

## **Camper Registration Policies for 2024**

Thank you for your interest in Keystone Camp. **The camper application for the 2024 season will be available online on Monday, August 14, 2023 at 9:30 am.** Returning campers from our 2023 season will be able to enroll for the 2024 season online through their CampInTouch account. New applicants will follow the “Apply for Camp” link on our main homepage.

### **Important Notes for Everyone**

- Applications should be submitted as soon as possible, as waitlists develop quickly.
- Applications are processed in the order in which they are received, according to the registration priority group, and the time and date when the application is submitted.
- Applications will only be processed when they are properly completed and accompanied by the \$1000 deposit (\$400 deposit for Key Camp). Enrollment is not complete until the deposit has been processed via credit or debit card, ACH payment, or written check.
- As a small camp, we do limit the number of campers from any one geographical area. It is possible a session will close to a certain city or school before the session is completely full.
- It is also possible capacity may be reached in your camper’s grade before the session is completely full. Once capacity is reached in a grade level, a waiting list for that grade will be started.

Campers will be enrolled, as space allows, in the following priority:

1. Returning campers entering the 1st-8th grades in the fall of 2023 (for the 2023-2024 school year), enrolling for the same session as their 2023 session, will be given priority through August 27, 2023. Returning campers eligible for our leadership program (those entering 9th and 10th grades in the fall of 2023) will be contacted directly regarding their application procedures, as this program is by invitation only.
2. Returning campers who would like to change sessions will be accepted into a new session as space is available beginning August 28, 2023.
3. Applications for our 2024 season from campers who were waitlisted in 2023, siblings of current campers, daughters of alumnae, or former campers (those who did not enroll in 2023) will be enrolled in order according to the time and date the application was received, as space allows, beginning August 28, 2023 through September 4, 2023.
4. New camper applications received prior to September 4, 2023, will be held in the order in which they were received. On September 5, 2023, new campers will be enrolled, as space allows, in the order in which applications were received.

Again, thank you for your interest, and if you have any questions regarding enrollment after reading through the above, please contact our office at 828-884-9125.
