

 **CAMP CHAMPIONS** 

PARENT GUIDE

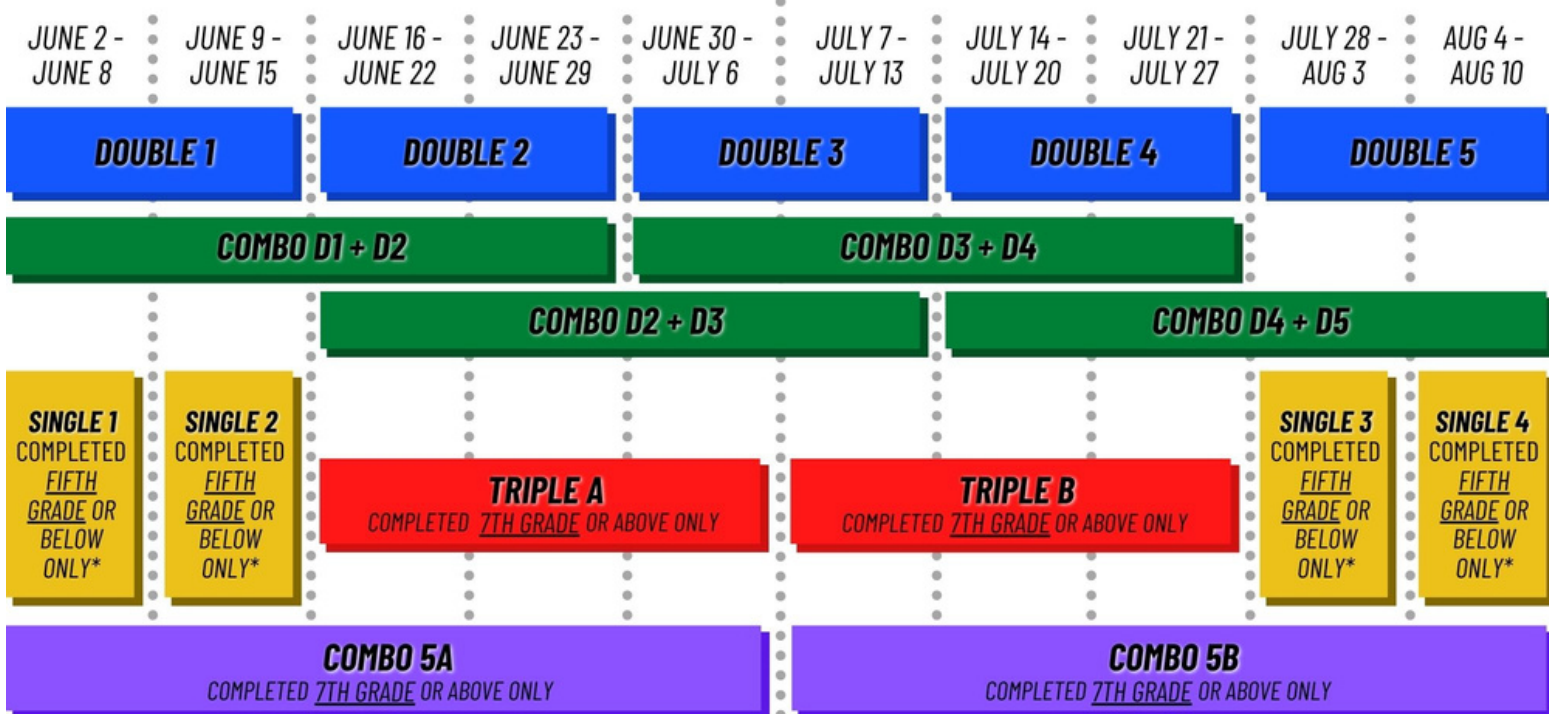

SUMMER 2024

WELCOME TO CAMP

Welcome to Camp Champions! We are thrilled to be celebrating our **58th** summer for what is sure to be our best summer yet! We're looking forward to getting to know your family and creating memories that we hope last a lifetime.

2024 TERM CALENDAR

GRADE REFERS TO GRADE LEVEL COMPLETED PRIOR TO THE START OF SUMMER 2024

***FOR FIRST-TIME CAMPERS.** RETURNING CAMPERS WHO HAVE COMPLETED 2ND GRADE (OR YOUNGER) MAY REPEAT A ONE-WEEK SESSION, WHILE CAMPERS WHO HAVE COMPLETED 3RD GRADE OR OLDER MUST CHOOSE A SESSION THAT IS 2+ WEEKS.

