on a scheduled basis
- Needs to visit a doctor in town for evaluation, x-rays, or lab work
- Is unable to participate in camp activities due to illness or injury

**Please note:** We do not automatically contact you if your daughter visits the Health Hut for a minor reason (headache, bug bite, etc.) or is given over-the-counter medicine to treat a minor complaint. If you have concerns about your daughter receiving a particular medication, please note that on her Health Form (see pg. 6 for completing forms).

## HEALTH CONTACT INFORMATION

Please contact us if you have any health-related questions or concerns before or during camp:

- **All Medication Questions:** Margaret Ann Speakman, RN, Assistant Health & Medication Director: [margaretann@campgreystone.com](mailto:margaretann@campgreystone.com)

### **All other health-related questions:**

- Margaret Miller, MD: [margaret@campgreystone.com](mailto:margaret@campgreystone.com)
- Health Hut: [healthhut@campgreystone.com](mailto:healthhut@campgreystone.com); phone (during the summer): 828-693-9841

## MAILING OR SHIPPING MEDICATION OR A HEALTH-RELATED ITEM TO CAMP

- Please write ATTN: HEALTH HUT on the package in addition to your daughter's name (see pg. 39 for mailing details).
- Let us know if something is on the way so we can watch for it.

## HEALTH FORMS

All Health Forms must be completed and submitted by May 1 for all sessions (see pg. 6 for details on completing forms). Please notify our Health Staff if there are changes after submitting any of these forms.

- **Health History Form (online):** PLEASE UPDATE EACH YEAR, making sure all information is current, including any medications your camper will be taking or using at camp. (Vitamins, supplements, and melatonin are considered medications at camp and must be entered in the Medication section.)
- **Physical Form (paper):** Completed by your healthcare provider. All medications must be listed with details on the 2nd page and both pages need to be uploaded into your camper forms. If medications are listed, Page 2 must also be faxed by your provider to a pharmacy to fill and package those medications.
- **Medication Verification Form (online):** Indicate whether your camper will need medications at camp and how those will be filled.

# MEDICATIONS AT CAMP

## PLEASE READ CAREFULLY!

- Safety is our number one priority at camp! This includes safety with camper medications. Our Medication Policy is part of our ongoing commitment to meet the needs of our campers who require medication at camp and to comply with strict state regulations.
- **Anything taken or used to treat or manage a symptom or condition is considered a medication at camp.** This includes over-the-counter (OTC) medications, vitamins, supplements, melatonin, injections, inhalers, sprays, ointments, water enhancers, and all other non-pill medications.
- If your daughter does not **HAVE** to take medications while she is at camp, please DO NOT send them. Most campers would rather not stand in line during meals or before bed to receive them.
- All medications have to be kept at the Health Hut and administered by a nurse. No medications can be kept in camper cabins. This includes OTC medications, vitamins, supplements, and melatonin.
- Regularly scheduled medications are dispensed by our nurses at breakfast, lunch, dinner, and bedtime. If your daughter requires medication at another time in the day, please contact Margaret Ann Speakman ([margaretann@campgreystone.com](mailto:margaretann@campgreystone.com)) before camp to discuss your daughter's needs.
- If your daughter ends up needing regularly scheduled medication while she is at camp, our camp doctor will prescribe it, you will be notified, and it will be filled through our local pharmacy.
- **Please talk with your daughter before camp and discuss the plan for her medications**, especially if the schedule or specific medications will be different than what she is used to taking at home. **Campers do much better when they know what to expect!**

# MEDICATION POLICY

In order to keep our camp community safe and meet state regulations, we **CANNOT accept medications that are not packaged correctly through a pharmacy**. If your daughter **NEEDS** to take medication regularly, including over-the-counter (OTC) medications, vitamins, supplements, etc., you will need to follow our Medication Policy.

While our Medication Policy is unchanged from previous years, we've created a visual guide to help you prepare your daughter's medications for Opening Day. *See the enclosed Medication Brochure for step-by-step instructions based on your chosen packaging option.*

To print a **digital PDF copy of the Medication Brochure (which is also enclosed with your Handbook)**, scan here:

If you prefer to **read our Medication Policy and see our Medication Brochure online**, scan here:

And for answers to the most common medication questions, scan here to **go to our Details/FAQ page**:

## IMPORTANT! DOES YOUR DAUGHTER HAVE MEDICATIONS?

If you have medications, **you must read our enclosed Medication Brochure and follow its instructions**, or use the QR codes above to find your next steps.

## **IMPORTANT: LIST MEDICATIONS ON FORMS**

Regardless of which pharmacy packaging option you use, don't forget to:

- Include all medications (including OTC) on your daughter's online Health History.
- Ensure that your physician lists these medications, including dosages and details, on page 2 of her Physical Form.
- Have the physician fax this completed page 2 of her Physical Form to the pharmacy or send a separate prescription for each medication.
- Upload and send this page 2 to camp along with page 1 of your daughter's Physical Form. This page 2 serves as the "order" for the nurses to administer all medications.

**PLAN AHEAD with your medications!** If you still have questions after reading the Medication Brochure and our Details/FAQ pages (through the QR codes), please reach out to our Assistant Health & Medication Director, Margaret Ann Speakman (margaretann@campgreystone.com).

## **A FEW MORE DETAILS**

**OTC Medications:** Please do not send OTC medications to camp unless your daughter needs to take them daily AND you have followed the instructions in our Medication Policy for filling all medications.

