Special Occasion Clothing

Sunday- One all white outfit, t-shirt and shorts are fine. (This does not apply to opening days or to Mini Campers)

Dance Night- Each session we have a dance with our brother camp. This is an informal dance and campers generally wear sun dresses, skirts, or short and t-shirts. Campers must still wear shoes with back and dress appropriately.

Talent Night- Bring any special costumes, props, instruments, music etc. if you plan to enter. All talent night acts will be screened by an Admin. Make sure it is appropriate so your camper does not have to change their act at the last minute.

1st Session- Color Wars: This is prepared for at camp. No items needed.

2nd Session- 4th of July: Bring your red, white, and blue!

3rd Session- Christmas in July: Bring any holiday spirit and Santa Hats!

4th Session- Skyline Video Music Awards: Bring any creative, fun costumes or dress up items to walk the red carpet!

If your child plans to take horseback riding:

For the protection of your child, riding boots or hard-soled shoes with a defined heels are **REQUIRED** for participation in horseback riding classes. A heel, which prevents the shoe or boot from sliding too deeply into the stirrup, can prevent the foot from becoming dangerously wedged. Shoes or boots which have firm, hard coverings offer better protection than soft bodied shoes. Please do not put us in the position of having to refuse your child the pleasure of riding because lack of proper footwear.

A note about Club Outfits

Every camper will need one club outfit which is available at the T-Shirt Corral. The outfit includes a uniform t-shirt of your club color and navy shorts. Since first year campers do not know what club they are in until later on opening day, we suggest stopping during check-in to pick up your shorts and get fitted for your shirt. Later that evening all first year campers will come back by to get their t-shirt in their correct club color.

Packing Tips and Tricks

1. Mark all items clearly with your camper's name, lots of campers have similar items.
2. Use a footlocker or trunk to pack your campers clothes in.
3. Keep valuable clothes including favorite shorts, shirts, or jeans at home. Clothes at camp often get dirty, worn, and sometimes misplaced.
4. Send sturdy shoes with backs for everyday wear. Athletic shoes best protect against twisted ankles, stumped toes, and blisters. Exception: Campers will need flip flops for shower time and water shoes for swimming.
5. The temperature can be chilly most summer mornings and some evenings. We suggest a sweatshirt or light jacket, just in case!
6. A small plastic shower caddy is helpful in storing and carrying shower toiletries.
7. Large, 2- Gallon zip lock bags are great for organizing a day's outfit in advance(shirt, shorts, underwear, and socks). This is especially helpful for younger campers!
8. First year campers to bring at least one red, blue, and green shirt for club activities. Once they are in a club, additional items are available for purchase at the T-Shirt Corral and Club Leaders offer plenty of extra spirited items (like beads, boas, and pom poms).
9. A hanging shoe bag is optional and extremely helpful to campers. They hang them on the side of their bunks for easy access to smaller items like their stationary, hair brush, sunscreen, etc. It saves time searching through trunks and keeps the cabin areas tidy.
10. Laundry service is provided for our two week campers mid-session. No need to fret if your camper tends to dirty more clothes than most.