HOW TO REACH US:

Camp Champions
775 Camp Road
Marble Falls, TX 78654

Phone: (830) 598-2571

Nurse Ext. 220 & 222

After Hours Emergency Number: 512-755-5378

Email: info@campchampions.com

GENERAL INFO

OPENING & CLOSING DAYS

OPENING DAY

Gates open at 2 pm and age groups are given a specific arrival time starting with the youngest campers. Look for an email with arrival information. Please call if there's going to be a delay with your arrival; activities begin promptly upon your camper's arrival. If you have multiple campers, choose the arrival time for the youngest camper in your family.

- Campers will come to camp with a trunk, a laundry bag containing all bedding, (sheets, blankets, pillow) as well as a small string backpack with sunscreen and a filled water bottle labeled with the camper's name.

Senior Camper Drop-Off (completed 9th grade and older)

- Arrive at 11 am for senior camper- specific orientation.
- Unless flying unaccompanied, Senior Campers **MAY NOT** bring phones. Phones will not be stored for them.
- If you have younger campers, you may also drop them off at this time.

FOR OPENING DAY, PLEASE:

- Attach luggage tags to trunk and duffel bags before you load your car. Luggage will be delivered to your camper's cabin. (tags mailed pre-camp- remember to fill in names!)
- Place **all** medication (prescription and OTC) in original packaging, including inhalers and Epipens, with clear dosing instructions on original packaging in a large ziploc baggie and hand to the car greeter. (**do not put medication in luggage**)
- Place any prewritten mail with your camper's full name on each envelope into a large ziploc bag and hand to the car greeter (no stamps needed for this mail) The office will add your camper's cabin number.
- Confirm you have your camper's phone in your possession. (campers flying to camp unaccompanied may bring a phone which we will store for them)
- We will welcome your camper as you remain in the comfort of your car. We will unload your car for you, give you your camper's cabin number, and you're off! **Please have only camp items in the back of your car to be unloaded.**

CLOSING DAY

All Opening Days are on SUNDAY
All Closing Days are on SATURDAY

MEET THE STAFF

YEAR ROUND STAFF

Steve Baskin Owner & Executive Director
Susie Baskin Owner & Executive Director
Erec Hillis Owner & Executive Director

Corinne Platt Girls Director ~ ext. 205
Josiah Platt Boys Director ~ ext. 220
Ali Grello Director of New Families ~ ext. 223
John Bailey Activities Director ~ ext. 219
Katie Malek Operations Director ~ ext. 216
Jessica Akins Bookkeeper ~ ext. 240
The Nest (Camp Health Center) ~ ext. 230

DIVISION LEADERS

Our Senior Staff members are in charge of specific age divisions, supporting counselors and campers. If you have questions concerning your camper, you will first be directed to your child's division leader.

COUNSELORS

Our "counselor heroes" hail from across the world. Many are lifelong Camp Champions campers. Champions counselors view each day as an opportunity to make a positive impact on your child. At the start of camp, you will receive an email with a photos and bios of your camper's counselors and division leader.

Camp Champions has one of the most thorough and lengthy staff trainings in the camp industry. In every activity, our safety training meets and often exceeds the American Camp Association standards. Youth development training focuses on growth mindset and fostering leadership in our campers.

HOMESICKNESS

It's normal to have cold feet and we're here to help. We've been helping reluctant campers (and their parents!) for many years. There is not much we haven't seen.

Here's our most important piece of advice: **Do not make a "pick up deal"** (promising you'll pick up an unhappy child). Parents should never put the burden of this decision on a camper to determine if they can stick it out at camp. And having that "out" makes it so that they won't work through any discomfort and instead will look for the first opportunity to escape. You are robbing your child of critical coping skills that s/he will benefit from throughout their lives - college anyone?

Once children recognize the feeling of homesickness, cope with it, and survive the brief separation from home, their confidence about future separations - and their confidence in themselves - skyrockets. They really do gain independence! In a way, the cure for homesickness is actually overcoming an initial bout of homesickness. It's like exercise- It may hurt a little, but it makes you stronger.

