Hello Camp Families,

Even though the summer is still some time away, it is time to start thinking about the warm, fun-filled days of camp. This Parent Guide is your official welcome to KenMont and KenWood's Summer of 2019!

Our 2019 Parent Guide has all the information that you will need to prepare you and your camper(s) for an unforgettable camp experience. Even if you are a seasoned KenMont and KenWood camp family, please take the time to read through this guide as information has been updated.

Please do not hesitate to contact me; I am here to answer all of your questions, and no question is too small or silly. I look forward to being a part of your camper's summer experience; from trying new activities, making new friends and counting down the days until Color War. As always, thank you for entrusting me with your camper(s) and being a part of our KenMont and KenWood Family!

Sincerely,

A handwritten signature in blue ink that reads "Tom".

GENERAL INFORMATION

WE ARE UNPLUGGED KenMont and KenWood Camps are **UNPLUGGED** communities. Our philosophy relies on campers and their counselors to detach from technology and media and immerse themselves in a culture full of healthy values of community, camaraderie, cooperation, competition and collaboration. We are aware that camp today may be the only place in children's lives where they are free to experience themselves fully present and engaged in activities and moments where technology is irrelevant. Please see pg. 26 for details.

CANTEEN Campers love our canteen and game room! Campers go **2-3** times per week and can select two items each time. We have "old school" arcade games, ping pong, foosball and much more! **All canteen expenses are included in your child's tuition.**

BIRTHDAYS AT CAMP! **We love to celebrate birthdays!** Fellow campers & staff sing and cheer; birthday cake is served in the dining hall, usually at dinnertime; campers also get an "extra call" (see page 19 for details.) ***If your camper's birthday does not fall during the session, make sure they bring their birthday postcard to get their special extra canteen treat!***

THIRD PARTY EXPENSES Occasionally, we need to contact parents to obtain credit card information in case their camper needs repairs for equipment, eye glasses, prescriptions filled or outside doctor appointments. If we are unable to reach you, camp will pay for the expenses and charge you at a later date.

LAUNDRY **We provide laundry for your child on a weekly basis.** Clothing and linens are washed in our on-premises facility with same day turnaround and is included in your child's tuition.

CAMPER PHOTOS Group photos of your campers will be taken during the session and will be given to you on Departure Day.

CAMPER PHOTOS ON OUR SITE Our photo team posts hundreds of photos each day. We will send an email as it gets closer to the start of camp with instructions on how to see the daily photos. Photos will be available online until well after your camper comes home so they can save and print out any photos we have posted.

TRIP DAY & TRIP MONEY Our campers go on a one day trip out of camp. All expenses are included in your child's tuition (transportation, tickets and meals). **Trip money is also included for this one day trip; KenMont and KenWood will give \$20 to each camper to purchase souvenirs, etc.** Note, \$40 will be given to the Maps and Dodos campers for their trip.

Please do not give your child additional trip \$\$ - as we are not responsible if it is lost, but more importantly, we like to keep everything equal among our campers and when this rule is broken, campers become disappointed and it tarnishes their experience.

MUSICAL INSTRUMENTS Campers are welcome to bring their musical instruments to camp and be part of our talent shows and other special camp events.

MAIL & PACKAGE POLICIES

YOU'VE GOT MAIL! Campers will write home each week to their immediate family. **Please pre-address and stamp envelopes.** Many letters get returned to us due to illegible addresses or inadequate postage which creates a delay in receiving mail from your children. **International families, we will be happy to scan and email your child's letters home for faster delivery. Thank you for understanding that we are not able to accommodate emailing letters to our domestic families who are traveling during the session. Please discuss this with your camper ahead of time.**

CAMPERS LOVE TO RECEIVE MAIL Please write as frequently as you can. It is a great idea to send mail prior to your child's arrival at camp so they receive it right away, or pack a surprise letter in their baggage. **Note: if traveling while your child is at camp, when writing letters (or emails), please do not focus too much on your experiences and happenings abroad; your child might get upset that he or she is not with you.**

Mail will be delivered to campers once daily, except Sunday. Please be aware that we are in a small town, with a small post office and mail moves much slower than usual, both to and from campers.

