

Animal Signs

Photo Scavenger Hunt

Bring your digital camera/phone and capture images of the following

- A set of tracks (what animal/type of animal made them?)
- Scat (did the animal eat plants or animals? Do you see seeds or fur in the scat?)
- The remains of a squirrel or chipmunk feast
- A sign of a bird living in a tree
- A sign of an animal that lives underground
- A tree scar made by an animal
- An anthill
- A sign of an insect living in a tree
- A drawing of a wild animal you saw while on this scavenger hunt
- A sound made by a wild animal that you heard while on this scavenger hunt (you must mimic it on video to receive points)
- A sign of an animal that eats plants
- An animal bone
- An insect or animal that is camouflaged and blends into its background
- A cloud in the shape of an animal
