

# ROBINDEL'S ROUND ROBIN

*Hatching news in New Hampshire since 1951  
Spring/Summer 2021 Edition*

## GREETINGS FROM ANN & NAT

"The world breaks everyone and afterward many are strong at the broken places."

The aforementioned quote by Hemingway we find appropriate for the times at hand.

We look forward to a summer at Robindel with the appreciation of the beauty of nature and the reparation of the innocence of our young people.

**XO, ANN & NAT**

Almost 14 years later, while visiting FL, Jon tricked Ali into thinking she was on her way to play pickle ball when he dropped to his knee to "tie his shoe" and popped the question in the neighborhood where she grew up and where they have shared many memories since they were 16 years old.