ADDRESS LETTERS TO:

Your Child's Name and Group Name
KenMont and KenWood Camps
P.O. Box 548
Kent, CT 06757

PLEASE NOTE, IF YOU USE ANY OTHER ADDRESS FOR USPS, YOUR LETTERS WILL BE RETURNED BY THE POST OFFICE.

PACKAGE POLICY - VERY IMPORTANT! **Please do not send packages (of any kind) while your child is at camp.** Throughout the years, allowing packages at camp has only proven to be a source of disappointment for those campers who do not receive anything from home. **We provide games in the bunks and you can certainly send any fun items in your child's baggage ahead of time. (See page 6 for a suggested list of fun/optional items.)**

ANY AND ALL PACKAGES RECEIVED DURING CAMP WILL NOT BE DELIVERED. PACKAGES WILL BE HELD IN STORAGE AND THEN PACKED IN YOUR CAMPERS' BAGS FOR DEPARTURE DAY.

This includes photos*, novelty items, magazines, comic books, etc. All envelopes that are thick and/or larger than letter size will need to be opened for inspection because of our camp policy. **Please note: Food/Candy/Gatorade (Packets) will not be stored and will be discarded.** Thank you for your cooperation.

***We understand that campers like to receive (and parents like to send) photos while their campers are with us. Many parents have been sending photos via apps such as Postagram and ink.** They are free to download and user-friendly. Pictures arrive in a postcard sized format, which we gladly accept and deliver! **However, please note, sometimes these take even longer to arrive at camp vs. traditional mail.**

If you forgot to pack a **necessary** item (i.e. contact lenses, glasses) and need to send to camp, please call the office so we know to expect the package and we will deliver to your camper.

BIRTHDAY PACKAGES **If your camper is celebrating a birthday** while at camp, we do allow birthday packages to be sent. If you are sending a package, please write Birthday Package on the box so we can store accordingly. **Send to ATTN: Michele Troche** along with your camper's name. (Please, do not send food or candy as it is not allowed at camp and please, no gifts for bunkmates, Thank You!)

REQUIRED PAPER HEALTH FORMS & KENT STATION PHARMACY

PDF HEALTH FORMS – Please print, complete & upload to your camper’s dashboard - THESE FORMS ARE DUE JUNE 1, 2019. PLEASE REMEMBER TO KEEP COPIES OF ALL FORMS!

KENT STATION PHARMACY. Our **NEW** partner, Kent Station Pharmacy will now be filling your child’s medications prescriptions, vitamins and supplements to be dispensed by our Health Center Staff. You are **required** to register with Kent Station Pharmacy if your child will be taking any type of meds at camp - **NO EXCEPTIONS.**

Kent Station Pharmacy will organize and pre-dose all medications which allows our nurses to have more time to take care of your children. This service is of no charge to you and is paid for by KenMont and KenWood Camps. **To register, please go to <https://www.kentstationpharmacy.com/>.**

Please understand that the State of CT mandates that we do not receive your child’s medication(s) directly from you.

We do not accept medications at the various bus pickups on arrival day or within your child’s baggage. Not following this important step with regard to us receiving medication does not only create issues onsite with our nurses but it also does not follow protocol within the State of CT and can result in serious error. We greatly appreciate your understanding of the importance in how we receive your child’s medications at camp.

MEDICATION ORDER & ADMINISTRATION AUTHORIZATION FORM

***Required if your camper will be taking ANY type of medication while at camp. This form can be found via <https://www.kentstationpharmacy.com/>.**

FOR ALL MEDICATIONS - Prescription and/or OTC meds (taken on daily basis), VITAMINS and SUPPLEMENTS - it is essential for all parents whose child will take any medication or vitamins on a regular basis at camp, to complete this form for EACH medication, vitamin and supplement. Note, if your child needs aspirin/ibuprofen for an occasional headache, a form is not needed.

This form must be filled out and signed by both the camper’s doctor as well as the parent/guardian. **Camp Nurses/Doctors cannot legally dispense medication or vitamins without this form on file.** This form applies to self-administered medications (inhalers, epipens) as well. **NOTE: SCHOOL MED AUTHORIZATION FORMS CANNOT BE ACCEPTED.**

ONLINE HEALTH HISTORY FORM

The Online Camper Health History Form is a very valuable form. It helps us become familiar with your child's health needs before they arrive at camp so that we may provide the best possible environment, care and camp experience for them. It is important that it is filled out thoroughly. Please be assured that this information will only be shared with those persons directly responsible for your child and will be kept confidential.

