

ENROLLMENT AND TUITION PAYMENTS

- **Payment of the full tuition amount is due upon enrollment.** Your player will be considered enrolled when the PLAY! program approves a signed player online application AND tuition is received. Spaces are limited to 16 players per session.
- Enrollments are made in the order tuition is received until the age-group is full. Then a waitlist is created in the order that we receive the application. There is no financial commitment to hold a spot on the waitlist. If space becomes available, we will notify the next person on the list and provide an invoice to be paid in order to secure the space. Spaces will be held for 5 and 6 year-old players in the order they are received within the 16 spaces. If the waiver is approved by the state they will be approved for enrollment and contacted as to their payment preference.
- **Please make checks payable to Colvig Silver Camps.**
- **A 3% convenience fee will be added to all credit card transactions.**
- Tuition includes instruction, guidance, complete camp programming including all-day excursions, and use of all appropriate program equipment, areas, and facilities. The fee does not include travel to/from camp, meals, or medical expenses.

CANCELLATION POLICY

- All money paid, minus a \$50 application fee is fully refundable for cancellations received on/before May 15th. We begin committing financial resources in preparation for the summer as early as January and our cancellation policy reflects the past and present allocation of those resources and the investment we have made toward your player's summer at CSC. **Portions of camp payments are non-refundable as summer approaches.** See the chart below for the complete refund schedule.

- If illness (Covid-19 included) or injury require cancellation prior to the beginning of the term, the same cancellation policy and refund schedule above will apply.
- For players missing any part of a scheduled term, no refunds or reductions will be made due to fixed costs and expenditures. If an accident or illness on camp property while camp is in session is documented by medical personnel and causes absence for more than two days or withdrawal from the program, financial loss will be shared equally between the camp and parents.
- CSC reserves the right to refuse admission or withdraw, with partial or no refund, any player whose influence or conduct is deemed harmful, unsafe, or not in the best interests of the program, its philosophy, or its participants.
