

# Robindel's Round Robin

Hatching news in New Hampshire since 1951

June 2017 Edition

## Greetings from Ann & Nat

Our excitement for each new summer never wains. With an outstanding return of campers and a wonderful group of new campers from as far away as Japan and Hong Kong, we can hardly wait for the summer of 2017 to begin.

As usual, our incredible return of staff continues to be the norm with 75 returning from previous seasons including 17 who were Robindel campers at one time. Of the 17, we welcome eleven from Juniper 2013 who are very excited to be first time counselors. Their spirit will certainly help produce a happy and productive summer for all of the campers. We are very fortunate to have an all-female live-in doctor staff, except for one who will split a week with his wife, including 3 ex-campers. All have been doctors with us before except for one ex-camper.

We have continued to improve our camp program and facilities in a number of ways including:

- The purchase of a new Axis 22 ski boat with boom. This boat joins the two new ones purchased for 2016.
- The purchase of a new Carolina Skiff chase boat used for ski and water crafts.
- The purchase of two new Aqua Finn Daysailer sailboats.
- The installation of 6 pickle ball courts with portable nets whose lines will be painted on three of our all-weather tennis courts.
- Complete resurfacing of four of our all-weather tennis courts.
- New lane lines for our 6 racing lanes in the swim area.
- New air mat for gymnastics.
- Exciting new evening activities and all-camp activities.
- Sports workshops for lacrosse, basketball and soccer.

We are looking forward to our drive up to New Hampshire, as it is a special time to reflect on our year and get excited for the upcoming summer. Please continue to stay in touch with us should you have any questions as you prepare for the summer.

Love, Ann & Nat
