TRUNK SHOPPING!

Only one trunk and one duffle bag may be brought to camp (or two comparable duffles). There are a lot of options out there when it comes to picking out a trunk for your camper. We have found that a wooden or plastic hard-sided trunk works best for organization.

When it comes to size, a trunk that is roughly 32"x18"x13.5" works great. If you'd like to go a little larger, please limit the size to 16.5" tall. These two options will be plenty of space for your daughters' belongings through all her years at camp. Amazon, everythingsummercamp.com, trunkoutlet.com, and rhinotrunkandcase.com have suitable options.

TRUNK ORGANIZATION

Campers will keep all of their clothes in their trunk, so it's vital that their belongings are organized from the start. Mesh bags, stuff sacks, or big ziplock bags help keep items organized. We recommend putting like with like, i.e. all socks in one bag, all underwear in another, all t-shirts in a third, etc. Counselors will help the younger girls stay organized throughout their session.

LABEL EVERYTHING

ALL clothing, shoes, athletic equipment, luggage, horseback riding gear, and other belongings should be clearly labeled with your camper's first and last name. Please avoid using only initials as many campers have the same initials! Labeling everything helps on laundry day and to return lost & found items to their rightful owner. There are clothing labels available on the internet, but sometimes they come off. A Sharpie marker works great! *Please don't forget to label all luggage.*

HELPFUL TIPS

- ❑ We do camper laundry once a week. Please limit any unnecessary items, as too much stuff makes it hard for your camper to stay organized and creates clutter in the cabin. If you follow our packing list, your camper will have everything they need.
- ❑ Make sure to include your camper when packing! It is important for her to know what she has and where to find it.
- ❑ An extra pair of glasses and/or contacts is helpful if your camper wears them.

REMINDERS

- ❑ Keystone Camp provides a clean, dry towel to campers each morning, so there's no need to pack a towel for bathing. However, some campers may prefer to pack a beach towel for swimming. Please make sure to label it clearly. An inexpensive option that will be ok if it doesn't make it home is the best bet.
- ❑ Please steer clear of down bedding, as it is not a good choice due to the amount of moisture we receive here in the mountains.
- ❑ We request no short shorts, please. These can be uncomfortable in many of our activities. Spandex may be worn only in gymnastics or dance.
- ❑ We follow a no-bare-midriff policy at camp, so all shirts and bathing suits must be appropriate. No crop tops!
- ❑ Keystone Camp is not responsible for lost or damaged personal items/equipment.

DON'T PACK MEDICATION, AS IT MUST BE GIVEN TO NURSES ON ARRIVAL.
