

ALPINE CAMP – MEDICATION RECORD

- Complete form and upload to your camper’s record. ***Medications must be brought to us in the original pharmacy packaging.** We cannot accept any medications that are not in their original packaging.
- Do not bring over-the-counter medications. Our Health Center is stocked with these medications used to treat common ailments.
- Attention Asthmatic campers: If a rescue inhaler is needed for your care, bring two. One will be kept in your cabin and one in the Health Center. It is not necessary to bring nebulizers to camp as we have these in our Health Center.