CAMP TAKEAWAYS:

At Camp Champions, we have five goals in mind for each of our campers.

1. Responsibility: to become more independent and resilient.
2. Reaching Out: to make friends and develop stronger social skills.
3. Reasonable Risks: to step out of one's comfort zone and learn new skills.
4. Respect: to learn from positive adult role models.
5. FUN!

Our goal is for your child to have the most impactful, incredible summer experience ever! With the help of their counselors, our children face the challenges that camp life brings while learning important lessons about themselves. It will be a fun summer - have no doubt! But more than that, it will be a summer that really makes a difference in the growth and development of your camper, and that is what camp is all about.

PRE-CAMP

- Fill out the **Parent Questionnaire** in your CAMPINTOUCH account (in the forms section). It serves as an important tool to enhance a camper's experience and prepares the counselors for their arrival.
- Browse the camp website. Help your child envision what a successful time at camp looks like- making a new friend or climbing to the top of the Wall and ringing the celebratory bell, petting the goats or wakesurfing. Having a positive attitude before camp is a great predictor of a positive experience while at camp.
- Involve your child with camp preparations. For example, let him/her help buy the trunk and label belongings. This creates a sense of agency and responsibility.
- Create a photo collage with your camper so your child can show photos of their dog, siblings, etc. to their counselors and cabinmates. It can be attached to the underside of trunk lid.
- Have faith in your child. Talk about other times they've struggled and triumphed. Share your own personal stories. Remind them that their counselors will be there every step of the way.
- Reach out. We want to be your year-round partners. We have years of experience helping children and families work through these kinds of challenges. We share the same goal: to raise independent, happy children who love who they are at camp- and who they are when they return back home!

KNEEMAN MARKUS

Kneeman Markus is our beloved camp store. Campers love shopping using their "champs" (camp currency) for camp swag and essential items (e.g. toothpaste).

- View the selection at **www.kneemanmarkus.com** and add additional champs to your camper's account there. (optional).
- Campers receive 10 champs + 10 more per week at camp to be used exclusively by that camper and only while at camp (ex. a 2-week camper receives 30 champs).
- Champs never expire and roll from year to year. (Some of our counselors still shop with old champs!) Purchase extra champs no later than the last Monday of the term to ensure your camper has enough time to use them.

PREPARING FOR CAMP

HEAT AND DEHYDRATION

Some campers take a few days to acclimate to the heat, but most are not bothered by it. Campers swim in both the lake and pool every day. We have water stations with iced water all over camp and lots of shade. Please send multiple water bottles and put clear plastic tape over the name so that it doesn't rub off. Please also send sunscreen, zinc, and sun shirts for swimming.

MRSA/IMPETIGO

MRSA is a common skin infection frequently transmitted in gyms and other close quarters. We require liquid soap for showers as this is the best way to prevent this infection. Chafing from swimsuits can create a potential for irritation or infection that will be in an area not visible to others, so only your camper will know. Understandably, campers may be shy about this. Please talk with your camper about letting a counselor or nurse know about chafing.

SWIMMER'S EAR

We require every camper to get ear-drying drops after water activities. If your camper has ear tubes, please ask your doctor about alternative drops.

WATERBORNE ILLNESSES & PARASITES

Waterborne parasite illnesses are extremely rare, but can be very dangerous. All freshwater lakes contain amoeba. According to the CDC, in extraordinarily rare circumstances, amoeba can enter the olfactory nerve and cause PAM (primary amoebic meningoencephalitis) which can be fatal. The best way to prevent PAM is to prevent water from entering the nose. We enforce a nose holding and nose clip policy. Two well-fitting nose clips (the kind with neck straps are the best) are a mandatory packing item. We will also have extra clips. If you have any additional questions or concerns about your child swimming in freshwater, please contact Susie Ma'am.

LICE

Upon arrival campers will receive a free professional lice screening by the Lice Centers of America. Parents are responsible for treatment costs if lice are found. We recommend pre-camp checks, with a promotional offer for screenings at LCA. Campers checked at LCA within a week of camp won't require rechecking on opening day. Please send lice check documentation to info@campchampions.com.

To join cabin-mates, campers *must* be lice-free. Regardless of the checker used (LCA, school nurses, or hair stylists), the crucial factor is arriving at camp without lice. Avoid any potentially awkward experiences by ensuring a lice-free start.

