

SHOW IT EVERY DAY

(Tune: "One Tin Soldier")

Listen campers to a story
wasn't written long ago,
About a camp upon a mountain
and the boys who love it so.
Each year there begins a chapter;
everyone must do his share,
Then we'll leave with many memories
of a happy summer there.

Chorus:

Go ahead and help your neighbor,
Go ahead and be a friend.
Do it in the name of Jesus;
You'll see the beauty in the end.
Try to find a way to serve Him—
Unselfishness is the way.
Go ahead and help your neighbor,
And show it every day.

Way up in the Blue Ridge Mountains,
nested in the towering pines.
We rise early every morning
seeking with contented minds
All the guidance that is offered
by the staff that tries to show
All the skills it has acquired
that we growing boys may know.

Chorus:

We can see that from our efforts,
much is given, much is gained;
And within our minds and spirits
memories we will retain.
When each day has finally ended
we look back with prouder hearts
If we gained through love and kindness
friends with whom we hate to part.

Chorus:

WE'VE GOT A NEW LIFE

(Tune: "Paradise")

When I see the swarms of unhappy people
With their Cadillac cars and unfriendly towns,
I close both my eyes and sail through the memories
Of wonderful summers and friends I have found.

Chorus:

So come join the fun on top of our mountain,
We'll hike up a valley or paddle canoes.
We've got a new life cause we're happy and growing;
So come join our band and be happy too.

Each day brings a challenge to make us grow stronger,
Or something exciting just so we'll have fun.
You can learn how to ride, to sing, or to whittle,
Or together enjoy the slow setting sun.

Chorus

But as the sun sets we join with our brothers
And wander on down to the Council Fire Ring.
It's a place of love, a place of friendship
A place where we join and happily sing.

Chorus