The more information you provide, the better we can support your child in having a successful camp experience.

Please tell us about your child's healthcare and any respective dietary needs. Please provide medication and any Special Needs information as well as your Health Insurance Information (if applicable).

Note, Our Food Service Director along with our entire kitchen staff are very familiar with all food allergies and are able to provide special attention to your child's needs if we know in advance what they require.

Bunking: We believe your child's bunk placement is a very important part of camp life which is why we spend a lot of time and effort in the decision making process of where to place your child.

- **IF YOUR CHILD IS A NEW CAMPER** and you think they would be more comfortable knowing another new camper in their grade group, please contact our office for some names of new campers in your area.
- **RETURNING FAMILIES:** If there is anything you wish to discuss directly with Tom regarding your child's experience last summer, please do not hesitate to call.

ONLINE TRANSPORTATION (& BAGGAGE) FORM

This form tells us how your camper is arriving and departing camp as well as what methods you are using to send and pick up your camper's baggage. Of course, if there are any changes from what you originally submitted, please do not hesitate to contact us and we can adjust accordingly.

ONLINE CAMPER PHONE CALL FORM

Each camper calls home once during their camp session; campers call home directly at the camp's expense (including international calls).

SCHEDULING YOUR CHILD'S PHONE CALL HOME

Each camper group has one pre-assigned day with various time slots to choose from (based on availability). Camper calls to parents are 10 minutes long. **Campers are rotated through their scheduled time slot. They can call at any time within the time slot you select.**

REMEMBER TO WRITE DOWN THE DATE AND TIME YOU SELECTED FOR EACH CHILD

Some things to note:

- Times are scheduled as such so that campers do not miss any of their activities.
- If you need to change your phone time, please feel free to call / email the office.
- **We recommend siblings do not call together.** We have found from past experience that this creates more upset than comfort for siblings.
- **FOR CAMPER PARENTS NOT LIVING TOGETHER** - we do allow a second 10 minute phone call so your camper can speak to their other parent.
 - If you would like your camper to speak to a parent living in a separate household, please have that parent contact the main office via campoffice@kencamp.com to schedule their call as only one call per camper can be scheduled online.

BIRTHDAY CALLS

Campers get an 'extra' call on their birthday and on birthdays of immediate family members (parents, step-parents and siblings). Please submit this information via the phone call form. Birthday calls can be scheduled between 9am-9:30am Monday – Saturday; 9:30am-10am Sunday **OR** between 7-7:30 pm every night. **Please see above if you would like your camper to make a birthday phone call to an immediate family member living in another household.**

COMMUNICATION WITH HEAD STAFF AND YOUR CHILD

PHONE #s and OFFICE HOURS

The camp summer office and phone lines are open from 8:00 AM to 9:00 PM while in session. **The office phone is (860)927-3042.** After office hours, you can leave a message. In case of an **emergency only** during overnight hours, you can reach our Director at (860)927-4701.

PHONE CALLS TO THE HEAD STAFF

Feel free to call/email Tom (Director) at any time. However, please keep in mind that he does spend the majority of their day with campers at activities and programs. If you have any questions about your child, please leave a detailed message during the day or e-mail (tom@kencamp.com) and he will get back to you as soon as he can.

E-MAILING YOUR CAMPER

CAMPERS CAN RECEIVE E-MAILS FROM THEIR IMMEDIATE FAMILY (parents and siblings); please limit emails to 3 per week per camper, thank you! **We do not accept e-mails from friends and other relatives; we also do not accept attachments/photos, thank you.** REMEMBER- Campers LOVE to get regular mail!

You can send your camper an email to kidmail@kencamp.com. Put their name and group in the subject area and we will deliver to them. We will send an email with additional instructions/reminders as it gets closer to the start of camp.

Note: The email 'week' is from Wednesday to Tuesday for 1st session and Thursday to Wednesday for 2nd session. E-mails sent by parents will be printed and delivered to our campers once daily with the regular mail (except on Sundays).