We have 8-12 campers per cabin (depending upon the camper's ages) and 2-3 counselors who also live in the cabin. Our cabins are strategically rustic - no lights or electricity. Please pack a flashlight or lantern to use at night. Campers store their belongings in a trunk under their bunk bed and their toiletries in a shower caddy. Cabins have multiple large oscillating fans so that every camper feels continuous cross breezes. They're surprisingly comfortable and campers acclimate easily to the outdoors. Feel free to bring a clip-on, battery-operated fan, but this is not necessary (pack extra batteries). Overall, cabin life is fun and exciting, especially when you get to sleep in a bunk bed with a view of the lake!

Bunk Assignments

Bunks are assigned by lottery with the camper present. If a lower bunk is needed for medical reasons, please add this to your parent questionnaire in your forms.

Types of Requests:

Mutual:

- *Both campers must request each other
- *Are in the same grade
- *Are at camp for the same length of time
- *Campers of different ages requesting each other will be placed in the age group of the younger camper.

One-Way Request: Several names may be listed, and we will make every attempt to honor at least one request.

Anti-Request: (use carefully) THIS REQUEST TAKES PRIORITY and it may prevent the camper from being placed with a requested friend.

If you think it's best that your child not be placed with a particular friend, please be honest with the family involved before camp starts. Such difficult conversations are easier now than on Opening Day. We would be happy to give you suggestions. While we will not share requests freely, there may be circumstances where it is necessary to reveal this information to address cabin placement questions.

Cabin-Mate Requests

This is in the form section of your CAMPINTOUCH account. The form deactivates 30 days before the camp term and no changes can be made.

- **Two campers must request each other**
- **Campers must attend same length terms**
- **Campers must be in the same grade**

Trunks

- Height must be 13.5 inches or less to fit under bunks
- Can be hard plastic or soft duffles.
- May have wheels or no wheel

"Everything Summer Camp" models **#1102** (*Companion Footlocker*) and **#1104** (*Happy Camper*) fit under our bunks.

On everythingsummercamp.com locate the yellow banner, select "C" and click on "Champions" to receive a discount.

PLEASE NOTE, CABIN-MATES REQUESTS AND ANTI-REQUESTS ARE NOT CONFIDENTIAL.

PACKING LIST

PRO TIP: INCLUDE YOUR CAMPER IN THE PACKING PROCESS.
CAMPERS STAYING 2 OR MORE WEEKS WILL HAVE LAUNDRY ONCE A WEEK

LABEL EVERYTHING WITH FULL NAME (NOT INITIALS)
INCLUDING SHOES, WATER BOTTLES, PILLOWS, TOILETRIES, ETC.
IF YOU WANT TO SEE IT AGAIN, PUT A NAME ON IT.

CLOTHING (Suggested for 2 or 3 week campers)

- ☐ Underwear (10)
- ☐ Socks (10 pairs)
- ☐ Jeans/Pants (1 or 2)
- ☐ Sweatshirt
- ☐ T-shirts (10)
- ☐ Long Sleeved Sun Protection Shirt (2).
- ☐ Any Plain White T-Shirt for special activity
- ☐ Shorts (8)
- ☐ Swimsuits (3-4) -

Note: Two pieces are acceptable, as long as they remain in place during all camp activity. No string bikinis allowed.

- ☐ Brimmed Cap (2) (Little League campers are given special hats)
- ☐ Pajamas/Sleepwear (2)
- ☐ T-shirt and pair of shorts that can get TRASHED!
- ☐ Special outfit for T-Bone Club (campers who just finished 8th grade)
- ☐ Special outfit for first year Senior Campers.