Our Health Hut is well stocked with medications such as Tylenol, Ibuprofen, Zyrtec, Tums, decongestants, Miralax, and more. These can be administered to your daughter any time she needs them at no charge to you. Please let your daughter know that she can come to the Health Hut and ask a nurse for these.

**Liquid Medications:** Please do not send liquid medications to camp. If there is a chewable option for your medication, work with your daughter to take the chewable instead. It is safer for our nurses to administer pills/chewables and also makes passing out medications a faster process for our campers.

**Melatonin:** We do not give melatonin to campers, even on an as-needed basis, unless it arrives per our Medication Policy. Follow the graphics in the Medication Brochure or see our Details/FAQ page to have melatonin packaged as directed if your daughter will need it while at camp.

**Dropping off Medications on Opening Day:** Nurses will collect

medications that are blister packed by your local pharmacy, any emergency medications (Epi-pens and rescue inhalers), and any APPROVED exceptions to our packaging policy directly from YOU after you have dropped off your camper (see pg. 31). Please include the Medication Station Form with your medications (find details about this form in our included Medication Brochure).

*Keep in mind, we cannot accept any medications that are:* expired, prescribed to other people, packaged at home or not according to our policy, or labeled differently than the information provided by your physician on the Physical Form.

## MENTAL AND EMOTIONAL HEALTH

Your daughter's mental, emotional, and social health is just as important to us as her physical health.

- In order for us to support your daughter, **please let us know about any past or current concerns** (i.e., eating issues, anxiety, depression, mood disorders, self-harm). Our expectation is that camp will be nothing but fun for her, but if something does arise, having this information ahead of time will make all the difference.
- Please provide details in the Mental Health section of her Health Form and/or contact Dr. Margaret ([margaret@campgreystone.com](mailto:margaret@campgreystone.com)) to discuss any concerns and how they should be addressed at camp.
- **If you are wondering if something is worth mentioning, please do so.** Mental health concerns are very common, and we want to take the best possible care of your daughter.
- It is rare, but occasionally issues arise at camp that are better dealt with at home. If our Directors decide that it is in the best interest of your daughter and/or her cabinmates for her to be cared for at home, you will be notified and arrangements will need to be made to pick up your daughter.

**ADHD:** Because we have a very structured schedule, campers who are on medication for ADD/ADHD often have a better experience if they stay on their medication at camp. If you have any questions or concerns, or have made any recent medication changes, please contact Dr. Margaret ([margaret@campgreystone.com](mailto:margaret@campgreystone.com)) prior to your daughter's session.

# OPENING DAY

We are counting down the days until we can welcome you to Greystone!

## GPS ADDRESS FOR OPENING DAY ENTRANCE

21 Camp Greystone Lane, Zirconia, NC 28790  
(This is our back staff entrance.)

Watch our Opening Day arrival video.

## OPENING DAY DETAILS

- **Arrival times: Updated this year for Junior!** We have staggered drop-off times between 9:00 - 10:30 a.m. for Junior Camp and 9:00 - 11:30 a.m. for June, Main, and August Camps. You can find your drop-off time on pg. 33.
- **How it works:** When you arrive at camp, you will wait in one of our car lanes and stay in your car. When you reach the front of your car lane, we will send a team of staffers to your car to greet you and check you in. We will tell your daughter her cabin number and go over a few medical questions.
- **Fast processing:** Once we reach your car, we will complete the necessary Opening Day check-in procedures in *less than 3 minutes*. It will be a quick process!
- **Luggage and tags:** We will send luggage tags three weeks prior to your session; we will use these tags to move your daughter's luggage to the cabin on Opening Day. Junior and August campers: only bring 2 large pieces of luggage. June and Main campers: only bring up to 3 large pieces of luggage. Please limit the extras!
- **Medications:** Parents will drop off approved, packaged medications

with our nurses on their way out of camp (see below for details).

- **Questions on Opening Day:** Because we move quickly to process all cars, we will not have time to answer specific questions (about cabin requests or other concerns). If you have any questions, please reach out before your daughter's session.

## EXITING THE CAR

Once she is checked in, your camper will exit the car.

- **What to carry:** Your daughter can carry a backpack, a small bag, and/or her pillow. She will need to carry these items herself, if they are not packed in her larger luggage.
- **Giving a quick hug:** Parents, hop out of your car to give your daughter a quick hug. Don't linger - this makes the separation harder!
- **What happens next:** We will take your daughter to meet the Group Leaders, who will then take her to her cabin to meet her counselor(s) and cabinmates.

## MEDICATION STATION

- After dropping off your daughter, parents with approved medications or health-related questions will drive to our Medication Station.
- Nurses will be ready to collect medications and answer any questions.
- ***We can only accept medications that are properly packaged*** (see pg. 26-27).
- **Please include the Medication Station Form with your medications** (find details about this form in our included Medication Brochure).
- If you do not have medications or questions for the nurses, you will bypass this stop as you exit.

## DROPPING LETTERS, AND BIRTHDAY PACKAGES

On your way out of camp, parents will have one last stop:

- **Pre-written letters (optional):** You can drop pre-written letters at this final parent stop. Make sure letters have your camper's first and last name clearly written on each envelope. Label each letter with the day they should be delivered (i.e., Tuesday, Wednesday, etc.). Put all letters in a Ziploc bag before dropping them off. ***The first***

*letters are delivered on Tuesday (the 2nd day of the session), and we ask that you only send pre-written letters for the first few days.*

- **Birthday gifts:** If you have a birthday girl during the session (see pg. 38), you can leave your daughter's birthday gift at this last parent stop (or you may mail your package). Please put all birthday gifts in a sealed box. We will send a birthday label for this birthday package three weeks before your session begins.