All emails received after 12 noon will be delivered the next day. In addition, if you send an e-mail Saturday after 12 noon, since we don't deliver mail on Sundays, your child won't be receiving it until Monday. Thank you for your understanding. **Please note, starting 2 days prior to the end of your child's session, emails will no longer be delivered as we will need to start preparing for Camper Departure Day.**

SUPPORTING CAMPERS IS OUR TOP PRIORITY

Every summer children come to camp and unfortunately, emotional issues that are not shared with us prior to the start of camp surface. Please be forthcoming regarding your child's emotional health when talking to Head Staff and/or providing information on the camp forms.

We can best support our campers by understanding their needs. In past summers, campers have shared things with us that did not appear in the camper information or medical forms. This puts us in the awkward position of having to address something we have no knowledge of or insight into.

Please help us by sharing! Examples of Items to Share:

1. A difficult school year
2. Anxiety, especially regarding transition
3. Bed Wetting
4. Friendships
5. Learning Problems
6. ADHD
7. Eating disorders and dietary concerns out of the norm
8. Sleeping Issues
9. Difficulty processing or understanding directions
10. Family concerns such as a recent divorce, parent/sibling illness, loss of friend or family member, etc.

Although you will be sharing any behavioral and sensitive information with us on your child's forms, please feel free to call us if you want to discuss anything further. Sometimes a parent has valuable information about their child's issues that is best shared with our head staff via a personal call.

We believe it is important that all campers start camp on the right foot!
Parents of 1st year campers, please note, you will be called prior to the start of your camp session so we can learn more about your camper and discuss any concerns you might have.

We believe camp and parents are partners in insuring your child's success at camp!

HOMESICKNESS

As much as campers look forward to camp each summer, it is often with some trepidation that they face the separation from their parents. It is often equally difficult for parents to part with their children for the summer, but they do so hoping to give their children the gift of a wonderful summer camp experience. As seasoned camp professionals and parents, we offer the following advice in helping ready your child for their summer at sleep-away camp.

1. Never force your child to go to camp. Children that take part in their decision to come to camp own that decision and make better campers.
2. **If your child asks you before coming to camp if they are free to go home if they don't like it, do not answer "yes."** Say that it won't be a problem, or that camp will be so much fun and go by so quickly, that they won't want to come home. Stress the positive. Campers will quote their parents and say, "My mom said I could come home if I don't like it, etc." **This is faulty thinking for a successful camp experience and will interfere with your child's adjustment.**
3. Practice separations. For example, sleepovers at friends or weekends at grandma's house will help to encourage your child's independence.
4. Discuss what camp will be like before your child leaves. Watching the videos on our website, sharing your own camp experiences or first adventure away from home, simulating the camp environment by using flashlights and sleeping bags, all help in the process of getting the "mind-set" necessary to have a successful camp experience.
5. Reassure your child that you will write or e-mail often and stick to it. Children really love getting mail, and knowing that you take time from your busy schedule to write letters letting them know that you are thinking of them. **However, if traveling, please do not focus too much on your experiences and happenings abroad; your child might get upset that he or she is not with you.**
6. Phone calls are trickier. Calls for younger campers should be scheduled in the morning. This way, even if your child is teary or sad on the phone, the tears dry quickly when children are out having fun with their friends and participating in activities. Evening calls are fine for older campers. **PARENTS- please remember that children will cry on the phone when they hear your voice, but this doesn't mean that their camp experience isn't great.** YOU CAN MISS YOUR PARENTS TERRIBLY AND STILL HAVE A GREAT TIME.
7. Feel free to reach the camp regarding your child's adjustment. If there are any adjustment issues, the camp will notify you immediately and employ your help. **IF PARENTS TELL THEIR CHILDREN, THAT IN THE EVENT OF HOMESICKNESS THEY CAN COME HOME, WE HAVE NO RECOURSE IN HELPING YOUR CHILD.** Several children had a difficult adjustment last summer, but the parents who remained firm and supportive helped to turn around their child's homesickness. Most incidences of homesickness pass in a few days; the experience can be an important step toward independence in your child's growth and development. Please give them the opportunity to make it through.