PERSONAL ITEMS

- ☐ Toothbrushes (2)
- ☐ Toothpaste and Floss
- ☐ Shampoo and Conditioner
- ☐ Liquid Soap
- ☐ Bottles of Waterproof Sunscreen 3-4 bottles (more if spray-on)
- ☐ Comb or Brush
- ☐ Lotion
- ☐ Shower Caddy

MORE THINGS YOU NEED

- ☐ Trunk for under-bed storage, no taller than 13.5 inches (wheels opt)
- ☐ Self Addressed, stamped envelopes, paper and pencil.
- ☐ Chapstick (with SPF)
- ☐ Nose Plugs with a strap
- ☐ Extra pair of glasses or contact lenses
- Water Bottle - 2 or 3 is best - See how to label in parent guide
- Flashlight with extra batteries
- String Backpack or Tote Bag

LINENS

- ☐ Fitted Twin Sheets (2)
- ☐ Flat Twin Sheets (2)
- ☐ Pillow (1) and Pillowcase (2)
- ☐ Light Blanket
- ☐ Large Beach Towels (2)
- ☐ Bath Towels (2)
- ☐ Washcloths (2)
- ☐ Laundry Bag (2) Fill one laundry bag with bedding /pillows/sheets (and closing day storage) and pack one for dirty laundry.

SHOES - Please Label **BOTH** Shoes With Full Name

- ☐ Flip Flops
- ☐ Tennis Shoes (2 pairs)
- ☐ Sandals, Chacos, or Aquasocks/Watershoes

OPTIONAL ITEMS

- ☐ Swim Goggles (highly recommended)
- ☐ Sunglasses
- ☐ Mattress Pad
- ☐ Ear Plugs
- ☐ Playing Cards
- ☐ Books
- ☐ Props/Costumes for Theme Dances and/or Skits
- ☐ Clip-on Battery-Operated Fan with extra batteries

LEAVE PRECIOUS ITEMS
(BLANKIES, STUFFED ANIMALS, CAMPER'S FAVORITE TOY)
AT HOME WHERE THEY ARE SAFE AND SOUND

ONLY THREE WEEK SENIOR CAMPERS WILL NEED A SLEEPING BAG
FOR OFF-CAMP TRIP

DO NOT BRING:

Food, electronics, valuables, internet enabled devices (including apple watches),
& illicit substances including e-cigs, and vapes.

NO CELL PHONES AT CAMP.

Parents, confirm you have your camper's cell phone **in your possession** before camp drop off.
ONLY campers who fly in or out of camp unaccompanied may bring phones (we will store them).

PRO PACKING TIPS

1

MARK ALL ITEMS WITH FULL NAME or FIRST INITIAL AND LAST NAME

We cannot emphasize this enough! Mark every item- socks, towels, shoes, pillow, hairbrush, shampoo etc. Many campers have the same initials and the lost and found sorters won't know middle initials. Use full name if possible to help us return your camper's belongings.

2

SHARPIE AND SEW-ON LABELS WORK BETTER THAN STICK-ON

We often find orphaned sticker labels that have detached from clothing. Sticker labels work well for shoes and shampoo bottles, but don't stick well on fabric.

3

USE ZIPLOC BAGS TO ORGANIZE ITEMS IN TRUNK

Keep things like underwear, socks, toiletries and misc. items such as playing cards and stationary in Ziploc bags (campers prefer the sliders type baggies for convenience).

4

TAPE THE PACKING LIST TO THE UNDERSIDE OF THE TRUNK LID

Help your camper remember what they came with and what to re-pack at the end of camp. This is also a great place for photos!

5

HAVE YOUR CAMPER PLACE EACH ITEM IN THE TRUNK

Set out the items and familiarize your child with them during packing. Many campers have no idea what belongings they have in their trunk. This is a great time to discuss keeping things organized!

6

DO NOT SEND ANYTHING IRREPLACEABLE OR VALUABLE

Think of your child's room at home with ten children living in it... for multiple days... While we try our best to return labeled items, you can probably imagine how some possessions become lost or damaged. Camp Champions is not responsible for lost or damaged items. *"If you would be sad to lose it, don't bring it!"*

7

DO NOT EXPECT TLC LAUNDRY CARE

Laundry is washed after the first week of the term. All colors are washed together in cold water. Do not send clothes whose colors will run or would be damaged by the high heat dryer. Label all clothing with full names with a black sharpie.

8

OLD CLOTHES WORK BEST

We spend a lot of time at camp in T-shirts, shorts, and swimsuits. Because of the level of physical outdoor activity, clothing will come home stained.

COMMUNICATION

EMAILS

- Email your camper by logging into your CAMPINTOUCH account and send with camp stamps.
- If you have multiple campers, you can send the same email by clicking all names I
- f you want to write separate emails, just select one camper's name at a time. We print emails daily at 10:45 am in order to deliver the letters to your camper(s) by lunch. Emails can be sent up to 24 hours before the last day of your camper's term.
- Check your camp stamp balance by scrolling down until you see the heading "Email" under online community. You can also give stamps to your guests through guest accounts.