## THE REST OF OPENING DAY

- **After she leaves the car:** Once your daughter exits the car and is escorted to her cabin, the fun really begins! Her counselor(s) will be ready to greet her with a big hug and her nametag. Campers will find their bunks and can start getting settled. Our staff will bring your daughter's trunk and/or duffel to her cabin right away. Once your daughter has her luggage, the counselor(s) will help her unpack, make her bed, and settle into her space.
- **Cabin details:** We will share cabin details with you after lunch. These cabin details will include information about your daughter's counselor(s) and her fellow cabinmates.

## OPENING DAY ARRIVAL

We ask that all campers arrive between 9:00 - 10:30 a.m. for Junior Camp and 9:00 - 11:30 a.m. for June, Main, and August Camps. You may arrive **any time in your daughter's assigned arrival time window.**

- **Flexible arrival:** We have staggered arrival times to spread out our cars and ensure that your daughter's cabinmates arrive around the same time. However, if you need to arrive at a different time due to traveling, feel free to do that. You do not need to let us know.
- **Running late?** If you are running late and will miss your arrival time, you only need to let us know if you will miss our 10:30 a.m. cut-off time for Junior and 11:30 a.m. cut-off time for our longer sessions; please call our office (828-693-3182).
- **Sister Arrival:** If you have more than one camper that you are dropping off, you can choose which drop-off time suits your family. You can: **Choose the later drop-off time:** This ensures that one of your girls isn't waiting for her friends to arrive for a long period of time. **Drop off twice:** Consider dropping off each camper during her originally assigned drop-off time. We plan to process your car very quickly, so coming through the line again will not take long.

# ARRIVAL TIMES FOR OPENING DAY

1st & 2nd grades: 11:10 - 11:30

# AIRPLANE ARRIVAL

Campers are considered an airplane arrival if *your daughter is flying to the area alone and we are picking her up from the airport and bringing her to camp.*

## We service these airports:

- Asheville, NC (AVL) - 30 minutes from camp; arrive prior to 5 p.m.
- Private Jet Port (Asheville, NC) - 30 minutes from camp; arrive prior to 5 p.m.
- Greenville, SC (GSP) - 1 hour from camp; arrive prior to 4 p.m.

## ARRIVAL DETAILS

- **Flight details:** Enter your daughter's flight information on her Travel & Baggage Form (see pg. 6 for details on completing forms).
- **Arrival times:** Please schedule all flights to arrive prior to 4 p.m. into Greenville, SC and 5 p.m. into Asheville, NC. Campers flying to camp do not need to arrive during their Opening Day arrival time frame.
- **Greeting your daughter:** Our Greystone staff will greet your daughter at the airport, help collect any bags, and then drive her to camp. Because we may have multiple campers with close flight times, your daughter may have to wait with our staff before we shuttle the group to camp.
- **Are you really an airplane arrival?** If you are flying into the area and renting a car to bring your daughter to camp yourself, she is considered a CAR ARRIVAL. Only those girls who need to be picked up at the airport by our Greystone staff are considered campers who are flying.
- **Camper-only pick up:** We can only pick up campers flying alone (without a parent). We cannot pick up you and your daughter together and shuttle you both to camp; please plan to rent a car or use a car service if you are flying with your daughter.
- **Luggage:** If your daughter is flying, we recommend sending luggage via UPS ahead of time (see details about Shipping Luggage on the following page). If your luggage is sent on the airline, please make sure to clearly mark any and all bags as a Camp Greystone item and make sure to include your daughter's first and last name.

## UNACCOMPANIED MINOR

Many campers will need to fly as Unaccompanied Minors if they are flying by themselves.

- **Check your airline's policies:** Please check your specific airline's Unaccompanied Minor policy (all differ on ages and policies).
- **Purchase Unaccompanied Minor ahead of time:** If your daughter is considered an Unaccompanied Minor, this must be purchased when booking your ticket(s). You will pay a separate fee for her arrival and departure flights (if doing both). For your daughter's departure flight, keep a receipt or email confirmation showing this fee has been paid (if she is flying home as an unaccompanied minor). Our Greystone Travel Director will need a copy of this document from you closer to camp.
- **Who to list on the form:** When asked to provide information on who will be meeting or taking your daughter to the airport, please enter: Jim Miller, 21 Camp Greystone Lane, Zirconia, NC 28790, Phone: 828-693-3182. This name works as a placeholder for the airlines. An exact name will be provided to you by our Travel Director the day before her flight to camp. You will then provide this updated name at check-in on the morning of her flight.

## SHIPPING LUGGAGE

We will place all luggage on your daughter's cabin porch, so it is waiting on Opening Day!

- **Ship up to two weeks before:** You may ship up to two weeks in advance, and we will store your luggage until Opening Day.
- **UPS or FedEx for shipping:** Please ship luggage by UPS or FedEx. Please note: both companies will only cover damages to your luggage if it is boxed by them.
- **Packing Luggage:** Please do not pack directly in cardboard boxes or disposable bags (these are thrown away after emptying); please use a duffel or trunk.

**Please mail to:** CAMPER'S FULL NAME AND SESSION, Camp Greystone, 21 Camp Greystone Lane, Zirconia, NC 28790.

## ACTIVITIES

We are so excited about our camp activities this year! Your daughter will love trying the variety of class options that we have available at Greystone.

### SWIM CHECK

All campers will complete a swim check at camp.