HOMESICKNESS - continued

8. Parents often feel guilty about encouraging homesick campers to remain at camp. It is very tempting to want to “rescue” your child. Please trust our judgment. We know when children are having fun and when they are genuinely upset. It is our policy to be completely open and share any important issues with you that will impact the success of your child’s summer experience. **Don’t undermine your child’s experience by setting up secret signals with them for photos (not smiling, thumbs up or down). These signs only cause more anxiety for you as a parent.** Ultimately, you have to trust your instincts, and be assured that we will not let your child suffer or be miserable.
9. Honor your promises to your child. If you make up a phone time, stick to it; if you say that you will write 3 times weekly, do so. This trust issue can be sorely tested at camp and your child will feel more secure if they know you keep your word to them.
10. Be positive in all your conversations and correspondence. For example, it is fine to say, “I miss you, but I know that you are having a great time at camp.”
11. **If you get a distressing letter, please call the camp - but remember that there is at least a four day lapse from the time that the letter is written to being received.** Bouts of homesickness may already be clearing. Often bunkmate altercations or a hard day on the playing field clears up within a few hours. When parents ask the child what the problem was about, often the camper doesn’t even remember it!
12. **Don’t keep secrets from us. If there is information that can help your child at camp, please share it. It is very obvious to our staff of trained professionals when there is a child with emotional or behavioral issues. We better serve your child if this information, which is confidential, is shared with our senior staff members.**

PLEASE READ AND REREAD THIS INFORMATION. IF YOU HAVE ANY QUESTIONS,
FEEL FREE TO CALL THE DIRECTORS AT THE CAMP OFFICE

TIPS FOR 1st TIME CAMP PARENTS

- Show your child encouragement and enthusiasm prior to the start of camp.
- Make your good-byes on the first day of camp quick and positive.
- If your child is coming to camp on their own, without a friend and you would like to arrange a get together/skype/facetime, please call to get names and emails of other new campers in your area.
- Write frequently. All campers love getting mail. A letter sent in advance and waiting for them on arrival day is a great idea. Be in touch without making your child feel he or she is missing out on something by not being at home. **Especially, if traveling, please do not focus too much on your experiences and happenings abroad; your child might get upset that he or she is not with you.**

CAMP POLICY CONCERNING BULLYING BEHAVIOR

KenMont and KenWood Camps have a strict policy on not tolerating bullying of any kind of campers by fellow campers and staff. Our monitoring of such behavior during camp and the off season is handled by Directors, Head Counselors and Division Leaders. All of these key staff make certain to be around our campers throughout their days and evenings with specific attention to 'Down Times.' 'Down Times' at camp are non-activity period times such as meals, bunk clean-up, rest hour, transitions, shower time, getting ready for bedtime, etc. It is during these times of the day that we find the true colors of personalities shine and therefore is the ideal time for adult intervention when behaviors necessitate.

In the event a camper is the initiator or object of any bullying, the camp will call the families immediately to discuss what has happened and how we will be handling the situation. Our goal is always to catch such behavior with immediacy and require a proper and sincere apology to the camper who was bullied and move forward. The camp will not accept ongoing bullying behavior by any camper, the consequence of which will be dismissal from camp that season.

CAMPER RULES AND CODE OF CONDUCT

KenMont and KenWood Camps provide a fun and safe environment for all of our campers. We want your children to grow and learn with us and go home learning valuable life lessons; however, they also need to know there are important rules and policies in place and that there will be consequences if they are not followed. We will give individual time and attention to each concern, but the rules set forth are aimed at providing a baseline of appropriate behaviors.

The simplest rule we follow at camp is that no one (including staff) is allowed to have fun at someone else's expense.

- No camper shall tease, bully or pick on another camper; this includes cyber bullying of any kind via social media during the off season.
- No camper shall act in a violent or aggressive manner or threaten such behavior or cause physical harm.
- Defacing or willfully damaging camp property in any way (including graffiti).
- Conduct that is disrespectful toward others and/or defies staff.
- Campers are not allowed to leave their bunk anytime between 'lights out' and morning wakeup.
- Theft of camp's or other person's property is a serious offense.
- No camper is permitted to possess knives, other sharp or dangerous tools or weapons, fireworks, candles or matches of any kind.
- No camper is permitted to tamper with any safety devices including fire alarms, fire extinguishers or waterfront buddy tags.
- Campers are required to attend all activities except when excused by a Director or excused for reasons of health by the Health Center.
- Campers are not permitted to possess or consume/use alcoholic beverages, illegal drugs of any type, or cigarettes (including electronic and vapes).
- **Camp is an unplugged community.** No camper shall bring a cell phone, camera of any kind (including Polaroid and GoPros) or e-reader. **Note, music devices such as mp3 players (without a video screen/camera/internet capabilities - see examples below) are suitable to bring to camp for listening to music during rest hour and bedtime.** If any unacceptable media devices are brought to camp, they will be placed in safekeeping until the end of the session. See pages 8 and 26 in our Parent Guide for additional details.