LETTERS, PHOTOS & PACKAGES

PRO TIP #1

**STOP MAILING LETTERS 4 DAYS
BEFORE THE LAST DAY OF YOUR
CAMPER'S
TERM,
AS THE LETTERS WILL ARRIVE
AFTER CAMP HAS ENDED.**

Campers love mail! At the same time, parents agonize when they don't get letters in return from their children. Just remember, radio silence often means your child is having a blast and simply too busy to think to write home. Don't be discouraged; keep writing! They are always overjoyed to receive your letters.

MAIL

Yes, it takes time, but the old-fashioned, handwritten letters from home can still make all the difference in the world to your camper! Here are some tips to get the most out of your written letters.

- Address letters with your camper's full name to drop off on opening day. Put these in a large ziplock bag. We will add the cabin number to each envelope. These do not require stamps. We will deliver one each day to their cabin mailbox.
- Mail your first letter BEFORE CAMP STARTS. Mail at camp is s-l-o-w... so, mail it early!
- Send your camper an email by going to your camp account, buying "camp stamps" and printing those at 10:45 each morning!

PRO TIP #2

**STAY POSITIVE!!
PUT THE FOCUS ON THEIR TIME
AT CAMP.
IF YOU DO SHARE NEWS FROM HOME,
KEEP IT BORING
SHARING THAT YOU MISS
THEM TOO MUCH CAN CREATE LONGING
AND EXACERBATE HOMESICKNESS.**

COMMUNICATION

PACKAGES

Camp is a gift in itself! We have a no package policy. Any envelope larger than a standard envelope is considered a package and will be returned to the sender. Please tell all your relatives, as returned packages can cause hurt feelings and frustration.

If your camper has a birthday while at camp, you may send **one** package with items that can be shared in the cabin - like silly paper hats (no food or candy). Write "birthday," your camper's name, and the date of the birthday on the outside of the package. Forgotten items, medication for the nurse, or replacement allergy food should be mailed to "Office c/o your camper's name." All packages will be inspected and contraband will be thrown out.

NEWS AND PHOTOS

- Find daily photos and read blogs by downloading the Companion App (for phones) or on your CAMPINTOUCH account.
- Steve Sir and Susie Ma'am take great delight in sharing camp with you in their daily blog. They'll also share important research and news articles on youth development.
- Expect to see photos of your camper(s) every few days. If you've got a shy shutterbug, call us and we'll make a special effort photograph him/her.
- **"Favorite"** your photos in Campminder! Campers who attend six summers, our "Golden Oldies", receive a beautiful memory book with photos from their favorited photos. It goes by fast!

SURPRISE SACK & TROJAN SPARTAN PACK

- We offer Camp Champions Surprise Sacks and Trojan/Spartan Packs to be delivered directly to your camper.
- Both gifts are an additional \$50 each and can be purchased through your CAMPINTOUCH account or by calling the camp office.
- These need to be added to your child's account **AT LEAST** one week before your campers arrival.
- The Surprise Sack is a care package full of fun items that cannot be purchased in our camp store and the assortment changes every year.
- Trojan/Spartan gift pack includes a t-shirt and additional spirit gear in the appropriate color for their tribe, with new items each year
- . If your camper hasn't been initiated yet, we will make sure the pack is for the correct tribe. One-week campers will not be initiated; however, if they decide to extend, you will get the option to add this pack.

HEALTH & SAFETY

HEALTH CENTER STAFF

We're committed to providing outstanding medical care. We have up to 6 experienced Registered Nurses on staff 24 hours a day and physician visits 4 times a week. Our camp health center ("The Nest") stays well-prepared to handle the bumps and bruises of camp life!

Use the main phone number 830-598-2571, extension 220 or 222. If you have an after hours emergency, please call the camp emergency number at 512-755-5378.

Our nurses will contact you if any of the following happens:

- Your child spends the night in the health center for any reason.
- Your child sees the camp doctor (even if no action is taken).
- Your child is prescribed medication.
- Your child has a schedule change due to an illness or injury.
- Your child repeatedly visits "The Nest" with the same complaint.
- Your child requires off-site care (e.g. stitches, X-ray, dental care, etc.)*

*Should your camper require X-rays, lab work, orthodontia, or other care beyond the scope of our camp health center, we arrange for medical and dental care in Marble Falls at specialty clinics and/or our Baylor Scott and White hospital.