- **Junior campers:** Girls will swim one length of the pool and tread water for 2 minutes.
- **June, Main, and August campers:** Girls will swim one length of the pool, tread water for 2 minutes, and do a pencil dive off the diving board.
- **If girls don't pass:** We will allow your daughter to retake the swim test. At longer sessions, we will put your daughter in a swim class to work on her skills. Girls who don't pass can still participate in activities on the lake (as all campers wear a life jacket).

See all **Activity and Scheduling Details** on our Scheduling page.

## JUNIOR CAMP ACTIVITIES

Junior campers will attend classes with their cabin group, sampling the best classes we offer at Greystone!

- **Class options:** Use the QR code above to see the Junior Camp classes (subject to changes and updates).

- **Scheduling:** *Girls do not need to schedule any classes before the summer;* the cabin will enjoy classes together as a cabin group.

## JUNE, MAIN, AND AUGUST ACTIVITIES

Girls love our camp classes! June, Main, and August campers choose their classes individually and will schedule them on Opening Day.

### CLASS OPTIONS AND SCHEDULE

- **Class options:** Use the QR code on the previous page to see our June, Main, and August activity options (subject to changes and updates). Some classes are only offered at longer sessions, and some are limited by grade-range (see pg. 38), so please review this list with your daughter prior to the summer.
- **Daily schedule:** To get a feel for our class schedule, use the QR code to see a sample schedule for this summer. Campers at our June session will take a total of 14 classes, rotating between a Monday/Wednesday/Friday schedule of 7 classes and a Tuesday/Thursday/Saturday schedule of 7 classes. Girls at our Main session take a total of 12 classes, with an additional Club period each afternoon, rotating between a Monday/Wednesday/Friday schedule of 6 classes and a Tuesday/Thursday/Saturday schedule of 6 classes. August campers will take the same 7 classes every day.
- **Club period (Main only):** At Main Camp, our final 7th period class each day is our Club period. During this period, girls can try a more specialized activity that is offered, or they can enjoy a free period. Use the QR code on the previous page to view sample Club options for this summer.

### HOW SCHEDULING WORKS

- On Opening Day, girls will work with their counselor(s) to choose their classes.
- Look over the class options with your daughter to talk about what is available during her session (use the QR code on the preceding page to see options).

- Send a short list of her favorite classes with your daughter on Opening Day to help her remember what she is excited to take.
- **Changing schedules:** We cannot guarantee that your daughter will be able to take every class during the period of her choosing. We prioritize class size and safety first! If needed, we will ask campers to change to a different class period time to ensure we are maintaining proper class sizes and offering the best instruction possible. Campers can change their schedule during the first few days of camp if they do not enjoy a class or would like to try something different.
- **Mid-session switch (Main only):** At Main Camp, girls have the opportunity to switch some of their classes halfway through the session. Use the QR code (see pg. 36) to see which classes are eligible for the mid-session switch.

## ACTIVITY GRADE LIMITS

Over 90% of our camp classes are open to all campers regardless of their age or grade in school. A few of our classes are designed for campers who have completed a specific grade. Use the QR code (see pg. 36) to see which classes are for specific grades. The grade listed is for the grade your daughter just completed before the summer.

## BIRTHDAYS

Birthdays at camp are lots of fun! The birthday girl celebrates with a cabin party and a camp-wide birthday celebration.

- On her birthday, your daughter may receive cards, letters, and ONE birthday package (no food) from you (her parents).
- We will send a birthday mailing label prior to camp to use for the ONE birthday package. Please use this label so that the package makes it to your daughter in time for her to celebrate.
- **New this year!** Please send or bring all birthday gifts in a reasonably-sized, sealed box (do not use an open gift bag).
- You can also drop off your birthday package on Opening Day (see pg. 32); please make sure your daughter's birthday label is on her package.

# LETTERS

Handwritten letters are the very best way to communicate with your daughter during the summer.

- Please send flat, standard sized envelopes only, and do not put anything in with your letters. (See our Package-Free policy below.)
- “Snail mail” takes time, so send some letters before camp begins.
- You can also drop off a few pre-written letters on Opening Day. (See pg. 31 for details.)

## ADDRESS FOR SENDING LETTERS

(If you are sending a letter before camp, we will add the cabin number.)

Camper’s Full Name, Cabin Number  
Camp Greystone  
21 Camp Greystone Lane  
Zirconia, NC 28790

# PACKAGE-FREE

Greystone is Package-Free!

- All large envelopes, padded envelopes, and regular envelopes containing ANYTHING other than a letter are considered packages; please don’t send them!
- If there is a necessary item left at home (i.e., toothbrush, Bible, eye glasses, retainer, pillow, books), you may mail the items to: Laura Hollowell, ATTN: (Your Camper’s FULL Name), 21 Camp Greystone Lane, Zirconia, NC 28790.
- Any packages NOT addressed to “Laura Hollowell,” or any packages containing unnecessary items, will be donated.
- Candy, gum, and other food items are not allowed and are donated.
- ***Please notify family and friends about this policy.***

# SCANNED LETTERS FROM CAMP

During our June, Main, and August sessions, we will scan letters from your daughter.

- View all scanned letters through the Forms section of your account. The easiest way to view scanned letters is through the Campanian app (see pg. 6 for details). You can also view your daughter’s scanned letters in your Online Account on a computer.
- We will send you an email each time a new scanned letter is live.

## EMAILS

Email your daughter (for free!) easily through the Companion app or your Online Account (see pg. 6 for details).

