Seats will **not** be held without this form. **It is possible for the bus to be cancelled by April 15th pending interest.**

The bus schedule allows campers to sleep through the night and arrive to camp before lunch to join their cabin-mates for opening day activities. Posts will be made by social media to keep parents apprised of the bus trip to camp and then all parents will be called once the bus arrives to camp. We will be stopping for breakfast for campers on the way, as well as making additional stops at rest areas. Each child is welcome to bring one backpack and snacks for the bus ride. All camper food remaining after the bus ride will be collected by camp and not permitted in the cabins. Cell phones and electronic devices are allowed on the bus, but must be surrendered for safe keeping upon arriving at camp. These devices will be given back to the camper for the bus ride back home.

Fedex Shipping; Please keep to these dimensions for your luggage (48x30x30 and weight no more than 75lbs for Trunks or duffels). Oversized bags will incur an additional handling fee from Fedex. Camp will send you labels by email for your bags. If you would like Fedex to pick up your luggage at your house please call this number: (1-800-GOFEDEX) have your tracking number ready and it will be a next day pickup. Camp Highlander suggests that you please box all trunks and duffels. Camp will keep the boxes and ship home the luggage in the same boxes.