We will make every effort to contact you before your child arrives at off-site care, although we will not delay care if we cannot reach you.

Parents are financially responsible for prescriptions and off-site care.

IMPORTANT

Camp is not the time to experiment with new medication or to put your camper on a "medication holiday." Because of the structured schedule at camp, campers with ADD/ADHD often have a better experience if they stay on their medication while at camp.

LIFE JACKET PROTOCOL

Campers are **required** to wear a life jackets while swimming in the lake. Upon arrival, campers will take a water competency sequence. If swim level is proven to be proficient, life jackets will not be required at the pool, though they will be provided for swimmers at the beginner level.

HEALTH & SAFETY

- **All medication must be entered in the health form in your camper's CampMinder account prior to Opening Day.** Campminder will prompt you for the name of medication, time of day to administer, and dose. It is critical that you enter every medication you bring to camp as our daily medication log populates from the form you fill out. Include prescription, OTC, vitamins, creams, etc. - anything you expect our nurses to administer.
- **Make sure your camper's physical is valid within 12 months of the camp session and is signed by the physician.** Please download and have your doctor use the physician's health form from your camp account.
- **All medication is stored at our Health Center** Campers are not allowed to keep ANY medication in their cabin. Please put all medication in a labeled gallon ziplock bag and hand to your car greeter on Opening Day. **Asthma inhalers and epipens may be an exception, see below. If your camper takes melatonin to sleep, please provide that along with all other camper medication. Camp will not provide melatonin.
- **We have a well stocked health center:** You do not need to send "just in case" medication. Unless your camper takes a medication frequently, please do not send it to camp. We have a wide variety on hand.
- **RX Medications:** The medication must be in the original bottle with the pharmacy label for dosing instructions. It must have the camper's name. If the dosing is different than indicated on packaging, we must have a doctor's prescription note and orders for administration. Our nurses CANNOT accept or administer any medications that are not properly labeled as this violates their Texas nursing license.
- **OTC Medications** Campers who take daily OTC meds should bring enough for the entire term. OTC medication must be in its original packaging. *Campers who take OTC meds for occasional symptomatic relief do not need to bring medication.* For space and time considerations, vitamins and supplements will be administered only with a doctor's order documenting a medical deficiency. These must also be in the original packaging.
- **Asthma Inhalers** These will be kept in the Health Center unless we have a doctor's note requesting the camper self-carry. This minimizes the possibility of loss, as well as allows the nurses to track camper usage and take action to improve respiratory health if the camper uses an inhaler more than usual.
- **Epi Pens** Please check the expiration date. These are kept in the centrally located nurse's station unless a doctor requests that the camper carry it.
- **Food Allergies** Please document food allergies under **both** the "allergies" and "dietary" tabs in the medical forms to ensure that both the nursing staff and kitchen staff are notified. Chef Travis is capable of accommodating almost all allergies with advanced notice. Please contact him at tmouser@campchampions.com.

AIRLINE TRANSPORTATION

If your child is flying to or from camp, please fill out the Transportation Form (in CAMPINTOUCH) at least 30 days in advance. Book arrival flights as close to 11am - 1 pm as possible. Book departure flights late morning.

Camper Pick Up

Austin Domestic & International - \$150

San Antonio Domestic & International - \$200

Camper Drop Off.

Austin

- Domestic - \$150
- International - \$200

San Antonio

- Domestic - \$200
- International - \$250

*There is a price difference between pick up and drop off that reflects the amount of time a staff member must stay with a camper. International flights require additional time. The Austin airport is closer than the San Antonio airport and prices reflect travel time.

DANCE THEMES 2024

These are our themes and dates for summer 2024. Your camper can dress up as much or as little as they choose! Some campers go all out, so don't be afraid to show us what you've got!

June 5: Across the Pond
June 12: CC in Green
June 19: Heroes vs Villains
June 26: 1970s
July 3: CC in Green

July 10: Across the Pond
July 17: 1970s
July 24: CC in Green
July 31: Heroes vs Villains
August 7: CC in Green