- If using the Companion app, click on Letters to write your camper. In your Online Account, click on Email.
- Please only use text in emails, as photos will not print.
- Emails are printed at 11 a.m., 6 days a week on Monday - Saturday.
- We will not deliver emails on Sundays. This is in an effort to align with our mission and fully celebrate Sabbath rest. We will deliver Sunday emails on Monday.
- Campers will not be able to email you back (or call you) from camp.

## GUEST ACCOUNTS

You may create Guest Accounts for other family members to email your daughter under the Online Community menu in your Online Account (not available in the Companion app).

- **No Guest Accounts for friends:** Please do not set up Guest Accounts for your daughter's friends; we ask that friends send handwritten letters to your daughter.
- **Guest Account policies:** Any inappropriate emails that are found will not be delivered. We will send a copy of inappropriate emails to you (the parent), and we will automatically delete the Guest Account.

## PHOTOS

**New this year! In keeping with our desire for simplicity at camp and to give your daughter a break from having photos taken of her at all times, we are changing how we take and post photos.**

- There will be one professional photographer capturing photos each day throughout the summer. We will no longer have multiple cameras around camp.
- We will post these professional photos after lunch the following day (i.e., Tuesday photos will be posted after lunch on Wednesday).
- We expect to post between 200 - 300 photos each day.
- We will still take specific photos: cabin group shots, Sunday post-church photos, birthday pictures, 5-year individual shots, etc.
- With this change, expect to see higher quality but fewer pictures of your daughter during the camp session. We will not necessarily take a picture of your daughter every day.

- We will not post photos on Sundays. This is in an effort to align with our mission and fully celebrate Sabbath rest. We will post Saturday and Sunday photos after lunch on Monday.
- We are not able to accommodate parents' personal photo requests.

## VIEWING PHOTOS

To view photos throughout the summer, use the Campanion app and select Photos (see pg. 6 for details), or log in to your Online Account and click on Photos. You can download photos for free!

## PHOTO FACIAL RECOGNITION

We are offering two different options for facial recognition:

**Campanion:** View tagged photos of your daughter for FREE through the Campanion app (see pg. 6 for details). Follow the instructions in the app to set up facial recognition, uploading a test photo for the app to use (only one parent needs to upload this test photo). Make sure to enable Campanion notifications to ensure you receive new tagged photo alerts. Campanion will only work for registered camp families; guest accounts and friends/family will not be able to see tagged photos in Campanion.

**Waldo:** Waldo is a premium facial recognition photo service. We have used Waldo in previous years, so many families have multiple years of saved photos in Waldo. The Waldo service is a paid option that will text you when new tagged photos of your daughter are found. **To register for this service, text Greystone26 to 735-343 and select the session for your daughter.** You must text the code each year to register for the new camp season.

The cost of the Waldo service is:

- Junior Camp: \$9.99
- June Camp: \$19.99
- Main Camp: \$25.00
- August Camp: \$14.99

*The main advantage of using Waldo is the ability to invite an unlimited number of friends and family to view tagged photos for free.* Once registered for Waldo, parents can do this through the Waldo app. This option is not available through Campanion.

## TEXTING & CALLING

We utilize a texting and calling system for emergency or urgent communication. You will be registered automatically for these services.

## LAUNDRY

Your daughter's laundry will be washed, dried, and folded for her while she is at camp.

- Please send simple clothing that will look neat when tumble-dried on high heat with colors and whites mixed together.
- Girls may not send netted bags through the laundry (these items just never quite dry!).
- **Sheet change:** We will change sheets one time during the June and Main Camp sessions; girls will put their dirty sheets in their trunks or duffels for the return home.
- **Number of times your daughter's clothes will be washed:** Junior Camp: none due to short session; June Camp: 2 times; Main Camp: 4 times; August Camp: 1 time.

## VISITOR-FREE

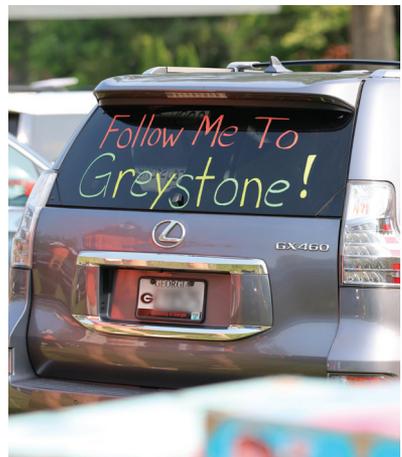

Greystone is Visitor-Free! Visitors are not allowed during any of our camp sessions, and we do not allow trips out of camp with parents or friends. We do offer tours to prospective families during the summer.

## LATE ARRIVALS, EARLY DEPARTURES, & MID-CAMP TRAVEL

- **Confirm Your Trip:** We assume all campers will arrive on Opening Day and leave on Closing Day. If you are arriving or leaving on another day, or if you have a mid-camp travel trip, use this QR code to fill out our specialty travel form; *you must fill out this form to confirm your trip details*. You can also find a link to this form in your online account on your Travel Form.
- **Arrival and Departure times:** All campers arriving after Opening Day or leaving before Closing Day, including mid-camp travel, need to arrive or leave between 8 a.m. - 8 p.m. If flying in or out of camp and Greystone needs to pick up or take your daughter to the airport, all flights must arrive or depart between 8 a.m. - 6 p.m. Use the QR code to read more details about arrival and departure times. (*Please remember*, Closing Day flights must depart by 12 p.m.; see pg. 51 for details.)
- **Mid-Camp Travel:** Campers may only take mid-camp travel trips for mandatory events such as weddings, funerals, or sport try-outs. Please email Laura Hollowell (laura@campgreystone.com) for approval of these trips.
- **Early Departures:** We do not offer discounts for days missed or for late arrivals or early departures.

