

# Vista Camps

## Summer Review | 2021

Hello to our Vista Family!

Summer 2021 . . . what a summer it was! Rio Vista celebrated its 100th summer, and the best word to describe it was, **MAGICAL!** Even though it was our boy's camp that was turning 100, our girl's camp took so much pride in that and loved celebrating right along with them. We had a record number of kids here at camp, and to those who spent their first summer in the Vista Bubble, we want to say "welcome to our family"! We consider it an honor to watch our campers and counselors grow from summer to summer. Seeing the friendships grow and watching the excitement on opening day as everyone sees each other again for the first time in a year is so sweet to witness! We're so thankful that we get to be part of your lives and that you share your kiddos with us!

We want to give a huge shout-out to our directors who lead our summer staff with love and grace. To our counselors who pour into our campers all summer long. To our CIT's who are learning the transition from camper to staff. To our office staff who keep camp running, our kitchen staff who make sure we all have full bellies and eat yummy food. To our maintenance crew who keep camp looking amazing and make sure everything stays in working order, and our nurses who selflessly take care of everyone on camp . . . **THANK YOU!** Camp would not be camp without you and we are so grateful for everything you do!

We can't wait to be together again in the Vista Bubble!

With Love,

Justin and Diane Hawkins

# Director's Corner

To the men of Camp Rio Vista,

Donovan and Jacob here! We hope everyone is doing well and that this school semester has been amazing! We miss you guys at camp, and we are counting down the days until term one begins!

Summer 2021 was the 100th year of camp for Rio Vista. It was an honor to be a part of this historic year and we are so thankful for every moment that happened. This summer we watched friendships, old and new, grow into something that will last a lifetime. Even during a pandemic, the Vista spirit is the best! Our cabins were filled with fun energy that can only happen at Rio Vista. We hope that as you look at the yearbook from this year, you can remember all the moments that helped you grow this summer! Moments like tribe comp, camp craft, cabin hangouts and so much more. Thank you for making camp special every day. This summer was filled with excitement as well as uncertainty. Your love for camp proves that this camp is amazing! Using your skills that you used at camp will help you immensely in the future to become a great leader.

To all the Rio Vista counselors, this was the best year we have ever been a part of at Camp Rio Vista! Jacob wants to thank you for welcoming his family to the Vista Bubble during his first summer at camp. We appreciate everyone for helping him learn more about camp and thank you for continuing the traditions of Rio Vista! It was a year of learning for everyone! We loved being a part of your "can-do" attitudes that created a ripple effect of positivity. Thank you for the hard work and dedication to building upon the camp legacy during the centennial year! This year was epic because of you!

As we look forward to 2022, we want you to know that we are thinking about yall! If you ever need anything, please reach out to us! We are just a phone call away

With Love,

Jacob Groves and Donovan Amaya  
Camp Rio Vista Directors

Hey Girls,

2021 was the BEST year at Sierra Vista. I hope each and every one of you had the opportunity to let yourself shine and get a little silly while you were here. I hope you made new friends and rekindled those friendships from summers past! Remember to be your best self at school and take every opportunity to show kindness. Remember you can take camp home with you. I would love to hear from you throughout the school year, so be sure to write.

I would like to personally thank all of my SV counselors! YOU are what makes camp so wonderful. During counselor orientation we talked about the goals and aspirations we had for our campers. Goals beyond having fun and mastering the art of blobbing. We talked about positive character traits we would like to teach or help grow at camp. Our lists included; independence, compassion, individuality, selflessness, purpose, worthiness, acceptance, respect, self-discipline, hope, etc. We talked about leading with love and putting the kids first. At closing campfire we met those goals. I teared up listening to the young ladies talk about how camp had changed them, how YOU changed them. You have done an incredible job this summer and should be proud of the love and support you've given these young ladies.

To my Gazigers, I am so honored to be a small part of your life. I hope camp has changed you and shaped you into the leader we all knew you could be. Thank you for sharing your summers and yourself with us at Sierra Vista. Thank you for supporting your tribe and imparting all your wisdom and compassion into the many young girls that look up to you. Sierra Vista will miss you. See you next summer as STAFF 2022!

Lots of Love,

Beth Rumbo
