Board Director Application

The Camp Glen Arden Alumni Association (CGAAA) mission is to foster the lifelong connection, honor our shared traditions, enhance and preserve programs and property historically held by Camp Glen Arden, and sustain the legacies of our directors Mary Kellogg Bell and Casey Thurman, by offering opportunities that foster the camp experience and programs through community partnerships that promote outdoor education, stewardship of our environment, and the values that Camp Glen Arden instilled in us.

Thank you for your interest in serving as a director on the CGAAA Board. Board directors serve three (3) year terms with the option to serve one (1) additional consecutive three (3) year term. Board terms commence January 1 and conclude December 31 each calendar year. The Board meets bi-monthly on a virtual basis for approximately one (1) hour five (5) times per year and one (1) time in-person for an annual meeting near or at Camp Glen Arden usually in late summer / early fall (when possible). Board directors typically serve on at least one (1) committee and are asked to make a contribution to help support the mission of CGAAA; however, any limitations in the ability to contribute should not in any way discourage interest in participation on the Board. **Please fill out answers to the questions below and submit your applications via email: alumni@campglenarden.com.** Nominations to serve on the Board will be reviewed for upcoming vacancies and will be maintained for future consideration.