**Register** for Late Arrival, Early Departure, or Mid-Camp Travel.

# THE GREYSTONE STORE

**NEW this year!** In keeping with our desire for simplicity at camp, and to remove shopping as part of the everyday camp experience, *The Greystone Store will NOT be open for camper shopping during the session or on Closing Days.* Plan to complete ALL shopping online before the summer. If a camper needs an essential item while she's here (i.e., toiletries, stamps, a sweatshirt, etc.), she can use our in-camp order form, and your payment on file will be charged (see info below).

## ONLINE SHOPPING BEFORE THE SUMMER

The Greystone Store offers camp apparel, necessities, and gifts for purchase before the summer. The Store will not be open for in-person shopping during camp sessions or on Closing Days, so complete your shopping online before your daughter arrives ([www.thegreystonestore.com](http://www.thegreystonestore.com)).

- Items may sell out, so shop early!
- Purchases can be sent to your home or delivered to your camper on Opening Day (choose “in-camp delivery” at checkout). In-camp delivery is not offered during the camp session; your daughter can still purchase essential items (see details below).
- Online orders for new items will begin to ship out on April 15th.

Shop The Greystone Store website.

## ESSENTIAL ITEMS FOR PURCHASE AT CAMP

The Greystone Store will NOT be open for camper shopping during the session, and we do not offer in-camp delivery of online items during the session. However, **campers will be able to purchase from a limited number of essential items**, should they run out while at camp.

- This includes items like toiletries, stamps, batteries, stationery, water bottles, and basic sweatshirts and sweatpants. The full list of available items can be found on the Greystone website (under Parents/General Information/Greystone Store Details).
- If your camper needs an essential item, she can fill out an order form, and it will be delivered to her during her session. Her counselor(s) will help your daughter with completing the form.
- These purchases will be charged to the payment method in your online camp account, and you will receive an email regarding the charge. To see a statement with charge details, you will need to log in to your Online Account and select “view statement” under

“Financial Management.”

- If you’re concerned about your daughter’s spending on essential items, please talk to her before the summer.
- You may also ship forgotten necessary items to your daughter at camp as long as they appropriately labeled (see pg. 39).

## BEDDING BUNDLES

If you’d like to buy bedding items for your daughter’s bunk, The Store offers bedding bundles that are delivered to your camper on Opening Day.

- There are several bundles available. Bundles can include items such as a mattress pad, 100% cotton sheets & pillowcases, mattress toppers, and a fan. You can buy these items as a bundle or individually; please know that blankets are not included in bundles. Junior & August Camp will require 1 set of sheets. June & Main Camp will require 2 sets of sheets.
- Purchased sheets are washed and labeled with your camper’s name and will be waiting in the cabin for your daughter on Opening Day.
- All items will go home with your camper on Closing Day. Mattress toppers and egg crates may not be thrown away at camp.

## NO PERSONAL ALLOWANCE ACCOUNT

**New this year!** Because the Store is not open for shopping during the summer, campers no longer need a Personal Allowance account.

- **Essential items purchased at camp and donations to the Sunday offering** will be charged to your payment method on file.
- You will receive an email when these charges are processed. To see a statement with charge details, you will need to log in to your

Online Account and select “view statement” under “Financial Management.”

- If you have concerns about your daughter’s spending in either category, please discuss this with her before the summer.

## STORE CONTACT INFORMATION

If you have Store-related questions, please email Kristen Williams (kristen@campgreystone.com).

## FOOD AND ALLERGIES

Our kitchen serves delicious, homemade food that our campers love! Use the QR code on the following page to read about the family-style meals in our Dining Hall and to check out a sample menu.

## WHAT WE SERVE

We serve a wide variety of fresh, healthy food options at every meal.

- We have a fresh fruit bar at breakfast and a complete salad bar, with protein options, at both lunch and dinner.
- Vegetarian alternatives are offered at all meals.
- We do our best to ensure that every camper finds food she enjoys!

## MEDICAL FOOD ALLERGIES

We can accommodate most major food allergies and strive to provide plenty of options for selective eaters.

- If your daughter has a **medical food allergy or restriction**, please make sure this is noted on her **online Health History Form and the Physical Form** completed by your healthcare provider (see pg. 25) and is updated every year. This is necessary for your daughter to eat our specifically prepared allergy alternative food.
- If her food allergy is life threatening, **please upload an Allergy Action Plan with her Physical Form**.
- We take great care in preparing allergy-safe food; however, we cannot guarantee that your daughter will not come in contact with foods she may be allergic to.
- We are completely nut-free, and we don’t use any nut products in our kitchens. We also do not cook or serve any shellfish at camp.
- There will always be an alternative food served for each of the other major food allergens (milk, eggs, fish, wheat, sesame, and soy).

- Work with your daughter on reading food labels for when she visits our Ice Huts or Shoppe. Staff are available to help her as well.
- All food served at camp follows the FDA guidelines. We check all ingredient labels to be aware of which products contain the major allergens. However, we will serve foods that have the “May Contain” or “Processed in a Facility” labels.

## FOOD ALTERNATIVES

If your daughter has food allergies or needs a food alternative, we work hard to prepare tasty options:

- Alternatives will often be similar to what we are serving the entire camp community. For example, if we are serving spaghetti for dinner, we will also serve gluten-free noodles and vegetarian sauce.
- On occasion, we will substitute a different option for a particular food if we feel that it will taste better than the allergy-free alternative. Because of this, allergy options will not always be exactly the same as the food we’re serving to our entire community. Also, we will sometimes prepare a food dish that will provide options for more than one food allergy (i.e., gluten- and soy-free).
- We do not always make alternatives for non-major food allergies unless it is the primary component of the dish being served.
- Our extensive salad bar and fruit options provide many tasty alternatives. Campers often enjoy these foods along with any alternatives.
- Your daughter’s table counselor can help her find plenty to eat, no matter her restrictions or preferences.

