

## SHOW IT EVERY DAY

(Tune: "One Tin Soldier")

Listen campers to a story  
wasn't written long ago,  
About a camp upon a mountain  
and the boys who love it so.  
Each year there begins a chapter;  
everyone must do his share,  
Then we'll leave with many memories  
of a happy summer there.

Chorus:

Go ahead and help your neighbor,  
Go ahead and be a friend.  
Do it in the name of Jesus;  
You'll see the beauty in the end.  
Try to find a way to serve Him—  
Unselfishness is the way.  
Go ahead and help your neighbor,  
And show it every day.

Way up in the Blue Ridge Mountains,  
nested in the towering pines.  
We rise early every morning  
seeking with contented minds  
All the guidance that is offered  
by the staff that tries to show  
All the skills it has acquired  
that we growing boys may know.

Chorus

We can see that from our efforts,  
much is given, much is gained;  
And within our minds and spirits  
memories we will retain.  
When each day has finally ended  
we look back with prouder hearts  
If we gained through love and kindness  
friends with whom we hate to part.

Chorus

(Tune: "Paradise")

Chorus:

So come join the fun on top of our mountain,  
We'll hike up a valley or paddle canoes.  
We've got a new life cause we're happy and growing;  
So come join our band and be happy too.

Each day brings a challenge to make us grow stronger,  
Or something exciting just so we'll have fun.  
You can learn how to ride, to sing, or to whittle,  
Or together enjoy the slow setting sun.

## Chorus

But as the sun sets we join with our brothers  
And wander on down to the Council Fire Ring.  
It's a place of love, a place of friendship  
A place where we join and happily sing.

## FALLING CREEK, WE'LL ALWAYS LOVE YOU

(Tune: "I'll Never Fall In Love Again")

1. When we're home the memories linger  
of that camp upon the mountain;  
Green and Gold are symbols of the fun,  
where we make such lasting friendships.

Falling Creek, we'll always love you.

2. High ideals are set for us,  
through our sports we try to live them—  
Tennis, swimming, basketball and crafts  
teach us how to share with others.

Falling Creek, we'll always love you.
