

Camper Registration Policies for 2022

Thank you for your interest in Keystone Camp. Camper Registration Forms for the 2022 Season will be available online on Monday, August 9, 2021 at 9:00 am. Campers from our 2021 season will be able to enroll for the 2022 season online through their [Camp In Touch personal accounts](#). New applicants will follow the [“Apply” link](#) on the front page of our [website](#).

Campers will be enrolled in the following priority:

1. Returning campers entering the 8th grade and younger, enrolling for the same session as their 2021 season, will be given priority through September 15, 2021. Returning campers eligible for our Leadership Program (9th, 10th, and 11th) will be contacted directly regarding their application procedures.
2. Returning campers who would like to change sessions will be accepted into a new session as space is available beginning September 16, 2021.
3. Applications for our 2022 season from campers who were wait-listed in 2021, siblings of current campers, daughters of alumnae, or former campers will be enrolled in order according to the date the application was received as space allows beginning September 16, 2021.
4. New camper applications received prior to September 15, 2021, will be held in the order in which they were received. On September 16, 2021, after the completion of the enrollment of the groups described in #3 above, new campers will be enrolled as space allows in the order in which they were received.

Important Notes for Everyone

- Applications should be completed ***as soon as possible***. We do not recommend waiting until the September 15th deadline. Applications will only be processed when they are

properly completed and accompanied by the \$1000 deposit. Enrollment is not complete unless the deposit has been processed through a credit card charge or a check being paid.

- Because we are a small camp, we do limit the number of campers from any one geographical area. It is possible that a session will close to a certain city or school before the session is completely full.

Again, thank you for your interest, and if you have any questions regarding enrollment after reading through the above, please feel free to contact us at 828-884-9125.