Read more about our **delicious food** and see a **sample menu**.

## SELECTIVE AND ANXIOUS EATERS

Even our selective eaters can find something delicious to eat at camp!

- Campers that are selective eaters often find new foods to try for the first time while they are at camp.
- Our fresh fruit and salad bars have a wide variety of choices each day and include protein options.
- All campers should be

able to eat food being served in the Dining Hall; *we are unable to prepare separate, individual food options for selective or anxious eaters.*

Your daughter can also stop by our Ice Huts to grab a snack, such as string cheese or granola bars (gluten-, dairy-, egg-, and nut-free). We also deliver apples to each activity area as a mid-morning snack, and watermelon is provided after Rest Hour.

## **TOUCH BASE AHEAD OF TIME**

If your daughter has a medical food allergy or you are concerned about her eating habits, please contact our Assistant Kitchen Director, Leland Reynolds ([leland@campgreystone.com](mailto:leland@campgreystone.com)), to set up a time to talk. We would love to answer any of your questions or concerns before she arrives so that we are prepared to take the best possible care of her nutritional needs.

# CLOSING DAY

While we will be sad to see your daughter leave, we know you will be excited to see her! On Closing Day, you are welcome to walk around camp and enjoy the property. You will park your car, meet your daughter's cabinmates and counselor(s), and can then tour camp with your daughter.

- **Arrival times:** Arrive between 9:00 a.m. - 11:00 a.m. on Closing Day. Most parents arrive by 9:45 a.m.
- **New this year!** We will hold all parents who arrive early at their cars until 8:30 a.m. and will not begin loading luggage until that time. Parents will not be able to go into the cabin area until 9 a.m.
- **Departure time:** Depart with your daughter by 11:30 a.m.
- **Luggage:** All luggage will be sorted by cabin, and then by camper, in our Fort. We will have staff available to help you load luggage into your car.
- **Lost and Found:** Any Lost and Found collected throughout the session will be available to see in the Fort on Closing Day. If labeled items are found after you leave, we will mail those to you and will automatically deduct the postage cost from your Greystone Account.
- **Dogs:** All dogs need to be on a leash, and please be ready to clean up after them. Dogs are not allowed inside camp buildings.

## EXPRESS PICK-UP

**June, Main, and August sessions:** We offer an Express Pick-Up option that allows you to pick up your daughter quickly on Closing Day (without walking to the cabin or touring camp).

**Express Pick-Up will run from 8:00 - 8:30 a.m., and you must arrive during this time period.**

**Express Registration:** To register for Express Pick-Up, please fill out the Express Pick-Up Form through the Companion app or your Online Account (see pg. 6 for details). This form will go live in your account once your daughter's session has begun. ***You must fill out this form at least a week prior to Closing Day for your session.***

If you have questions or need to change your Express Pick-Up registration, please email Peter Elbaum ([peter@campgreystone.com](mailto:peter@campgreystone.com)).

## PACKING FOR CLOSING DAY

After many fun-filled days, packing for home is quite the process!

- Staff will help each camper find her things and put them in her bags.
- Each camper is individually responsible for her items and how these items will be packed.
- If you have any special packing instructions for your daughter (for instance, packing certain items in certain bags), please send her an email with these instructions at least 3 days prior to Closing Day.
- It is very helpful for your daughter to participate in the initial packing for camp so she knows which items are hers at the end of camp.
- Campers will keep all of their bedding on their beds until Closing Day morning unless they are flying with camp (see following page).

## PICKING UP YOUR DAUGHTER AND THEN FLYING?

Bring an extra bag with you! Your daughter's things will have multiplied, and she will most likely have a large Greystone tote bag full of odds and ends. Bring an extra duffel bag to make your airport check-in a breeze.

# AIRPLANE DEPARTURE

If Greystone is responsible for taking your daughter to the airport, please make sure to enter her flight information on the Travel & Baggage Form (see pg. 6 for details on completing forms).

We service these airports; ***all flights must depart no later than 12:00 p.m. regardless of the airport:***

- Asheville, NC (AVL) - Campers leave for the airport 2.5 hours before their flight.
- Private Jet Port (Asheville, NC) - Campers leave for the airport 30 minutes before their flight.
- Greenville, SC (GSP) - Campers leave for the airport 3 hours before their flight.

## DEPARTURE DETAILS

- **Flight details:** Enter your daughter's flight information on her Travel & Baggage Form. Also, email our Travel Director (travel@campgreystone.com) the receipt for your paid unaccompanied minor fee (see pg. 35 for details).
- **Flight scheduling:** All flights must be scheduled to depart no later than 12:00 p.m.
- **Items for flight:** If your daughter is flying home, you can send items for her return flight. These items may include a cell phone, iPad, charger, headphones, driver's license, spending money, a passport, or other similar items. We will collect these items on Opening Day and have them ready for the return flight home.
- **Unaccompanied Minors:** If your daughter is considered an Unaccompanied Minor on your airline, this must be purchased while booking the ticket (see pg. 35 for details).
- **Are you really an airplane departure?** Only girls flying without their parents, who are taken to the airport with a counselor from Greystone, are considered flying home from camp. If you are flying into the area and renting a car to pick up your daughter from camp yourself, she is considered a CAR DEPARTURE.
- ***We cannot take campers from camp to meet parents waiting at the airport.*** Parents flying in themselves need to rent a car and pick-up from camp.

