

Robindel's Round Robin

Hatching news in New Hampshire since 1951

June 2018 Edition

Greetings from Ann & Nat

We are excited beyond the norm for Summer 2018 to begin. With an outstanding return of campers and a wonderful group of new campers from near and far, we are eager for the summer to officially begin on June 23.

As usual, our incredible return of staff continues to be the norm with 70 returning from previous seasons as well 19 who were Robindel campers at one time. We look forward to welcoming 11 Juniper 2014 girls back to be counselors. Their spirit will certainly help produce a happy and productive summer for all of the campers. We are very fortunate to have nearly all of our doctors returning, including two Robindel parents and one grandparent who have been with us for many years and 2 ex-campers.

We have continued to improve our camp program and facilities in a number of ways including:

- **New high ropes course.** The part of our ropes course area at the entrance to camp will have all new elements. Unfortunately, after experts did their annual inspection of our trees just about one month ago, it was determined that many of the trees supporting the previous ropes course had to be cut down. We are in the process of building a new modern adventure course on telephone poles. The first phase will be completed in time for the 2018 summer with the second phase (including 3 levels and a number of new elements) ready for the 2019 season. We expect this to be an exciting change for our campers.
- Completely replacing the **large deck in front of the Rec Hall.**
- **Reconfiguring two cabins**, including the addition of another complete bathroom.
- Major **renovation of the entire kitchen** including a new floor and paneling.
- **New bathroom windows** in a number of cabins to create better ventilation.
- Introduction of a **Music Program** as part of the Performing Arts Department. We have hired staff who play various instruments and sing, including one ex-camper who has released her own records. We also have two guests coming to lead music workshops.

We are looking forward to our drive up to New Hampshire, as it is a special time to reflect on our year and get excited for the upcoming summer. Please continue to stay in touch with us should you have any questions as you prepare for the summer.

 Love, Ann & Nat

Sign Up To Participate In The
Camp Robindel
FOURTH Annual
Swimathon
to support
The Pediatric Cancer Foundation.

Camp Robindel has been a longtime supporter of The Pediatric Cancer Foundation. We believe that having our campers help other children is a valuable life experience.

We plan to continue the Swimathon tradition at Robindel by offering either a lap swim or relay races - you choose! **We do not require campers to pledge that they will swim a certain number of laps - this is open to all campers of all swimming abilities!**

WANT TO PARTICIPATE? Here is how:

- Tell your family and friends about the Swimathon that you are participating in to raise money for The Pediatric Cancer Foundation. Ask if they would like to make a donation on your behalf! If so, they can write a check for any amount to "Pediatric Cancer Foundation" and give it to you.
- Go to the PCF's Sportsathon website: www.pcfportsathon.org
- Click on The Camp Robindel Logo
- Follow the instructions online to register. *Note the minimum amount to register is \$35.*
- Email Cori to let her know that you are planning to participate: cori@robindel.com

If you would like to support a current Robindel camper please contact her family and encourage her to participate in The Swimathon this summer!

**Keep up
with us all
summer
long!**
