MEDICATION

- All meds (Rx and OTC) must be in original packaging, including inhalers & EpiPens, with clear dosing instructions on packaging.
- Put all meds in Ziploc bag labeled with full name and hand to car greeter on Opening Day. Do not put any meds in trunks. **NO meds may be in cabins.**
- Enter all meds (Rx & OTC) in health form prior to camp.
- NO vitamins or supplements unless documented deficiency by physician *and* listed in health form.
- Meds returned in trunk at end of camp.

LICE

- The best way to start camp is to get checked for lice within 7 days before drop off.
- We have partnered with Lice Clinics of America to streamline our Opening Day lice checks. We will conduct a lice check when campers arrive, but those who have been checked with LCA the week before will skip the check and start camp faster.

MAIL

- There are three types of mail at camp: traditional mail, email, and pre-written letters that may be dropped off on Opening Day.
- Snail mail is slow- allow 3 days for snail mail to arrive & discontinue sending mail at least 4 days before your camper's term ends.
- Purchase electronic stamps on CampInTouch for emails (printed at 10:45 a.m. each day).
- Label all prewritten letters with camper's full name in a large Ziploc bag and hand to car greeter on Opening Day.
- NO packages at camp. **One birthday package is allowed.**

DO NOT BRING:

Food, electronics, valuables, internet enabled devices (including apple watches), or illicit substances.

NO CELL PHONES ARE ALLOWED AT CAMP.

****Parents, confirm you have your camper's cell phone in your possession before camp drop off. ****
ONLY campers who fly in or out of camp unaccompanied may bring phones (we will store them).

FORMS

All forms are due May 1st

Forms will be available from **February 1st** in your CampInTouch account or in the Campanian Mobile App.

CAMPANIAN

- Log into the Campanian Mobile App with your camp username and password for summer updates and to download and share camper photos. Please be sure to upload a current photo of your camper prior to the beginning of their term.
- There is a small fee for Campanian. To opt out of this service, please email info@campchampions.com.

CABINMATE REQUESTS

- Campers must each request each other
- Campers must attend same number of weeks
- Campers must be in the same grade
- Requests should be completed no later than two weeks before camp starts