**Bedding when flying home:** If your daughter is flying home (with Greystone), campers will keep their sheets and pillow on their beds until

Closing Day but will pack their blankets and comforters. Camp will provide a jersey-style blanket and anything else needed for those final two nights. On Closing Day morning, campers put their sheets into their pillowcase as a carry-on for their flight.

## FLIGHT BAGGAGE

- Greystone can transport only one checked bag to the airport for your daughter. We are unable to take trunks to the airport.
- We will pay the checked bag fee for you and automatically deduct your Greystone Account after camp for the charges that are incurred for this bag.
- All other bags need to be shipped home via UPS (see below for more information). Please make sure to indicate which bag will be checked and which luggage will be shipped via UPS on your Travel & Baggage Form (see pg. 6 for details on completing forms).
- Please note: an overweight bag could lead to a \$100 charge at the airport, so make sure your daughter knows what to pack and what to ship!

## SHIPPING LUGGAGE

For shipping luggage home, we contract with a 3rd party vendor (Little River Roasting) to offer the service of sending your luggage home via UPS.

- To ship home, fill out your Shipping Form (see pg. 6 for details on completing forms).
- The shipping fee from Little River is a \$45 handling charge per item plus the actual cost of shipping.
- Do not send a return shipping label for your luggage; Little River can ONLY use labels printed at camp. Greystone does not use 3rd party shipping companies such as ShipCamps.
- All items will be boxed, weighed, and labeled.
- You may ship as many items as needed.
- All shipping costs will be automatically deducted from your Greystone Account.
- All baggage will automatically be shipped to your home address on file. If you want your luggage sent to a different address, indicate this on your Shipping Form.

*Questions about our UPS shipping service before camp?* Contact Gervais Hollowell at [gervais@campgreystone.com](mailto:gervais@campgreystone.com).

*Last minute shipping questions during camp?* Contact our Travel Director at [travel@campgreystone.com](mailto:travel@campgreystone.com).

## **SHIPPING HOME: PACKING 2 DAYS BEFORE CLOSING DAY**

Because we box and process all shipped luggage prior to Closing Day, girls shipping luggage home will pack all items two days prior to the close of camp.

**Bedding when shipping home:** We will not pack your daughter's larger bedding items unless your daughter is instructed (by you!) to do so. If she is to pack her bedding, campers will still keep their sheets and pillow on their beds, and camp will provide a jersey-style blanket and anything else needed for those final two nights. On Closing Day morning, campers will put their sheets into their pillowcase for traveling.

If you are picking up your daughter in person on Closing Day, your daughter will still have her bedding to take in the car, unless you have instructed her to pack it in her shipped luggage. We have large, open tote bags available to help with carrying your bedding to the car; however, **if you're flying home with your daughter on Closing Day, bring a large duffel for this bedding.**

# AFTER CAMP

## REGISTER FOR SUMMER 2027: EARLY BIRD

Register for 2027 during our Early Bird re-enrollment period! **Early Bird enrollments for our 2027 sessions will run for ALL 2026 campers from Wednesday, September 9 - Wednesday, September 16, 2026. Please do not apply for summer 2027 until September 9** when a specific re-enrollment application will open for you. Anyone who applies prior to September 9 will be canceled out of the session, and you will need to re-enroll on September 9.

**Returning campers must enroll between September 9 - 16.** Campers who miss this Early Bird re-enrollment period and wish to attend the following summer will be placed on the Wait List. We will send email reminders as the Early Bird week approaches, but we do not contact families individually with reminders to enroll, if you have not done so.

### RE-ENROLLMENT DETAILS

When completing an application during the Early Bird period:

- **Junior campers** are guaranteed enrollment in either Junior Camp, June Camp, or August Camp for the following summer.
- **June, Main, and August campers** are guaranteed enrollment in their current session for the following summer.
- **June campers who are aging out** (finished 7th grade) are guaranteed a spot in Main Camp for the following summer.
- **August campers currently in 6th grade** are eligible to stay in August Camp one more year and are guaranteed a spot in August Camp in 2027.
- A **non-refundable \$1000 deposit** is due at the time of re-enrollment.

## SESSION CHANGE REQUEST LIST

Some families may wish to attend a session other than the one(s) in which they have guaranteed enrollment. Campers may indicate their request to switch sessions on their Early Bird application and will then be added to our Session Change Request List. Families requesting a change should apply for their daughter's eligible session in which she is guaranteed enrollment during the Early Bird period, assuming she will attend that session if a change cannot be accommodated. Change requests will be reviewed based on **the time the application was received** within the Early Bird window.

## SUMMER 2027 DATES

Junior: Monday, May 31 - Friday, June 4

June: Monday, June 7 - Friday, June 25

Main: Monday, June 28 - Thursday, July 29

August: Monday, August 2 - Friday, August 13

**Sibling enrollment:** If you'd like to enroll a sibling in camp, fill out a camper application for the session of your choice now, or as soon as possible, to be added to the Wait List for next year. Only 2026 campers may enroll during the Early Bird process.

## CANCELLATION POLICIES

The \$1000 deposit at the time of Early Bird is non-refundable. Half of the remaining tuition is due on November 1 and the final half is due on February 1. If you cancel by February 1, half of your paid tuition is refundable; if you cancel after April 1, no refunds are given.

*We look forward to seeing your daughter in 2027!*
