## GREEN TEAM TOAST TO GOLD TEAM

The sun at dawn floods the earth and sky in golden glory. Your color—Gold—always symbolizes hope and happiness. Your color represents new life and joy and light.

Tonight my team offers to you this toast:

May the Gold team always be happy—may a golden light make your pathway bright as you travel on from camp to the years ahead—and some day, in the camp eternal, may each of you wear a crown of Gold!

## GOLD TEAM TOAST TO GREEN TEAM

Your color—Green—is symbolic of hope and victory. Green fields are a promise of abundant harvest. Spring green heralds the passing of winter and the hope of summer happiness.

The ancient Greeks used no large silver cups to represent victory, but rather a small green wreath.

My toast to you:

In life may each of you know many victories; may you always do your best as you fight life's battles—and may you some day know eternal happiness in God's vast green pastures.
