

The Origin of the Red Devils

Sean, Cabin 34

Once upon a time, there was a land ruled by a king and his court of White Knights. Everyone was subject to awful taxation except the king's family. Of course this made everyone very unhappy. It was not long until people started to rebel. When it first began it was only a small group of people stealing back from the king. As the rebellion grew so did their hope! More and more people joined the cause: The groups turned to crowds and then from crowds to hordes. Eventually, they gave a name to themselves... "The Red Devils." After awhile they got around to building their own kingdom while still at war with the White Knights. Years later many have forgotten what they fight for but the battle rages on.

The Origin of the Green Giants

Blake, Cabin 34

Once upon a time, there were normal people with normal lives. They were all friends for awhile. One day they went to the store and saw Green Giant Vegetables. So they ate the vegetables and became huge 300 feet tall giants! After they became giants they went off into the woods until a certain time in July: That is when they come out to referee and watch over the war between the Red Devils and White Knights.

The Origin of the White Knights

Sam & Scott, Cabin 34

Once upon a time, there was a knight just off I-26 and he was the assistant manager at the Toys-R-Us. He was the 10 time employee of the month and 13 time employee of the year. People called him the Spongebob Squarepants of Toys-R-Us. One quiet morning in the action figure section three men dressed as devils appeared and started stealing the Sheamus action figures! The White Knight appeared and fought off the devils. This was the beginning of the long war between the two.

Taylor, Cabin 16

Laughter in the air,
With a massive amount of care.
Watch us as we all get along,
Because we all belong.
New challenges everyday,
But don't forget to play.
With hugs and smiles
Come stay awhile.
When you walk in the door, all you will hear
Is "Oh my" in your ear.
Bracelet making and braiding will always be found
With the best crew around.
No other place I would want to be seen
But right here in Cabin 16!

Is Water Wet?

Josh, Cabin 18

This question has been debated between millions of people: Is water wet? When you think about it, it is a very difficult question to answer! Today, I am going to answer that question for you.

A lot of people say that even though water makes this wet, it is not wet. I agree with those people!

You can make someone rich, but still feel poor. You can cause someone pain but not feel pain. So... Water can make someone or something wet but not be wet! There! I conclude my point.

Gucci Tic Tacs: A One Word Story

*Walker, Carter B., Carter F., Cole, Grant,
& Charles, Cabin 23*

I am good for my fabulous and Gucci Tic Tacs. I steal Simpson Tic Tacs from Jeremy. I ate all the Simpson Tic Tacs! My stomach was growling because they were so bad. I, Jeremy, ate a Tic Tac from the trash. The octopus found the Tic Tacs and stuck them in his pockets. Then the Tic Tacs got exposed and Tarzan got them. I slapped the Tic Tacs out of Tarzan's hand. Tarzan was mad and chucked the Tic Tacs at my face. Then he said, "Is that legit squad fam?" Then the octopus stole the Tic Tacs back and started doing Orange Justice. Also he was back with his lit squad fam and they all started doing Orange Justice while watching The Simpsons.

Based on a true story.