Examples of acceptable media devices allowed at camp. Can be purchased online via sites like www.amazon.com & www.bestbuy.com

- No boys are allowed on girls' camp and no girls are allowed on boys' camp except for scheduled co-ed events.
- **KenWood Camp: We do not allow bikinis to be worn at camp nor do we allow revealing social clothes.** If these items are brought to camp, they will not be allowed to be worn. Please send tankinis (with long tops so that midriffs are not exposed) and/or one piece bathing suits.
- **ADOLESCENT/TEEN TOUCHING** Camp should be a socially fun, but safe place for our teens. In order to avoid any potential misunderstandings, we want to explicitly state that any sexual interaction (which means touching beyond hand-holding) may result in dismissal from camp or another consequence deemed appropriate to the situation. We are not judging the natural behavior of children these ages, but we do not want any discomfort created for those who may or may not be engaging in these behaviors or for those who may see others engaging in these behaviors. Please talk to your teen about this policy prior to his/her arrival to camp.

If any of the rules mentioned above are not followed, disciplinary action deemed appropriate by the Directors to the situation will take place. This can be anything from discussion and guidance with the camper to parental involvement to possible dismissal from camp.

PLEASE KEEP AT HOME / MORE GUIDELINES

Our main goal is for campers to have fun! With that being said, we do have rules and guidelines that we ask them to follow – so everyone can be a happy camper!

● **MEDIA DEVICES** No camper shall bring a cell phone, camera of any kind (including Polaroid and GoPros), e-reader, electronic games or any media device with a video screen/internet capabilities/camera. Most media devices are not permitted as we believe that camp is a place where children should not withdraw into their headsets and mobile devices, but rather enjoy the social downtime they have with their peer group through more traditional methods. Please see below for what we consider acceptable media devices. **Please discuss with your campers to make sure they understand our Unplugged Policy and what they can and cannot bring with them. Thank you for your partnership with us in this matter.**

MUSIC DEVICES with a video screen/internet capabilities/camera are not permitted. We appreciate your help with this to ensure we can deliver on our philosophy. **Note, music devices such as mp3 players (without a video screen/camera/internet capabilities - see examples below) are suitable to bring to camp for listening to music during rest hour and bedtime.** MAPs & Dodos (only) can also bring a pre-loaded 'iPod Touch' or equivalent music device (no cell phones) to be held in safekeeping & used during themed activities, Special Event Days & Color War ONLY.

Examples of acceptable media devices allowed at camp. Can be purchased online via sites like www.amazon.com & www.bestbuy.com

CAMERAS of any kind are not permitted, including digital, film, GoPros or Polaroid. Our photography team is all around camp taking hundreds of photos that we upload to our website daily. These will be available until well after your camper comes home so they can save and print out any photos posted.

CELL PHONES are strictly not permitted for campers & staff alike. If a cell phone is brought to camp we will find & confiscate it (don't forget, we do check for that 2nd one!) and store in the main office for safekeeping. We do not permit cell phones with the SIM cards removed to be used as music devices. Making calls, texting & taking pictures is not camp. In order to achieve the magic that can only happen at camp, campers need to be present in the moment and not on their phone.

● **BOOKS AND MAGAZINES** We encourage campers to bring age-appropriate books, magazines and comics to read during down time. Please ensure to pack enough reading items for the entire session, as we do not accept packages to be delivered while your child is at camp. **E-readers, such as the Amazon 'Kindle' or Barnes & Noble 'Nook', are not permitted.**

● **CASH, VALUABLES** Please do not pack your child with cash or valuables (including expensive sunglasses, jewelry, watches, earrings, etc.). There is no need for any money at camp; camp will not be responsible for any cash or valuables that are kept in the bunk and/or lost or broken.

● **WE DO NOT ALLOW** Flatirons, inflatable chairs, mattresses, lock boxes, cigarettes (including electronic cigarettes/vapes), fireworks, candles, matches or any other flammable items, sharp or dangerous objects of any kind. Food, gum, candy and beverages are not allowed in the bunks. Please make sure that these items are not packed in your child's baggage as they will be disposed of.

