

## How To Pre-Register Your Child For Required COVID-19 Testing at Camp

Please follow these directions step-by-step in order to provide UCHealth with the necessary information so your camper/s can be pre-registered in the UCHealth system for Sanborn's required COVID-19 testing.

**\*\*\*THE SINGLE MOST IMPORTANT PIECE OF INFORMATION YOU NEED TO KNOW TO MAKE ALL OF THIS WORK IS THIS:** As a parent or guardian, you must have a [UCHealth My Health Connection account](#) before you begin to build accounts for your camper/s.\*\*\*

### For children younger than 14:

Step 1: Log into My Health Connection from a computer. If you do not have an account, [sign up here](#).

Step 2: Click on "Wallet Card" under "Tools" at the top of the screen.

Step 3: Click "Edit" under "Insurance Information" and enter your insurance information.

Step 2: Now, click "Request Account Access" under "Tools" at the top of the screen.

Step 3: Complete the [online form for "UCHealth and Affiliate - child access form \(Most users\)"](#). **Under "Child's Contact Information" enter YOUR PERSONAL EMAIL and CELL PHONE number and NOT your child's email for easier account access.** Under "Additional Information" -> "Location Treated" click on "Southern Colorado".

Step 4: You will be notified in a My Health Connection message when you have access to your child's account. **THIS DOES NOT HAPPEN IMMEDIATELY.**

### For children 14 years or older:

Step 1: Your child must have a My Health Connection account, or you can [sign them up for an account here](#).

Step 2: Click on "Wallet Card" under "Tools" at the top of the screen.

Step 3: Click "Edit" under "Insurance Information" and enter YOUR insurance information--if they have their own Member ID, enter the appropriate information.

Step 4: Now, **log out** of your 14+ year old child's account, and [log in to YOUR My Health Connection account](#).

Step 5: Now you can "Request Account Access" under "Tools" at the top of the screen **IN YOUR** My Health Connection Account.

Step 6: Complete the [online form for "UCHealth and Affiliate - child access form \(Most users\)"](#). **Under "Child's Contact Information" enter YOUR PERSONAL EMAIL and CELL PHONE number and NOT your child's email for easier account access.** Under "Additional Information" -> "Location Treated" click on "Southern Colorado".

Step 7: You will be notified in a My Health Connection message when you have access to your child's account. **THIS DOES NOT HAPPEN IMMEDIATELY.**

If your child requires medical care beyond the scope of our nursing staff, we will utilize this platform for telehealth visits, too.