● **CAMPERS OUT OF CAMP** We strongly discourage, but if it's truly a necessity and you need to take your child out of camp during their session, please contact one of the Directors to discuss details and receive approval.

● **ILLEGAL SUBSTANCE AND WEAPONS POLICY** While it is inconceivable that any camper would bring drugs, alcohol or weapons to camp, we would be remiss by not stating our camp policy in this regard. Any camper involved with alcohol, tobacco and drugs of any kind for any reason whatsoever or is in possession of any weapon, will be sent home immediately, the same day, with no tuition refund.

● **BEHAVIOR and EXPECTATIONS** Good behavior is an essential element of a successful camp experience. Standards of mutual respect, appropriate language and positive attitude are always reinforced by our staff in a nurturing manner. In the event a camper behaves in an unacceptable manner and does not respond to correction in this regard, parents will be notified immediately. Failure to correct such behavior may result in dismissal from camp.

HEALTH CENTER

The Health Center's primary function is to promote camper well-being, dispense medication and provide any needed treatment.

STAFF

Our Health Care Center staff includes licensed RNs and a Camp Physician (M.D.) on premises throughout the camp season. There is a nurse on call in the Health Center all night and the doctor is only steps away.

MEDICATION DISPENSING AT CAMP

All camper medication taken on a regular basis, dispensed at camp, will be supplied by our **NEW** partner, **Kent Station Pharmacy** (860-927-3725), including prescription meds, liquids, over the counter medication, vitamins and supplements. **Please do not send any medication directly to camp (on buses, via baggage or mail).** This is vital for our medical staff to be able to focus on your child's care. Please refer to the **Kent Station Pharmacy** forms on the dashboard or go to <https://www.kentstationpharmacy.com/> for complete information for registering with **Kent Station Pharmacy**.

Please contact Kent Station Pharmacy with any questions:

Email: campinfo@kentstationpharmacy.com or Phone: 860-927-3725.

Campers may not have any over-the counter supplies in their bunk. Band-aids, topical creams, bug bite remedies, etc. are to be dispensed by the Health Center only. This is a state law so please do not pack any of these items in your child's baggage – Thank You!

CONTACT WITH PARENTS ABOUT CAMPER'S HEALTH

We believe in a great deal of contact with you regarding the health of your child. We will not call you about minor issues such as bruises and scrapes. We will call you if your child has to spend the night in the Health Center for any reason, or has any serious medical problem or needs a new prescription for medication. We will also contact you if your child requires the attention of an outside specialist such as a dentist or orthodontist.

LICE INFO

We hire a licensed professional company to check every camper for head lice on Arrival Day. **However, all children should be checked prior to their arrival at camp. Although we handle campers with lice in a delicate manner, campers found with lice are often very embarrassed which can get them off to a rough start at camp.** *If your child's school has experienced an outbreak of lice or if your child has been treated in the last month before camp, please let us know so we can be further proactive in checking and/or continuing treatment.*

If your child arrives at camp with lice, we will **automatically** treat him/her with the products provided by the professional lice company and will continue treatment for the required period of time. Our Head Staff will contact you if your child does have lice and let you know how your camper is doing.

If your child has been exposed to any communicable disease after June 1, 2019 PLEASE ADVISE US IMMEDIATELY.

Everyone is welcome! (However, please leave **FAMILY PETS at home**. Many of our campers have allergies and/or are afraid of animals. Thank you for your cooperation.)

Departure Day starts at 10:30AM sharp and ends at 1:00PM. Parents, please arrive on time as your kids are anxiously waiting your arrival! There will be juice, coffee & snacks available at the Parking Area for those who arrive early. Check in and feel free to pick up your camper's photos, compliments of KenMont and KenWood Camps.

Please join us for a family BBQ hosted by Tom.
A schedule of the day's events will be given to you upon your arrival.

Regarding re-enrollment for 2020, all families will have the opportunity to re-enroll after their respective Departure Day to take advantage of the re-enrollment credit.

Look for our re-enrollment information that will be sent via email during your child's session.

Please be assured, all of our returning campers will receive priority for re-enrollment for 2020 (including new siblings)!

If you are taking your camper's bags home with you, they can be picked up at the baggage area at any time. Our staff will be happy to help you bring them to your car.
